PEANUT FLAVOR FOR BAKED APPLES.

The wartime supply situation makes baked apple even more popular than usual for either a simple dessert or breakfast fruit, both because the fruit is plentiful and because it calls for little or no sugar. After coring apples, many cooks fill the core space with a bit of butter and nuts and raisins. A variation that offers good nutrition, as well as a difference in flavor that will please many, says the Federal Bureau of Home Economics, is to omit the butter and nuts and fill the cavity with peanut butter and raisins.

TIME YOUR TRAVEL to aid the war effort

There are only so many buses and bus seats. Practically every seat is working day and night to carry vital war traffic and other passengers whose travel is essential to the nation's welfare.

Fridays, Saturdays, Sundays and Mondays are the busiest. On these days there is little room on the buses for people whose travel is not absolutely necessary.

Tuesdays, Wednesdays and Thursdays are the days on which we are better able to serve travelers whose business may not be directly connected with the war.

Even in mid-week, our frank advice is: If you can postpone or eliminate the journey, please do so.

WARTIME TRAVEL SUGGESTIONS

1. Consult your local Greyhound agent well in advance so he can help you choose the least-crowded schedules.
2. Arrange trips whenever possible to go and return during mid-week rather than on week-ends.
3. Carry only the baggage that is absolutely necessary.

TRUE PATRIOTISM

THE FOUNDATION OF GOOD CITIZENSHIP

THE CHALLENGE OF A CHANGING world gives us, as members of the first patriotic organization for women in the State of California, work to be done as a group, united to serve and assume our responsibilities as citizens in each of our various communities.

"Within the principles which guide the Order of Native Daughters of the Golden West are the essentials necessary to serve our Order, State and Country during this national emergency. Our founders felt it their duty to be a power for good in their beloved state as well as our nation, and today, we who are carrying on this fine work so well established over half a century ago, are faced with the problem of how best to now prove that we are true Californians, and good citizens of these United States.

"We know that the foundation of good citizenship is true patriotism. Is patriotism merely

affection for the place where we were born? No! Its strength is greater than that; it is an extended feeling that mingles with all the enjoyments of our life and has a very special place in our hearts. It is because of this we recognize the laws of society, for in their authority we see not force and terror, but veneration of our country's honor. The sense of honor beats high in every American heart, and it is cherished as something sacred. Good citizenship has been encouraged through programs devoted to legislative measures, respect for the laws of our country, and the importance of world peace.

"Democracy, as we understand it, is more than a political system for the government of a people. It is the expression of a people's faith in themselves as human beings. And faith, we know, is one of the most effective tools in the human equipment. Lack of it holds us back as individuals, and certainly as a nation. If you

have confidence in your fellowman, you gain faith in your nation, and finally reach the conviction that somewhere there is a law of right that makes everything else right, and when that is reached, the whole range of faith is opened and we become less cynical. That faith which our forefathers had to bring about the liberty and the freedom which we enjoy must be preserved. Rights and duties and loyalties must be our concern, and we must realize that we cannot preserve our blessings for ourselves and our posterity unless we are willing to work and to sacrifice for them.

"There is an astonishing parallel of facts between women's work in World War One and the war being fought today. For over a generation now, women have been learning to work as men work, and at other jobs as well. They have been

PUBLISHER'S NOTICE.

As the Fifty-seventh N.D.G.W. Grand Parlor will not conclude until June 24, and it being advisable to have the proceedings appear in the next (July) issue of The Grizzly Bear, the July number may be delayed in making its appearance. Forms for the regular departments of the July number will, however, close at the usual time, so news contributors and advertisers should be guided accordingly.

trained to discipline, and have learned how to produce results. Women have given up their way of living, in order to join the armed services of our country. Many of our own members are now serving as WAACS, WAVES, MARINES and NURSES, as well as in other governmental agencies.

"Faced with an issue, the women of today are proving, just as they did in other emergencies, that there is not time to fuss about how a job is to be done; the important thing is getting down to the business of doing it. And proudly we state that Native Daughters throughout the length and breadth of our state have taken work as their watchword, and are making great strides. Native Daughters are never unmindful of the program of projects outlined by the Grand Parlor, and along with all of their wartime activities, those projects are being continued in a splendid manner.

"Very soon the Fifty-seventh Grand Parlor of the Order of the Native Daughters of the Golden West will convene in the City of Santa Cruz, adding another year's record to our organization's history. As we review the problems and the progress of the past year, we can analyze what has been done, and make every effort to improve upon it in determining our needs for the 1943-44 year. It is the duty of every delegate to the Grand Parlor to take back to her home-Parlor a concise report of the business transacted. Annual meetings such as ours afford an opportunity for conference regarding activities as programmed, and for personal contact with leaders interested in similar lines of endeavor.

"We should be grateful for the privilege of meeting together during this wartime period, and therefore we ask the indulgence of the delegates to this Fifty-seventh Grand Parlor, and hope for their cooperation in all things.

"The last quarter of our year has been devoted to the principle, 'Love of Home,' and with the approach of Grand Parlor we are mindful, too, of Flag Day. On June 14 we pay tribute to the most glorious emblem that ever floated on the breeze or rippled in the sun, the Star Spangled Banner. It is a symbol of our unity and our national endeavor. It means this great country, and all our people. It means the one successful experiment of representation—democracy. It tells of the struggle for independence—of liberty and union, one and inseparable. It means America first; America united, strong and efficient—equal to her tasks.

"These are the days of history in the making, and the Native Daughters of the Golden West will 'hold fast' in every possible manner during this great emergency. Perhaps our meetings lack some of their former brilliancy, but the opportunity has presented itself for work in all of our projects, as well as in matters of government. May our organization always continue to serve the cause of Americanism, having faith in its principles and high ideals."

THE FARMER (1943)

BARBARA WHITNEY

This is his golden shield, this is his saber,
Raised in a battlefield, lifted with labor,
Drawn on a deadly foe who would enslave us!
(Farmer, your corn will grow spears that can save us).

Manned is the trenchant plow, soil turned for sowing,

Hard on a tired brow spring's promise blowing.
Soldier—through mud and storm, lantern out—swinging,

Down the dark path the warm pails of milk bringing.

Marshal of mind and brawn—planner of reaping—

Up at the gray of dawn, late vigil keeping
Night's starry flag unfurled over barned cattle,
He who must feed the world charting his battle!
Wheat will be golden soon! Buckler and saber!
God of the harvest moon, prosper this labor!

THE WATCHWORD OF THE NATIVE SONS

WAYNE R. MILLINGTON OF REDWOOD CITY, San Mateo County, affiliated with Redwood Parlor No. 66, became the Grand President of The Native Sons of the Golden West at the Sixty-sixth Grand Parlor, which was in session at San Francisco. Following his induction into office, May 19, he gave The Grizzly Bear this statement for publication:

"The Native Sons of the Golden West faces a challenge; the manner of meeting it may determine the Order's future. Today, we would not consider the use of appliances which our fathers and their fathers held to be the latest and most modern. Our methods of dress have changed to the extent the fashion of even ten years ago is now outmoded to the point of being conspicuous. Orders, such as The Native Sons, must conform to modern trends and be a part of today, lest they be buried in the dust of a past, remembered by only a few.

"While we acknowledge the reason for the form and character of orders as being cogent at the time of their organization, we must not blind ourselves to changing conditions to the extent of stunting our growth by an unreasoning adherence to the form and characteristics of a past age which we, in our deliberative moments, know to have irrevocably passed.

"That the underlying principles upon which The Native Sons was founded—patriotism, reverently known as "McLane," was instituted May 3, 1886, by Grand President Charles W. Decker and Grand Secretary Henry Lunstedt with nineteen charter members. Lewis McLane Jr. was the first president and George F. Wolfe was the first secretary. The sole surviving charter member is A. H. McArthur.

San Diego—Having kept a Flag of the United States of America flying over historic Fort Stockton, Old Town, for twenty years, San Diego No. 108 May 5 presented a large new flag to Curator John Davidson of the Serra Museum on Presidio Hill, who attends to raising and lowering the fort flag each day. Deputy Grand President Albert V. Mayrhofer made the presentation on the Parlor's behalf.

Redding—McCloud No. 149 has presented Richard E. Collins a fifty-year membership pin, he having been a member of the Order for more than a half-century. "Dick," the chairman of the State Board of Equalization, is said to be California's oldest elective official in point of service.

Cambria—Cambria No. 152 and El Pinal No. 163 N.D. sponsored a successful dance, followed by a midnight supper, May 8. The joint arrangements committee included John Maggetti, Don Evans, Katie Jewett, Elsie Soto and Evelyn Evans.

Santa Monica—William Randolph Hearst, publisher of the Hearst newspapers and for more than fifty years a member of the Order, celebrated his eightieth birthday anniversary here April 29. He is affiliated with Sea Point No. 153 (Sausalito).

Oakland—Fruitvale No. 252 is sponsoring a victory garden contest for members of the Order residing in the Metropolitan Oakland area. The home vegetable gardens will be judged between July 15 and August 15, and several prizes will be awarded. The committee in charge includes James Ambrosi, Edward Berthold and George J. Hans.

"Bureaucrats are a great institution. If you really know them and have had experience trying to get any action on anything connected with the departments or agencies of the [Federal] Government in the last two years—I say the last two years because that is closer to date—you know they are ignorant, they are bigoted, they are absolutely impossible, and the only way that we can cure this Government from that disease is to eliminate them from the payrolls."—Congressman John Taber of New York.

ence for pioneers and preservation of landmarks should be maintained, no one will deny. As a foundation for an order, no principles could be finer. The challenge before us, in my opinion, is merely this: will we add to our functions to the extent that the Order may become a contributing factor in the life of the community, state and nation?

"The answer is, that we must, to survive. Only to the extent that we perform service today, rather than rely on the glories of the past, will we justify our continued existence as an organization. Our duty, in that respect, would appear clear. In addition to the many worthwhile activities we now undertake, among which the homeless children project predominates, we must participate actively in the problems for the betterment of people generally and become known and recognized as a militant crusader for current good.

"Some steps have been taken to that end. The war revived, to public attention at least, the Japanese question. We, as an Order, have never evaded or equivocated on that question. As, in cooperation with the Grange, the A. F. of L. and the American Legion, we were successful in hav-

ing enacted an Oriental Exclusion Act and in preventing any weakening or modification of it, so we are now engaged in a project which, if successful, will mean the passing from California of the Japanese, native born or not. This project we must publicize, and vigorously push to a successful conclusion. The entire United States may well thank the Native Sons of the Golden West that only some ninety thousand-odd Japs were in the state December 7, 1941, rather than the hundreds of thousands who could have been here had we not persisted in our opposition to them.

"No other organization can, or will, devote itself to the task of guarding California's past and future. The two functions are ours, and ours alone, and are inextricably bound to us. Our manner of meeting our obligations with respect to them, will determine our future.

"The point to be made is, that we can no longer interest Californians by birth of the worth of our Order, merely by extolling to them the virtues of the pioneers. Today's candidate for membership must be interested in our present-day activities. Our greatest selling points should be what we are doing NOW, and what we are planning and arranging to do.

"In that respect, please recall the phenomenal success of that type of organizations known as service clubs. While they do not hold themselves to have a historic background such as this Order does, they do attribute their existence to the fact that they engage in public-good enterprises, of a non-political nature. A worthwhile man wishes to become affiliated with an organization that accomplishes general good. As long as we continue to be that type, our future, our desire for a large membership and the successful continuity of our Order, is assured.

"Please understand, now, that it is not my intention to tear up the roots of the Order and change its original concepts and principles. My only thought is to make its workings conform to today.

"With a glorious past as a foundation and a future of activity in view, The Native Sons of the Golden West may proudly present itself to all mankind, secure in the knowledge it is a vital, necessary and important factor in the development of the nation."

THE KIND OF LOCUSTS EATEN BY John the Baptist while dressed in camel's hair at the River Jordan were not grasshoppers or even the gentle nomadic species, but were simply pods of the carob tree, according to Ralph D. Cornell, resident landscape architect on the Los Angeles campus of the University of California. The mistake of translators, he says, is due to the honey locust tree, which has pods like the carob, being confused with the insect. Therefore John, instead of devouring the *Schistocerca peregrina*, as everyone always suspected, was actually partaking of the *Ceratonia siliqua*. To make it more binding, the carob is often called Saint John's bread.

Rows of these trees, native to the Mediterranean region and the same that fed John the Baptist, are flourishing on the east side of the Physics-Biology Building on the Los Angeles campus of the university. One odd thing about them is, that the blossoms grow out through the bark on branches instead of on twigs or terminally. The thirty percent protein and sugar in the pods give an economic value to this member of the bean family. Subtropical, it endures less cold than the orange tree. "So far as I know," says Cornell, "the vitamin content of the carob has not been established, which, however, did not worry Saint John."

MELODRAMA TO BE PRESENTED.

Long Beach—Long Beach Parlor No. 154 N.D.G.W. had a Mothers Day breakfast, under the chairmanship of Frances Galvin, at Recreation Park clubhouse May 2. The tables were gay with decorations of sweetpeas and fern, and all mothers were given corsages. President Grace Poole introduced Mrs. Kate McFadyen, who claims Mothers Day originated with the Native Daughters; Mrs. Chas. Bratton, who told of Long Beach's early business enterprises, and Supervising Deputy Ann Schiebusch, who spoke of the many women made extremely happy by becoming foster-mothers. Mrs. Karl Bozeman read Mark Twain's "This Was My Mother," and the Mel Mohr Medley Singers favored with several numbers. The affair was declared an unusually fine one, and there was a large attendance. A cooked

food sale May 8 under the supervision of Leola Temby was most successful.

May 16, the Parlor had a program in honor of Deputy Eleanor Gunn. It included a reading by Mrs. Rice, and interesting talks about Mexico by Dr. Charlotte Van Gundy and President Chester French of Long Beach Parlor No. 278 N.S.G.W. May meetings of the thimble club were held at the homes of Mae Gillies and Bernadette Paulson. The club, capably managed by Cochairmen Vera West and Lois Watson, is rushed with orders for handembroidered pillowslips, towels, aprons and other needlework. At each meeting luncheon is served by the hostess. May 23 waffles were served all day at the Wilmington home of Margaret Burch; this is an annual affair.

The Melodrama, "She Was Only a Farmer's Daughter," is in rehearsal, with a strong cast selected from Long Beach's membership. It is to be given June 12, and a fine evening's entertainment is promised. It is fashioned after "The Drunkard," with punch and sandwiches as refreshments. Tickets are now on sale. Servicemen are to be special guests.

HOLLYWOOD HAS MOVED.

Following a tasty dinner prepared by Mrs. William Hortenstine, Hollywood Parlor No. 196 N.S.G.W. initiated two candidates May 3. Edgar Black conducted the good of the order, and among the speakers were Grand Trustee Walter Odemar, District Deputy Woodrow Wade, Ellery Cuff, Grand Organist Roger Johnson, Fred Leonetti, Elmer Koop, Walter Rosenthal, Philip Molen, Wm. Myers, Kenneth Case, Clarence M. Hunt, Moritz Rosenthal, Cec Wade, Eldin Smith and John Off.

Hollywood has moved. It is now meeting in I.O.O.F. Hall, 1089 North Oxford Avenue, the third Monday of each month. As usual, a 6:30 dinner will precede the June 21 meeting. All Native Sons welcome.

CONTRIBUTOR TO WORTHY ENDEAVOR.

In a letter received from the Los Angeles Chamber of Commerce, Los Angeles Parlor No. 124 N.D.G.W. learned that 4,000 Filipinos are training in southern California to avenge their people and ours for the tragic loss of Bataan. They miss their beloved bolo knife, and as it is not standard equipment in the United States Army, but an important weapon to the men of the Second Filipino Infantry, a drive is on to raise \$22,500. Los Angeles is happy to be a contributor to this worthy endeavor.

About 600 servicemen enjoyed the Parlor's hospitality at a downtown USO center in May. Hostesses were Ruth Hoffman, Virginia Hausenauer, Louise Goodhue, Evelyn Howell, Ella Steinbeck, Dahlia Vucovich and Frances Bernhard. Sandwiches, coffee and doughnuts were served.

The homeless children committee of the Parlor entertained May 19 with a play showing the working procedure of the Central Committee, in which Mabel Owens, Bernice Setterberg, Josephine Lynn and Louise Cash participated. Kate Williams and Ruth Hoffman were cohostesses. Mothers of Los Angeles' members were honored May 22 at the home of Juanita Porter. Sewing for the homeless children was in order, and dessert was served. Assisting hostesses were Evelyn Arlen, Evelyn Howell, Olive Hedges and Ella Steinbeck. Each mother was presented a tiny nosegay and sachet.

June 19 Los Angeles will have a sewing party at the home of Mildred Ripling, 740 North Kings Road. Assisting her will be her sisters, Grace Norton and Lucile Duncan.

MEMBERSHIP CAMPAIGN UNDER WAY.

Visitors to and members of East Los Angeles Parlor No. 277 N.S.G.W. were treated to an extra-good feast of roast lamb by "Chefs" Tony Leyva and "Babe" Nighswonger May 10. At the Parlor session that followed, considerable business was transacted and there was a talkfest in which the following participated: Federal Judge Ben Harrison, Howard Woodward, Willard Allen, Moritz Rosenthal, Robert Ziegler, Wm. Arlen, Clarence M. Hunt, Earle Magee, Ludwig Trinajstich, Amado Ramirez, Leonard Woodhouse and President Arthur Carmichael.

East Los Angeles has under way a membership campaign in charge of Ray Brown, chairman, Stanley Granch, Howard Woodward and Philip Soloway. Next meeting, June 14; dinner

special honor-guest was Maxine White, prominent in the younger set, who recently enlisted in the USMC women's reserve. With a few felicitous remarks, President Flick, on behalf of Californiana, presented Private White with one of the specially-bound pocket editions of the New Testament. Another guest enjoying the affair was Lieutenant Eleanor Gearheart of the Los Angeles office of the Marine Corps. Proceeds from the luncheon, which was served by the homeless children committee, Ethel Smith chairman, went into the coffers of that committee.

The Gertrude Sewing Circle, which had a pleasant and productive day May 3 at the Glendale home of Charlotte Carpenter, provided the final sum for the adoption of the number two baby for President Flick's term. The Parlor observed Memorial Day May 25, and Hospitality Chairman Isabella Granz honored at a tea those members having birthdays in May.

Native Sons of the Golden West

THE STATE OF CALIFORNIA AND THE City of San Francisco lost an outstanding citizen, and The Native Sons of the Golden West parted with a valued and highly respected member, when death claimed Past Grand President Lewis Francis Byington at San Francisco, May 7.

"Lew," as he was affectionately referred to by his numerous friends and admirers, was born at Downieville, Sierra County, May 24, 1866, and affiliated with Niantic No. 105 (San Francisco) June 15, 1889. He was a delegate to the Fourteenth (Santa Rosa 1891) Grand Parlor, and attended every succeeding Grand Parlor, except the Sixty-fourth (Lake Tahoe 1941), at which time he was out of the state. He was elected Grand President at the Twenty-fifth (Santa Cruz 1902) Grand Parlor and presided at the Twenty-sixth (Bakersfield 1903) Grand Parlor. A noted orator and profoundly patriotic, he was much in demand as a speaker, and he always responded, willingly.

He served San Francisco faithfully and well as a public servant, being, at various times, district attorney, president of the Board of Freeholders that wrote the present city charter, member of the Board of Supervisors and president of the Civil Service Commission. At the time of his death he was, and for some time had been, the president of the Public Utilities Commission.

Funeral services for Past Grand President Byington were conducted the evening of May 9 by Grand President Lloya J. Cosgrove, Junior

Annual Oldtimers Night.

Modesto—Many members of the Order attended the chicken supper given by Modesto No. 11 May 5, the occasion being the annual oldtimers night. The feast was prepared and served by a committee from Morada No. 199 N.D. composed of Mary Blaine, Ethel Enos, Lena Browder, Ann Sargent and Alma Rutan. Modesto's committee included Charles D. Blaine, Vincent Lollich and Edwin Craig.

After the supper a meeting of the Parlor was held, with President Walter G. Crow presiding, and plans were completed for holding a card party May 19, jointly with Morada, for the benefit of the homeless children. Following the transaction of routine business, past presidents assumed the various stations: Charles D. FIFTY-SEVENTH N.D.G.W. GRAND PARLOR

CLARENCE M. HUNT

THE FIFTY-SEVENTH ANNUAL GRAND Parlor of The Native Daughters of the Golden West will, to comply with the Constitution of the Order, be convened by the grand officers at Santa Cruz City, Monday, June 21. No business, however, will be transacted that day, and a recess will be taken immediately until 9:30 Tuesday morning. The Grand Parlor sessions, Tuesday, Wednesday and Thursday, will be held in the auditorium at the beach.

Grand President Claire Lindsey of Golden Gate Parlor No. 158 (San Francisco) will preside throughout the deliberations and, at their conclusion, will automatically become the Past Grand President.

"This will be a victory Grand Parlor and will be conducted along patriotic lines," quoting General Chairman Leona Geyer of the Santa Cruz Grand Parlor arrangements committee. Red Cross and other speakers will be introduced. Miss Marion A. Curry of Portola Parlor No. 172 (San Francisco), chairman Grand Parlor music committee, will be the song leader, and she will be assisted by Elmarie Dyke of Junipero Parlor No. 141 (Monterey).

And too, this Grand Parlor will mark the fiftieth anniversary of the Grand Presidency of Miss Mae B. Wilkin, a charter member of Santa Cruz Parlor No. 26, and the twenty-fifth anniversary of the Grand Presidency of Miss Grace S. Stoermer of Los Angeles Parlor No. 124.

The reports of officers and committees to the Fifty-seventh Grand Parlor will reveal that the Order is in good condition, making progress and, regardless of the war, carrying on its many fine projects. Activities and accomplishments were given publicity in The Grizzly Bear during the 1942-43 Grand Parlor year.

Grand Secretary Sallie R. Thaler has advised all Subordinate Parlors that Grand Parlor legislation provides that the entire personnel of a Grand Parlor must pay a registration fee of two dollars. Also, that visitors to the Santa Cruz Grand Parlor will be accorded the same privileges as delegates, insofar as social activities are concerned, on payment of the registration fee.

El Pescadero No. 82—Margaret McHenry, Marie Vierra, Lily Mae Peters.

NATIVES ASK CONGRESS FOR AN INVESTIGATION

The accompanying resolution was adopted last month (May) by the following: Hollywood Parlor No. 196 N.S.G.W. (Los Angeles), Mother Colony Parlor No. 281 N.S.G.W. (Anaheim), Los Angeles Parlor No. 124 N.D.G.W., N.S.G.W. Friday Luncheon Club (Los Angeles), East Los Angeles Parlor No. 277 N.S.G.W., University Parlor No. 272 N.S.G.W. (Los Angeles) and Los Angeles Parlor No. 45 N.S.G.W.

"The members of . . . seriously doubt the wisdom of the Washington Government's policy in dealing with the Japanese in the United States, for it guarantees to the Japanese a peacetime victory on the home-front. For years the Japanese have been engaged in a 'peaceful invasion' of the Pacific Coast area of the United States, planned in and financed by Japan, and the continuation of the policy outlined by the Washington Government will encourage the Japanese to proceed with their 'peaceful invasion' for the glory of their worshiped emperor in war-time, and will aid them in no small degree in so doing.

"We are of the belief that the Japanese have long been, and are today being, supported and encouraged in their 'peaceful invasion' by the powerful pressure group styled the Federal Council of Churches of Christ in America, which organization, it appears to us, has influenced the Washington Government, and particularly the War Department and the War Relocation Authority, to approve and put into effect a program, suggested, possibly, by the Federal Council of Churches of Christ in America, that caters to and appeases the Japanese, but is decidedly antagonistic to the best interests of the Pacific Coast area of the United States and not to the liking of a vast majority of the citizens of that area.

"We reiterate our contention, that the Constitution of the United States of America does not confer citizenship on a Japanese born in this country; that every Japanese, regardless of the place of his birth and his protestations otherwise, inherently is loyal only to Japan; that 'A Jap is a Jap,' and unworthy of confidence.

"We are sincerely concerned about the well-being of our homeland, and want it forever preserved as the Whiteman's earthly paradise. Therefore, be it

"Resolved, By . . . , that the Congress of the United States of America be requested to thoroughly and impartially investigate the Japanese activities of the Federal Council of Churches of Christ in America, also the conduct of the War Relocation Authority, and to deny any further appropriation for the operation of Japanese concentration camps to the War Relocation Authority, Also

"Resolved, That the Congress be urged to enact legislation requiring all Japanese in the United States to be kept in concentration camps, with the sexes separated, under the exclusive supervision of the United States Army, and that adequate funds for the operation of said camps by the Army be provided. And further

"Resolved, That copies of this resolution be sent California's Senators and Representatives in the Congress, and others."

PROGRAM FIFTY-SEVENTH N. D. G. W. GRAND PARLOR

Arrangements for the Fifty-seventh Grand Parlor of The Native Daughters of the Golden West are in charge of Santa Cruz Parlor No. 26. Leona Geyer is the general chairman, Alta Macaulay is chairman of transportation, and Lela Swasey is the publicity chairman.

Headquarters will be at the Palomar Hotel, where Grand Parlor members and visitors should register as soon as they arrive. The outlined program, in addition to sessions of the Grand Parlor Tuesday, Wednesday and Thursday, includes:

Monday evening, June 21, exemplification of the ritual. Tuesday evening, grand ball. Wednesday evening, water carnival. Thursday evening, installation grand officers. Another entertainment feature will be a picnic on the beach one noon, to be served by the Red Cross Canteen.

Then, on the side, the following group dinners are scheduled: Sunday, the Grand Trustees, with Loretta Cameron as chairman. Monday, the grand officers, with Past Grand President Clarice Cook as chairman. Tuesday, the Past Grand Presidents, with Sue Irwin as chairman.

The ritual exemplification Monday evening will be under the direction of Supervising Deputy Dorothy Barber, with the following members of Santa Cruz Parlor No. 26 participating: Dora Presho, chairman; Inez Antonetti, junior past president; Mary Antonetti, president; Dottie Smith, past president; Lucille Barnhill, first vice-president; Mae Cavanagh, second vice-president; Hazel Brass, third vice-president; Bessie Gomes, marshal; Leona Geyer, recording secretary; Alta Macaulay, financial secretary; Edna Mosher, treasurer; Pearl Reid, organist; Opal Kenney, inside sentinel; Iris Rickey, outside sentinel; Ruby Bowen, Lela Swasey, Virginia Brenkwitz, trustees.

THE HOSTESS-PARLOR.

Santa Cruz No. 26, the hostess-Parlor, was instituted March 17, 1888, with a membership of fifty of the most representative young women of Santa Cruz City. The high standard of personnel that marked its beginning has always been maintained.

Three of the charter members remain: Past Grand Presidents Mae B. Wilkin and Stella Finkeldey, who presided, respectively, at the Seventh (Watsonville 1893) and the Eighteenth (Pacific Grove 1904) Grand Parlor, and Mrs. Annie Gilbert-Lorenz.

The Parlor has always given excellent support to the worthwhile projects of the Grand Parlor, and the citizens of Santa Cruz look to it for leadership in civic affairs. The Parlor is particularly proud of a wishing well which it maintains at the beach, in cooperation with Santa Cruz Parlor No. 90 N.S.G.W., for the gathering of funds for the homeless children.

This will be the seventh time in the history of the Native Daughters of the Golden West a Grand Parlor has been held at Santa Cruz, with Santa Cruz Parlor No. 26 as the hostess. The Fifth, with Grand President Mollie B. Johnson (now deceased) of Califia Parlor No. 22 presiding, met there in 1891; the Twenty-fifth, Grand President Mamie G. Peyton of Joaquin Parlor No. 5 presiding, 1911; the Thirty-second, Grand President Grace S. Stoermer of Los Angeles Parlor No. 124 presiding, 1918; the Thirty-eighth, Grand President Amy V. McAvoy of Stirling Parlor No. 146 presiding, 1924; the Forty-third, Grand President Dr. Louise C. Heilbron (now deceased) of San Diego Parlor No. 208 presiding, 1929; the forty-eighth, Grand President Irma W. Laird of Alturas Parlor No. 159 presiding, 1934.

N.S.G.W. ORGANIZE FOR EXPANSION

Los Angeles—The newly-appointed N.S.G.W. deputies and the grand officers of District No. One met May 30 at the home of Supervising Deputy Woodrow Wade and organized a District Deputies Association. John M. Johnston was appointed secretary of the Association, and Howard Woodward was named chairman of an expansion of the order committee that will endeavor to have each Parlor in the district show at least a ten percent membership increase by December 31.

To assist in successfully carrying out an outlined program—increase in membership, aid to weak Parlors, publicity for the Order and institution of Parlors—a fund of \$1,500 is to be raised. Each Parlor of the district will be asked to subscribe a nominal sum, and Friday evening, June 18, the Association will stage a jamboree at 1832 South Hope Street, Los Angeles. Tickets will be \$1.25, and a wonderful show is promised.

The Association will hold monthly group initiations at the various Parlor headquarters. The first will be at Inglewood, Friday, July 2, in the meetingplace of Centinela Parlor No. 279, 159 1/2 North La Brea. It will be in honor of Grand President Wayne R. Millington, and the Parlor presenting the most candidates for initiation will be specially rewarded.

Saturday evening, July 3, at 1832 South Hope Street, Los Angeles, the Association will sponsor a Grand President's Independence Day dance. The charge will be one dollar per couple. Good music will be provided, there will be a victory parade, and an evening of pleasure is assured.

The Association's expansion of the order committee is working on plans for the institution of parlors in the San Fernando Valley, Pasadena, Huntington Park, Alhambra, San Gabriel, Pomona, Whittier, Redondo Beach, South Los Angeles, Riverside and Beverly Hills. Any member of the Order knowing eligibles in these localities, or willing to assist in organization work, should contact Supervising Deputy Woodrow Wade, 2218 South Mansfield Avenue, Los Angeles, phone YOrk 8875.

Native Daughters of the Golden West

NEVADA CITY—FOLLOWING A DINNER at which she was the honor-guest, Grand President Claire Lindsey officially visited Laurel No. 6 the evening of April 29. The meetingroom was beautifully decorated with spring flowers, and more than a hundred members of the Order were in attendance. Many interesting reports were given, and on the Parlor's behalf Louise Dudley presented Mrs. Lindsey a charming gift.

The address of the Grand President covered a wide range of interesting topics and again disclosed the great work being done by the Native Daughters. She expressed her pleasure at being in Nevada City and said she doubted if anyone living in the quaint little city would ever want to leave. Other speakers were Supervising Deputy Teresa Alaria and Deputy Ruth Sinnock.

Under the leadership of President Thelma Butz the ritual was exemplified by the Parlor's officers. Laurel has aided in bidding farewell and presenting gifts to many draftees, and its members have assisted in entertaining the boys from nearby Camp Beale. Many thanks were given Virginia O'Neill and committee for arranging a very outstanding meeting that will live long in the memory of those in attendance.

Great Seal of State Presented.

Placerville—Marguerite No. 12 and Fern No. 123 (Folsom) were officially visited by Grand President Claire Lindsey at a joint meeting here May 16. With Marguerite as the hostess, a luncheon was served by a committee headed by Ruth Thomas. After that a program, under the direction of Mildred LeFever, was presented by Frances Parsons, Florence Collins, Donald Robinson Jr. and Jessie Maynard. In attendance also were Permanent Grand Parlor Member Emma Boardman Wright, Supervising Deputy Nora H. Gray, and Deputies Pearl Freitis and Mary Lyon.

At the business session the opening and the closing ceremonies were conducted by Fern, Margaret Shane president, and the initiatory work was put on by Marguerite, Ruth Schmidt, president. For the latter Parlor, the Grand President accepted a large Great Seal of the State of California, framed in rough cedar bark. The seal was handmade by the late Hannah Kane, and it was framed by her husband.

Junior's First Birthday.

Mariposa—At public ceremonies attended by more than 150, the officers of Junior No. 13, sponsored by Mariposa No. 63, were installed by Ethel C. Enos, Elaine Murray becoming president. The lodgeroom was decorated with floral arrangements of red roses, white snowballs and blue lupine. The occasion also marked the first birthday of the Junior, it having been instituted April 16, 1942, through the efforts of Alice Ellingham.

Following the installation there was a program, which included: invocation, Rev. Paul Coleman; prayer song, girls' glee club; welcome address, President Elaine Murray; remarks, Ethel C. Enos; presentation of honored guests: Charter Member Lucy Milburn, Fifty-year Member Edith Trabucco and Advisor Alice Ellingham of Mariposa Parlor; musical selections, Eleanor Yates, June Brown, Betty Bondshu, Barbara

Delightful Surprise.

Palo Alto — When Grand President Claire Lindsey paid her official visit to Palo Alto No. 229 and El Monte No. 205 (Mountain View) in joint session here April 27, she found a delightful surprise awaiting — bridal decorations in honor of her twentieth wedding anniversary. Despite a very wet evening, some seventy-five members of the Order, among them Supervising Deputy Ruth Semichy, Deputies Florence Ohler and Helen Walker, and Past Grands Anne Thuesen, Orinda Giannini and Evelyn Carlson, gathered to welcome the Grand President and to witness the initiation of four candidates.

Presidents Anna Powell of El Monte and Marie Landini of Palo Alto shared honors during the evening, and their reports covered a wide field of activities. Grand President Lindsey reviewed the aims of the Order and emphasized the need of growth. All enjoyed the social hour that brought a very interesting evening to a happy close.

Mothers Honored.

Santa Barbara — Recognizing the vital part which pioneer mothers played in the making of

the California commonwealth, as well as the part mothers of today are playing on the home-front of World War Two and on the fighting-fronts where sons and daughters are their proxies, Reina del Mar No. 126 had its annual Mothers Day observance May 16. The Parlor honored not only the living mothers of members, many of whom accompanied their daughters to the tea and reception, but the memory of mothers who have passed away.

The officers of the Parlor, under Mrs. William A. Birss, president, and the past presidents, under Miss Edna Sharpe, were on the receiving line. Dr. Anna E. McCaughey handled public relations and Mrs. A. Stanley Clem the secretarial duties. The committee in charge, under the general chairmanship of Mrs. Albert Ames, included Mms. Robert Phelan, program chairman, Mabel Erwin, Henry Griffiths, M. C. Harrison, Ray King, H. Sartwell and George Tackaberry, and Miss Frances McDermott.

Police Chief Honored.

Ventura—Some 250 members of Cabrillo No. 114 attended the April 27 dinner-meeting of the wonder-Parlor. City Attorney H. F. Orr was the master of ceremonies, and Charles Blackstock commended Police Chief T. W. "Billy" Neel, the honoree of the occasion, for his work. Captain Ernest F. Shaw introduced seven members of the Ventura Police Department, and the City Council was represented by Ernest J. Pate and Walter O. Clark. Special guests were William Hampton of the coast artillery and Chief Kissak of the naval shore patrol. Motion pictures were shown, and the Parlor's string orchestra entertained.

During the business session, at which Superior Judge Louis Drapeau, the president, presided, nineteen candidates were initiated, bringing Cabrillo's membership to 554. Assisting in the exemplification of the ritual were Grand Trustee Walter Odemar, Bernard Hiss, Earl Magee and Robert Ziegler of Los Angeles. The Parlor now has more than 125 members in the nation's armed services.

Hollister—Copa de Oro No. 105 adopted a resolution April 21 favoring the exclusion of Japs from coastal areas for the duration of the war and the placing of relocation centers under military rule. The social hour complimented April, May and June birthday members, and the honorees were presented thrift stamps. May 5 the Parlor had as a guest-speaker Mrs. Vivian Wright, who gave an informative talk on American Indians. Delicious refreshments were served by the planners of the evening.

San Diego — The annual luncheonette card party sponsored by San Diego No. 208 was a success; Anna Simmonds and Mary Olsen were the cochairmen. Fern Cummins entertained the officers club at a luncheon at her home May 4, and in the evening the past presidents club met there. Members surprised Deputy Helen Baker with a birthday luncheon May 11, and a huge birthday cake was enjoyed. The Parlor initiated several candidates during May.

Vallejo—More than one-third of the members of Vallejo No. 195 are engaged in some form of war work, and they are very proud of their achievements.

Placentia—Christine Dunham was hostess to the sewing club of Grace No. 242 at her new home May 11. She was assisted by Erna Watts, Marie Sorensen, Lena Wagner, Mary Lemke and Evelyn Strosheim, and a delicious luncheon was served. The Parlor has donated \$5 to the Mission Soledad restoration fund.

Sebastopol—Sebastopol No. 265 entertained in honor of Mothers Day May 7. A program was presented and refreshments were served. Irene Nahmens and Vivian Winton were the hostesses.

San Juan Bautista—Mayme Avilla was hostess to Past Presidents Association No. 13 at her home April 26. The group went on record as favoring the exclusion of Japs from coastal areas for the war duration and the placing of relocation centers under military rule. CITY AND COUNTY

THE JOINT AMERICANISM COMMITTEES of the Los Angeles County Parlor of The Native Daughters of the Golden West inaugurated a citizenship feature at historic Casa de Adobe, June 12, when they welcomed into community service women born in other lands who recently fulfilled naturalization requirements and received their final papers in the United States Court at Los Angeles.

Following the presentation of the colors by Betty Crebbs and Eleanor Heffner, Margaret Ann Kerr, district chairman Grand Parlor Americanism Committee, led in the pledge of allegiance. As the invocation, Past Grand President Hazel B. Hansen recited Washington's prayer. Past Grand President Grace S. Stoerner, the mistress of ceremonies, paid a fitting tribute to the flag and introduced the following speakers:

Gertrude Rounsaville of the Los Angeles City Board of Education, who told of the opportunities in the adult field; Florence Irish of the Hollywood Bowl, who invited the new citizens to enjoy the musical and other cultural opportunities available; Grand Vice-president Mary Noerenberg, who extended an official welcome on behalf of the Native Daughters; Lieutenant (j.g.) Frances Shoup of the WAVES, who appealed for much-needed help in recruiting women for shore duty to replace men for combat areas; Raine Bennett, who recited "The American's Creed," Orabelle Schmidt, accompanied by Jose Arias, led in the singing of "The Star Spangled Banner" by the assemblage. Assisting at the tea table were Isabel Fages, Estelle Flick, Emma Osborn and others.

Serving with Chairman Kerr on the arrangements committee were the following americanism chairmen of the Los Angeles County Parlor: Ella Steinbeck, Los Angeles No. 124; Mary Hotaling, Long Beach No. 154; Florence Schoneman, Rudecinda No. 230; Flora Alice Day, Verdugo No. 240; Ernestine Aylward, Californiana No. 247; Hazel Corbett, Compton

No. 258; Melissa Wright, East Los Angeles No. 266; Edith Metz, La Reina No. 267, and May S. Foell, Topange No. 269.

FLAGS PRESENTED.

The Los Angeles County Parlor of The Native Sons and The Native Daughters of the Golden West observed Flag Day, June 14, by presenting United States of America and California State (Bear) Flags to the Los Angeles County Board of Supervisors and Starr Post of the American Legion. As a part of the ceremonies, which were held at the Hall of Justice, the Joe Mesmer flagpole was dedicated also.

Participating in the program were Past Grand President Eldred L. Meyer, Supervising Deputy Ann Schiebusch, Commander Walter J. Sullivan of the Los Angeles County Council of the American Legion, Supervisor John Anson Ford, Grand Trustee Bernard G. Hiss, Sheriff Eugene W. Biscailuz and Commander Floyd Tumbleson of Starr Post.

ANNIVERSARY CELEBRATED.

Californiana Parlor No. 247 N.D.G.W. celebrated its fifteenth anniversary at a June 8 luncheon. Beautiful decorations and a cake bearing fifteen candles were supplied by Chairman Edith Harmon Adams. Among the several visitors were Florence Grass, Orabelle Schmidt, Florence Schoneman and Clara Hunt. A military touch was added by the attendance, in trim uniform and picturesque Sam Brown belt, of Pauline Dabney of the Communications Corps of the Civilian Defense; now in her second year of service, she was congratulated on her promotion to a captaincy in the corps. The luncheon speaker, R. Gordon Boyd of the Union Rescue Mission, presented by Ora M. Evans, gave a serious discourse on the "Need of the Hour." Vocal numbers were given by Mary Teitworth Boyd, president of the Euterpa Opera Reading Club, accompanied by Pearl Berry Boyd.

At the business session following, officers were elected, and Emma Joughin-Osborn was chosen president. Committee reports revealed the value of the work of the americanism defense group, Margaret Kerr chairman, which continues, under the direction of Ernestine Aylward, to serve at the Main Street USO Canteen the first Saturday of the month. The group acts as an information bureau, gives sewing and amanuensis service, and is really a morale sustainer. June 29, following Grand Parlor reports, the well-managed year of President Estelle Flick closed with the customary president's tea. Hospitality Chairman Isabella Granz was in charge.

Martha Decker, chairman and director of the Women's Civil Defense Corps operating at the City Hall, has collected a large box of "jungle jewelry" from Parlor members and others, which soon will be overseas to be used by soldiers and marines as an aid to friendly acquaintance with the natives. The Gertrude sewing circle of Californiana, whose achievements have added two adoptions this year in honor of President Flick, was entertained royally. June 7, at the home of Alma Commins. Luncheon was served in the beautiful garden, and the lovely affair has been written in the Parlor annals as a super-day.

TO HONOR OUTSIDER.

Ramona Parlor No. 109 N.S.G.W. will honor an "outsider," Undersheriff A. C. Jewell, at a dinner, July 9, to which all Native Sons are invited. Robert A. Ziegler is chairman of arrangements, and the dinner will be prepared and served by Ralph Walters, Ray Bowen and Lee Cornell. The price, \$1.00; the time, 5:45 p.m.; the place, 1832 South Hope Street. While not eligible to become a member, Captain Jewell has for years aided materially in building up the Order, and he is held in high regard by all Native Sons. July 16, the Parlor will have public memorial services to honor departed members; Glen Packer is arranging the program.

With Earle W. Magee as president, the officers of Ramona will be publicly installed July 23 by District Deputy Milton Eisenhart. Refreshments will be served after the ceremonies. July 30, the Parlor will honor Edwin A. Meserve, an outstanding member who, in the years gone by, gave liberally of his time and talents for the Order's advancement. He, please God, will reach the eightieth milestone on the pathway of life July 28.

ROY C. COTHREN
(COMPILED EXPRESSLY FOR
THE GRIZZLY BEAR MAGAZINE.)

A NEWS ITEM FROM FRESNO CITY, July 31, 1893, said: "The dull times seem to have come to a close. A large number of women and girls are now being employed by the packing houses handling green fruits. Some of the local banks have also come to the rescue of their former patrons, and have advanced money on grain sufficient to pay all expenses of harvesting. Considerable dried fruit is being marketed, all tending to make money matters easier."

A committee of local pioneers appeared July 24 before the San Bernardino County Board of Supervisors and protested, as being too English for them, the placing of a lion's head, cut in stone, in a conspicuous place in the new Court House. They suggested an American eagle or a California bear be substituted. The lion won, however, after a long and heated discussion.

Attorney-General William H. Hart announced July 3 he would at once begin suit against Oakland, Alameda County, and the Oakland Water Front Company to secure possession of that city's water front for the State of California. The property, including some twenty-three miles of water front, was estimated to be worth about \$20,000,000.

July 22, Governor Henry H. Markham appointed George C. Perkins, a former Governor, United States Senator for California, to succeed Leland Stanford, lately deceased. July 27, he named A. H. Rose of Colusa City Commissioner of Public Works for the improvement of the Sacramento River.

Silver miners of California had a large and enthusiastic gathering at San Francisco, July 18, and many speakers urged action to induce the Federal Congress to pass favorable silver legislation. Congressman Francis C. Newlands of Nevada State made the chief address.

A car of fruit left Anderson, Shasta County, for the World's Fair at Chicago, Illinois, July 7. The town expected to ship from 150 to 200 cars of fruit during the season.

The California Olive Growers Association, in session at San Francisco July 14, reelected Elwood Cooper, John Bidwell, F. A. Kimball, C. Goodrich and J. C. Gray directors.

Santa Ana, Orange County, reported July 29 Anaheim was assured a beet-sugar factory with a capacity of 350 tons of beets daily.

Work was commenced at Nuevo, Riverside County, July 30 on Barnett Hall and Library, a gift to the town by A. Barnett, a public-spirited citizen of the Santa Maria Valley.

During the fiscal year ended June 30, customs receipts at the Port of San Diego totaled \$93,000. The imports were valued at \$420,000, and the exports at \$100,000; 296 vessels arrived.

Delegates from surrounding communities met July 31 at Elk Grove, Sacramento County, to select a site for a union high school. County School Superintendent Howard presided, and offers of land were made. The ballot resulted as follows: Elk Grove, 29; Florin, 9; Franklin, 3; McConnell, 3. The name Elk Grove Union High School was adopted unanimously.

San Rafael, Marin County, had an election July 8 to determine if its high school should be abolished. One hundred and four ballots were cast, and ninety-six of them were for maintaining the school.

Stockton grain dealers wanted to buy the new San Joaquin County wheat crop, but the prices offered were so low it was being stored by the farmers.

For the purpose of handling their own products, the fruitgrowers of Loomis, Placer County, and vicinity met July 16 and organized the Loomis Fruitgrowers Association.

tric and Power Company filed articles of incorporation July 12. The capital stock was \$40,000, and the directors were H. V. Carter, A. Stedman, F. W. Carter, J. J. Davis and H. A. Winslow.

PREVENTION JUVENILE DELINQUENCY NATIVE SONS' AIM

Redwood City—Grand President Wayne R. Millington of The Native Sons of the Golden West has appointed a Committee on Juvenile Welfare, the purpose of which, as outlined by the cochairmen, Attorney General Robert W. Kenny of Los Angeles and Superior Court Judge Thomas M. Foley of San Francisco, is to provide methods by which juvenile delinquency may be prevented, and is not in any sense to participate in the problem after it has reached the courts.

The committee will prepare and send to all Subordinate Parlor of the Order a plan which they will be urged to further. Briefly, the thought is that by the dissemination of knowledge in the individual homes, particularly in those areas where mothers are employed in war plants, together with plans for supervision, recreation and child care during periods when parents are absent from the home, juveniles will be taken care of in their formative period and a great many of them will be kept from becoming delinquents. All members of the Order will be asked to become individual listening posts, for the purpose of mobilizing public opinion for these purposes.

In addition to Cochairmen Kenny and Foley, other members of the Order on the committee are: Publisher Joseph R. Knowland of the Oakland Tribune; Superior Court Judges Benjamin C. Jones of Lake County, Andrew Pierovich of Amador County and Louis C. Drapeau of Ventura County; Supreme Court Justice B. Rey Schauer of Los Angeles; State Real Estate Commissioner Hubert Scudder of Sebastopol; Sheriffs Daniel C. Murphy of San Francisco County and Eugene W. Biscailuz of Los Angeles County; Mayor Don Leidig of Hayward; Assistant District Attorney of San Francisco Harmon D. Skillin; Deputy City Attorney of San Francisco Sylvain Leipsic; Deputy District Attorney San Mateo County Louis de Matteis; District Attorneys John P. Fitzgerald of Santa Clara County and Edwin J. Regan of Trinity County; Assemblyman Albert M. King of Oroville; Albert V. Mayrhofer of San Diego; Arthur Drew of Fresno and John M. Burnett of San Jose.

The two sons of a Mr. McIntosh were drowned July 2 in the Crofton Reservoir above Redlands, San Bernardino County.

Ten-year-old Minnie Haanstra of Rough and Ready, Nevada County, attempted to start a fire in a stove with kerosene. Her clothing ignited and she was so badly burned she died July 5.

It was warm at Riverside City July 15. At noontime the thermometer registered 105 degrees.

BIRTHDAY RECALLS HISTORY

Mrs. Eliza J. Butler of San Francisco, born in Green Valley, Sonoma County, in 1854, celebrated her eighty-ninth birthday May 31. The Sonoma Index-Tribune of June 4 said: "her friends think she is the oldest native daughter of California now living."

"Mrs. Butler's parents, the late James and Eliza Gregson, crossed the plains by wagon train and settled at Sutter's Fort in 1845. Their eldest child, Ann Gregson, later Reid, was the first white child born at Sutter's Fort and the Indians came for miles around to see the white baby. The parents told of offers they had to swap the papoose. Gregson was with Marshall at the time gold was discovered."

"OUR NEED WAS NEVER GREATER."

"Almighty God, in this surging world with its load of pain and curse of wickedness, bow low to hear our humble prayer. We thank Thee for America and pray that she may ever be grateful for her bountiful blessings. While the wheels of tyranny are grinding away the hard-won liberties in many lands, we remain free with bread enough and to spare. Hearken, Lord, the hour is tremendous; our need was never greater. It calls for temperate speech, for true servants free from political bias, laboring for a democracy which is destined to be mightier than the one we now know."—Rev. James Shera Montgomery, D.D.

"It is in your act that you exist, not in your body. Your act is yourself, and there is no other you."—Antoine de St. Exupery.

"They that govern the most make the least noise."—Selden.

PROCEEDINGS FIFTY-SEVENTH N.D. GRAND PARLOR

CLARENCE M. HUNT

WAKE UP, AMERICANS!

The highlight of the Grand Parlor was an address by Dr. John R. Lechner, executive director of the Americanism Educational League. "Wake Up, Americans!" was his theme, and he released a salvo of startling inside information that aroused his hearers to the seriousness of the Jap situation on the homefront.

"The Japanese-American problem," said the speaker, "is a matter of national security and national defense," and because of subversive activities "the Japanese-Americans have forfeited their right to special consideration at this time."

Dr. Lechner named, and minced no words in denouncing, powerful religious and educational groups in the United States that are demanding the unconditional release of Japanese-Americans. Not only are they "sentimentalists who have stepped out of their rightful sphere, but," he said, they "are ignorant of the facts pertaining to the Nisei pro-Japanese activities before Pearl Harbor."

He told of the tie to Japanism resulting from the teaching of Japanese philosophy in Japanese language schools, taught by Shinto priests and others declared, in Japan, to be "agents of the Imperial Government." And he accused the Japanese-American Citizens League of being an "organization guilty of much double dealing."

"We cannot," cautioned the speaker, "play fair to our boys who are fighting the Japanese by inviting an opportunity for sabotage by the sons and cousins of those same Japanese who remain in the United States." At the conclusion of his address, Dr. Lechner was greeted with prolonged and approving applause.

The Joint Installation Ceremonies presented at the 1941 Grand Parlor were adopted.

Contributions by the Grand President of \$50 each to Missions San Jose and La Soledad were approved.

Ordered, that a continuous roll of members of the Order in the service of the country be kept in the office of the Grand Secretary.

THE FIFTY-SEVENTH GRAND PARLOR of The Native Daughters of the Golden West, with Grand President Claire Lindsey of Golden Gate Parlor No. 158 (San Francisco) presiding, was officially convened at Santa Cruz City, Monday, June 21, to comply with the Grand Parlor Constitution. A recess was immediately taken to Tuesday morning, when members of Golden Gate Parlor, in gowns of green and white, escorted the grand officers, attired in print dresses, to their several stations, and then began the business session, which continued through Wednesday and Thursday.

Following the recital of the pledge of allegiance to the Flag of the United States of America, led by Grand Marshal Emily E. Ryan, Grand President Lindsey extended greetings to those assembled. Members of Santa Cruz Parlor No. 26, in white gowns, with colorful bonnets and nosegays, escorted to seats of honor Past Grand Presidents Mae B. Wilkin and Grace S. Stoermer, who were celebrating, respectively, their fiftieth and twenty-fifth Grand Presidency anniversaries. Grand Parlor Chairman Leona Geyer welcomed the members of the Grand Parlor to Santa Cruz.

Grand President Lindsey gave an extended report of her activities, concluding with: "It was my aim, this year, to awaken our members to the real opportunities for service offered by The Native Daughters of the Golden West, and to assist them in getting a truer vision of what could be accomplished if every Parlor worked consistently toward our projects. . . . The courtesies and considerations shown me are indeed appreciated, and the many kindnesses extended are indelibly set down in my beautiful white book of memories."

Grand Secretary Sallie R. Thaler presented a detailed account of the numerous transactions of that important office. The worth of the Grand Parlor General Fund June 1 was \$36,264.40, which amount included \$12,639.37 in cash and \$6,000.00 in United States war bonds. During the Grand Parlor year 135 members of the Order passed away.

Grand Treasurer Agnes M. Curry reported the General Fund receipts totaled \$24,727.21 and the disbursements \$23,702.65, a gain of \$524.56 for the Grand Parlor year. Death benefits totaling \$10,470.00 were paid during the year from the Death Benefit Fund.

The reports of grand officers and committees dealt mostly with matters heretofore given detailed publicity in The Grizzly Bear. Follows a summary of the Santa Cruz Grand Parlor proceedings, with no reference, however, to proposals that failed of passage:

Art. VII, Sec. 3; Art. XII, Sec. 1 and Art. XIII, Sec. 1, Subordinate Parlors, amended by adding to each the following: "The Recording Secretary must notify members by registered letter, return receipt requested, addressee only." [The purpose of these amendments is to require that all notices pertaining to suspension, withdrawal or resignation must be sent by registered mail.]

BUSINESS TRANSACTED.

The selection of a meetingplace for the 1944 Grand Parlor was referred to the Board of Grand Officers.

The salary of Assistant Grand Secretary Irma S. Murray was increased \$25 per month.

Slight changes were made in the Rituals, and

No. 237, Desert Gold No. 250, Ontario No. 251 and Las Plumas No. 254.

FINANCES.

A budget of \$14,428.00, submitted by the Finance Committee, Past Grand President Sue J. Irwin chairman, was approved. Included in the amount is \$4,800.00 for salaries and \$1,400.00 for publicity.

The per capita tax was reduced to 80 cents, payable 40 cents in July 1943 and 40 cents in January 1944. The Home assessment was fixed at 50 cents, payable in October 1943.

Subordinate Parlors have put more than \$60,000.00 of their funds in United States war bonds, and they are requested to invest at least 20 percent of their 1943-44 income in additional bonds.

The Board of Grand Trustees was directed to purchase war bonds to the amount of \$3,000.00 for the Grand Parlor, thus increasing the General Fund investment in those securities to \$10,200.00. In addition, Home funds to the amount of \$5,000.00 have been invested in war bonds.

ACTION URGED

The following resolution was adopted, and copies were ordered sent California's Senators and Representatives in the Congress of the United States of America, and others:

"For years the Japanese have been engaged in a 'peaceful invasion' of the Pacific Coast areas of the United States, planned in and financed by Japan, and the continuation of the policy outlined by the Washington Government will encourage the Japanese to proceed with the 'peaceful invasion' for the glory of their worshiped emperor in war-time, and will aid them in no small degree in so doing.

"We are of the belief that the Japanese have long been, and are today being, supported and encouraged in their 'peaceful invasion' by powerful pressure groups, which organizations, it appears to us, have influenced the Washington Government, and particularly the War Department and the War Relocation Authority, to approve and put into effect a program, suggested, possibly, by these pressure groups, that caters to and appeases the Japanese, but is decidedly antagonistic to the best interests of the Pacific Coast area of the United States and not to the liking of a vast majority of the citizens of that area.

"We reiterate our contention, that the Constitution of the United States of America does not confer citizenship on a Japanese born in this country; that every Japanese, regardless of the place of his birth and his protestations otherwise, inherently is loyal only to Japan; that 'A Jap is a Jap,' and unworthy of confidence. We are sincerely concerned about the wellbeing of our homeland, and want it forever preserved as the Whiteman's earthly paradise. Therefore, be it

"Resolved, By The Grand Parlor of The Native Daughters of the Golden West, that the Congress of the United States of America be requested to thoroughly and impartially investigate the Japanese activities of these pressure groups, also the conduct of the War Relocation Authority, and to deny any further appropriation for the operation of Japanese concentration camps to the War Relocation Authority. Also

"Resolved, That the Congress be urged to enact legislation requiring all Japanese in the United States to be kept in concentration camps, with the sexes separated, under the exclusive supervision of the United States Army, and that adequate funds for the operation of said camps be by the Army be provided."

RESOLUTIONS ADOPTED.

Petitioning "the President of the United States of America to request the Supreme Court to review its flag decision of June 14, 1943."

Expressing "the hope that Lieutenant General John L. DeWitt will continue to exercise jurisdiction over the Western Defense Command and that the policies instituted by him will be maintained and continued."

Asserting "free competitive enterprise must be preserved, strengthened and developed as a cornerstone of American liberty."

Fervently thanking "God that the Stars and Stripes still floats over our homes and our friends," and expressing appreciation "To all who have in any way assisted in making this a pleasurable and profitable session."

COURAGE

MRS. MARY BRODBECK-NOERENBERG of Los Angeles City, affiliated with Californiana Parlor No. 247, became the Grand President of The Native Daughters of the Golden West at the Fifty-seventh Grand Parlor, which met at Santa Cruz City. Addressing an assemblage of representatives of the Subordinate Parlor from all sections of California following her induction into office, June 24, she said, in part:

"Members of the Fifty-seventh Grand Parlor and friends: Supported by the many promises of your contributions to the past progress, the present maintenance and the future advancement of our Order of The Native Daughters of the Golden West, I humbly express my appreciation of the honor of leadership you have placed upon me. As your Grand President, I call upon every Parlor and every member:

"To THINK, carefully and calculatingly, over the problems of home, of parlor, of community, of state, of nation. To PLAN those mutual solutions in detail which our Order, by the very virtue of its peculiarity of membership and by the preponderant weight of its distribution throughout the state, is eminently fitted to provide; certainly 15,000 Native Daughters cannot all be wrong in arriving at some determinations. To ACT, definitely, surely and determinedly. Because 'Faith, without works, is dead,' so I call upon each of you to think, to plan, and then to act.

Mary B. Noerenberg

Of Los Angeles City, Grand President
The Native Daughters of the Golden West

"During the period from January 1847 to September 9, 1850, the land known as California had no civil government. There was no existing law or governmental organization throughout the area. Consequently the Forty-niners came to a land filled with lawlessness, confusion and chaos. But, when our mothers came, chaos fled, and peace, order, democracy and progress succeeded. Today is a day in a year of war, of international war. Today the whole world is in chaos. The lawlessness of banditry is creating awful havoc. Why cannot, indeed, why should not, the women of today, as our mothers of forty-nine did, bring about displacement of this chaos?

"Surely today woman has a tremendous right and duty to replace chaos. Consequently our Order, along with its brother Order of The Native Sons of the Golden West, should take first place of all California organizations in bringing about solutions of the many problems facing the beneficial continuance and even the very existence of Californian and American institutions and ideals.

"Referring now to both Orders: Sometimes I feel that our Grand Parlor and individual Parlor become content at times to carry along for

mere self-perpetuation. Have we grown soft? Are we as able or as bold as our pioneer ancestors? Do we pat ourselves on the back too much for the deeds our pioneer parents performed? Sometimes I feel our Orders have barely scratched the surface of the big volume of things we should do. We are right now allowing other organizations to do and, by our inactions, even forcing the creation of other organizations to perform, duties for which our Orders should take the initiative. For an example, the Jap problem.

"These todays are very much like the days of forty-nine. We, too, are governed by military authority. We are facing chaos. Problems that will affect the next hundred years must be solved. Our pioneer mothers brought order out of chaos, even though they left behind them the security of the homes and the towns they knew. They were brave. They were courageous.

"Today we daughters, too, are leaving the securities we knew, even though we may not realize it yet. After this war, the world we think we now know will be a very different world. But, shall we be less brave, less courageous than our pioneer parents? What will our sons and daughters say about our attempts to bring order out of chaos?

"We Native Daughters of the Golden West must not be less brave. We must not fail. Of all the fifty-seven years through which our Order has passed, this year must be the most important and vital year to date in fulfilling the aims of our Order, in measuring up to its magnificent possibilities, and in advancing toward the glorious destinies of its womanhood.

"The theme I wish to emphasize during my year is COURAGE, the courage of pioneer fathers and mothers. Because of our heritage, we Native Sons and Native Daughters, above all others, should have this courage. Representing each letter in the word COURAGE there seems to appear another word that helps to explain to me a full concept of its meaning. During the year I hope to continue more detailed discussions of these seven words.

"C stands for CONTROL—control of self first, and through that self-control, control of the situation; and, with these controls bringing confidence in the outcome, concentration of effort will come through cooperation with others of like controls.

"O, of course, brings OPTIMISM—a buoyant expectancy of success based upon a conscious realization of adequate preparedness, of acquired and experienced skills and a belief and faith in the result to be obtained.

"U symbolizes UNITY—the knowledge that others like yourself—fifteen thousand of them—are part of this same organized Order, spread out into every community of the state, yet are of one purpose, are inspired by the same history, aspire toward the same ideals and are striving toward the same ends. This knowledge brings courage and explains the basic reasons for our existence as an organization.

"R must represent RIGHTEOUSNESS. An unwavering faith in the ultimate truism that 'Right makes Might' is the basic quality of all courage, and particularly of that kind of courage which leads to the most sublime heights of heroism.

"A means ABILITY. This Order must acquire many new members of the 'Minerva type of woman that we exalt.' It must sympathetically and cooperatively uncover, encourage, train and develop all of the abilities that gather together. Courage depends upon knowing that it knows; knowing that it is able to solve problems and to put these solutions to work. Ability must grow and be developed out of aggressive ambitions and assertive adaptabilities.

"G implies GALLANTRY—a game, gratuitous, generous, grand gift of self to the needs of the whole group,—a truly Californian manner of living.

"E ends the word with ENERGY. Our Order cannot rest upon past history, cannot now sit back and let others do the work. Our Order must arise voluntarily, each Parlor in its community, make surveys of the many problems that surround it, open-mindedly study and analyze the circumstances, powerfully yet confidently and ably arrive at solutions without preconceived prejudices, intolerant disputes or personal rancors, and then energetically put the solutions to work with strength and efficiency. By the fact that you are now a member of our fraternal Order, each of you possess that 'intent to do good.' Then do it now, and do it energetically. This takes courage, but yet gives courage. The last but not the least element of courage is energy.

SAN FRANCISCO — THE BOARD OF Grand Officers met June 12. In attendance were Grand President Wayne R. Millington, who presided, Junior Past Grand President Lloyd J. Cosgrove, Grand First Vice-president Raymond D. Williamson, Grand Second Vice-president Richard F. McCarthy, Grand Third Vice-president R. G. Power, Grand Secretary John T. Regan, and Grand Trustees Benjamin C. Jones, Walter N. Bailey, Thomas C. Ryan, Bernard G. Hiss, Walter H. Odemar, Webster K. Nolan and Charles D. Blaine.

The Grand Secretary read the following telegram, received from Washington, D. C., May 17: "The Supreme Court today denied the petition of John T. Regan of San Francisco for a review of his unsuccessful suit to deny American born Japanese the right to vote. Regan sued Cameron King, Registrar of Voters in San Francisco, contending that 'A group of Japanese were voting and will continue to vote unless their names are stricken from the list. Granting citizenship to Japanese, even though they are native born, conflicts with the purposes of the Constitution,' his petition said. The suit was dismissed by the Ninth Circuit Court of Appeals that held under the 14th Amendment the Japanese in question are citizens and therefore eligible to vote."

The Board reiterated its stand against the entry into this country of aliens ineligible to United States citizenship, and it was ordered "that a letter be addressed to the Vice-president of the United States, the Speaker of the House of Representatives, and to each United States Senator and Congressman from California, that no action on any question be taken pertaining to the immigration of ineligible aliens for the duration of the war."

Letters from R. J. Morrell of San Diego, urging that a book be written about the Japanese, was referred to Grand Historian Peter T. Conmy.

A motion prevailed, "that it is the consensus of opinion of the Board of Grand Officers that all resolutions on the Japanese immigration question should be cleared through the Japanese Legislative Committee before being forwarded to the party or parties to which addressed."

Grand Trustee Blaine was delegated to represent the Order at a Modesto session of a United States Senate fact finding committee on Japanese resettlement in California.

Letters from D. S. Myer of the War Relocation Authority and others concerning Japanese internment were considered, and a motion prevailed that the letter of Director Myer be answered "in strong terms." Grand President Millington appointed Grand Vice-president Williamson and Junior Past Grand President Cosgrove to assist in preparing the answer.

The Board was advised of the organization of the Pacific Coast Japanese Problem League, and by motion it was ordered "that someone be appointed by Grand President Millington to represent our Order in this League," and that \$25 be appropriated from the Japanese legislative fund "for this purpose." [Grand President Millington has selected Grand Trustee Odemar to represent the Order on the league.]

On motion, \$500 from the Japanese legislative fund was placed at the disposal of the Japanese Legislative Committee. A report of all expenditures is to be made to the Board at the next meeting.

Mother Colony Parlor No. 281, recently instituted at Anaheim, Orange County, was voted a supplies credit of \$150.

Grand President Millington reported a possibility of organizing parlors at San Luis Obispo, Gilroy and Santa Maria, and stated he is arranging for class initiations at Ventura October 21, Los Angeles October 22 and San Bernardino October 23.

The Board went on record as favoring amending Article XIV, Section 1 of the Constitution of the United States by adding two words, "of citizens," after the word "born," making the section, as amended, read: "All persons born of citizens or naturalized in the United States, and subject to the jurisdiction thereof, are citizens of the United States and of the State wherein they reside." And the Japanese Legislative Committee "was directed to urge our representatives in Congress to introduce the proper legislation to make this possible."

On motion, a letter was ordered addressed to Governor Earl Warren "commending him for signing the California Alien Land Law, certain fishing bills and the flag bill, as well as for reiterating his stand on the release of Japanese from concentration camps."

Much routine business was transacted also, and at 5:40 p.m. the Board adjourned to the call of the Grand President.

DEATH CALLS OLDTIMER.

Edward F. Cohn, continuously a member of Sacramento No. 3 for sixty-five years, died May 28 at Gardena, Los Angeles County. He was almost a charter member of the Parlor, it having been organized March 22, 1878, and he affiliated with it March 26, 1878. He was born at Sacramento City, November 15, 1858.

Sacramento, incidentally, is the second oldest Parlor of the Order and, with California No. 1 of San Francisco and Oakland No. 2, organized the Grand Parlor in San Francisco, November 30, 1878. As a delegate, deceased represented Sacramento at the Fourth (Oakland 1881) Grand Parlor, and in 1883 was Grand Secretary for a brief period. Quoting from the report of Grand President A. F. Jones of Argonaut No. 8 (Oroville) to the Seventh (Marysville 1884) Grand Parlor:

"On August 19, 1883, C. E. Parker, Grand Secretary, passed to me his resignation, which was accepted after due consideration. Brother Parker's business would not admit of neglect necessarily occasioned by his duties as G.S. Brother Ed. F. Cohn, of Sacramento Parlor, No. 3, accepted the position of Grand Secretary pro tem. until September 10, 1883, when the Grand Officers unanimously elected Bro. F. B. Houston, of Parlor No. 3, Grand Secretary, which honor Bro. Houston reluctantly accepted, and has filled up to the present time."

Ed. Cohn, "Ned" to many of his friends, was a gentleman of the old school, a good citizen and a faithful friend.—C.M.H.

Eighth Member of Family Affiliates.

Ventura — The May 26 dinner-meeting of Cabrillo No. 114, held at Santa Paula, honored Lucius Orton, Ventura County fire and game warden, a member of the Parlor since 1906. A chicken-pie dinner was served under the supervision of Ed Hearne, and Edward Henderson, former superior judge of Ventura County, was the master of ceremonies.

At the business session, six candidates were initiated, bringing the wonder-Parlor's membership to 560. Among the initiates was Raymond C. Borchard, the eighth member of that family to affiliate with Cabrillo. A memorial service for departed members was held, and Superior Judge Louis C. Drapeau, the president, delivered a eulogy. Hall V. Hammons Jr., former recording secretary of the Parlor, has been commissioned a lieutenant (j.g.) in the United States Navy.

Grand President Honored.

Redwood City—The dinner-reception sponsored June 5 by Redwood No. 66 in honor of Grand President Wayne R. Millington, one of its members, was a tremendous success. Eugene F. Cerqui was the master of ceremonies, President Ted M. Blomquist welcomed the more than 150 members of the Order in attendance, and addresses were delivered by Past Grand Fletcher A. Cutler and the Grand President.

During the evening H. E. Holmquist presented Redwood a beautiful Great Seal of the State of California carved out of a slab of redwood from the Parlor's lodge in Tunis Glen Canyon. The Parlor's hillbillie orchestra furnished music and entertainment for the occasion. Arrangements for the affair were in charge of C. M. Junker.

Among the others present to do honor to Grand President Millington were Grand Second Vice-president Richard F. McCarthy, Grand Secretary John T. Rezan, Grand Treasurer John A. Corotto, Grand Inside Sentinel Raymond J. McGrath, Grand Historian Peter T. Conmy, Grand Trustee Thomas C. Ryan; Past Grands Chas. A. Koenig, Harmon D. Skillin, Joseph J. McShane and Jesse H. Miller; Frank M. Buckley, M. R. Mattei, M. J. Bettencourt, and Redwood City Councilmen Floyd D. Granger, George W. McNulty and Carl A. Britschgi.

Officers and Wives Entertained.

Anaheim—At a well-attended meeting June 1, Mother Colony No. 281 added six additional names to its roster-roll. Supervising Deputy Woodrow Wade conducted the initiatory ceremonies. Other visitors were Deputies Willard Allen, Ralph Chaffee and Clarence M. Hunt. After the meeting President James Tuffree entertained with a showing of "Sutter's Gold," and refreshments were served. The Parlor has planned a program of feature events.

June 3, President Taffree and his wife entertained the officers of Mother Colony and their wives, and a few "outsiders." Specially honored was Mrs. Nellie Cline of Grace No. 242 N.D., who was most active in the organization of the Parlor. A fine dinner and a few talks of a reminiscent nature constituted a most pleasant evening.

Activity Revived.

Roseville Rocklin No. 233 had its third initiation for 1943, June 9, and added four new names to its roster. The fine meeting was well attended by local members and visitors from neighboring Parlors. The ritual was exemplified by the following: Tony Casci (Quartz No. 58), president; Frank Bennallack (Quartz No. 58), first vice-president; J. A. Orzalli (Sutter No. 261), second vice-president; Peter Crough (Silver Star No. 63), third vice-president; Len Mannee (Colusa No. 69), junior past president; Chester Lathrop (Sutter No. 261), senior past president; John R. Thomas (Quartz No. 58), marshal; Earl Covey (Quartz No. 58), inside sentinel; M. E. Reed (Rocklin No. 233), outside sentinel.

Grand Third Vice-president R. G. Power congratulated Rocklin on its revived activity, and District Deputy Edward Grey presented the Parlor a California State (Bear) Flag to fly over its new meetingplace. Seasonal refreshments were served after the meeting. The

SPEAKING CONTESTS SPONSORED BY NATIVE SONS APPRECIATED BY SCHOOLS

At the N.S.G.W. Grand Parlor in San Francisco, Miss Dorothy Gelatt of Los Gatos Union High School, representing Santa Clara County, was, as announced in The Grizzly Bear for June, declared the winner in the final of the 1942-43 statewide public speaking contests sponsored by The Native Sons of the Golden West.

These annual contests have proved very successful. They are appreciated by school authorities, arouse much interest among student contestants, and help to create generally an interest in California history. Chairman Reynold J. Bianchi of the Grand Parlor Public Speaking Committee received the following, under date of May 24, from George G. Bruntz, head of the history department and coach of public speaking at the Los Gatos Union High School:

"Now that the smoke of battle has rolled away and we have our feet on the ground again, we can view the oratorical contests sanely. Please believe me when I say that it was a great privilege and pleasure to have entered a contestant in your well-managed contests. The youngsters learned so much about our California history through these contests that I consider them of utmost value from the standpoint of education. You and your organization should be congratulated for sponsoring these oratorical events. We are looking forward to the contest for next year, although I am not promising you the success that we have had this year; but we shall do our best."

Parlor's new corps of officers is headed by William J. Fitzgerald, and L. M. Layton is the recording secretary.

Past Grand Honored at Reception.

Oakland—Past Grand Edward T. Schnarr of Fruitvale No. 252 was inducted into the United States Army, June 9, and in his honor Past Grand Joseph R. Knowland sponsored a reception at the Athens Club the previous day. In attendance were Grand President Wayne R. Millington, Junior Past Grand President Lloyd J. Cosgrove, Grand Second Vice-president Richard F. McCarthy, Grand Secretary John T. Regan, Grand Historian Peter T. Conmy, Grand Trustee Thomas C. Ryan; Past Grand William P. Caubu, Edward J. Lynch, Fletcher A. Cutler, James A. Wilson, Chas. A. Koenig, Harmon D. Skillin and Joseph J. McShane; Ralph Hoyt, District Attorney Alameda County; Wade Snook, Frank M. Buckley, Wm. Dombink and George Hans.

Those assembled presented Past Grand Schnarr a special kit for use in the service, the presentation address being made by Past Grand Caubu. Past Grand Knowland outlined the honor-guest's activity in the Order, and District Attorney Hoyt called attention to the fine service given in that office by Schnarr.

Instructive Outing.

San Bernardino—Members of Arrowhead Assembly No. 14 Past Presidents Association and their ladies had the privilege of inspecting the Kaiser Steel Company plant at Fontana, June 6, and the visit was most enjoyable and instructive. Laurence A. Burwell of the company's public relations department explained the workings of the 1,300-acre plant in which \$83,000,000 is invested. This is the only steel mill west of the Rockies. When in full operation 2,500 workers will be regularly employed, and 475,000 tons of steel will be turned out annually.

Following lunch at the plant cafeteria a business session of the Assembly was held. Governor General Armen Nishkian paid his official visit, and congratulated No. 14 on its activity and accomplishments. Officers, with Walter Gisler as governor, were elected, and a resolution opposing the proposed repeal of the Chinese Exclusion Laws by the Federal Congress was adopted. The next meeting of the Assembly will be held July 25 at the home of Eldred L. Meyer, 922 San Vicente Boulevard, Santa Monica, and at that time the newly-elected officers will be installed.

No applications, no new members to fill the ranks! Today's responsibility of every member of The Native Sons of the Golden West is to contact eligibles. Don't leave this important duty for "George" to perform!

Flag Day Ceremonies.

San Diego—For the twenty-first consecutive year San Diego No. 108 sponsored National Flag Day ceremonies, June 14, at historic Old Town, where the United States of America Flag

\$170.00 from the Subordinate Parlors during the year. The fund now totals \$801.56.

The Veterans Welfare Committee, Gertrude Keehner of Coloma Parlor No. 212 chairman, reported Christmas and Easter remembrances were sent several veterans facilities. The Subordinate Parlors contributed \$218.00.

At the conclusion of the report of the Americanism Committee, the chairman, Past Grand President Gladys E. Noce, dedicated the Grand Parlor's service flag, and declared "the women of our organization will do their part to bring about a speedy victory and a peace with honor."

The Civic Participation Committee's report, Dr. Anna E. McCaughey of Reina del Mar Parlor No. 126, chairman, urged all Subordinate Parlors to engage in civic activities, and thus gain public recognition. The great need is for an aroused civic consciousness.

The Drill Teams and Drum Corps Committee, Irma S. Murray of Aloha Parlor No. 106 chairman, presented a detailed account of its activities, and the Grand Parlor voted the committee full power to act on the recommendations in the report.

The Welfare Committee, Louise Symonds of Antioch Parlor No. 223 chairman, reported practically all Subordinate Parlors contributed during the year, and entertained servicemen at USO headquarters or at private homes. The committee suggested Parlors engage in specified, rather than general, welfare work.

The report of the State of the Order Committee, Past Grand President Orinda Giannini chairman, stated that of the 181 Subordinate Parlors composing the Order 114 have seventy-five or less members. Nineteen Parlors initiated ten or more candidates during the year. The building up of the membership and the institution of new parlors were urged.

Reporting for the University Scholarships Committee, Past Grand President Sue J. Irwin said: "During the past year there has been a very marked decrease in attendance at our institutions of higher learning. One reason is, that women are needed to supply manpower, and are working so that they can make money to attend college later on. There are great opportunities in California today, and the thing that develops us is taking advantage of the opportunities offered."

Miss Mary E. Bruise of Argonaut Parlor No. 166, secretary N.S.G.W. and N.D.G.W. Central Committee on Homeless Children, gave an interesting account of that worthwhile project. She referred to the hundreds of letters of gratitude received from foster-parents, explained some of the numerous details incident to the selection of foster-parents, and referred to the present-day problems concerning children. She concluded her fine report by reading James Hilton's "A Prayer," and Song Leader Elmarie Dyke sang "Let the Little Ones Come Unto Me."

"Our lives are a continual process of imparting and acquiring knowledge," said the report of the Education Committee, Past Grand President Clarice E. Cook chairman. "Education is a part of our daily lives. It is there for

Every Native Daughter should make this important problem [youth and childhood in wartime] a burden of her soul, for unless the problem of juvenile delinquency is solved and some successful solution found in our 'rehabilitation of youth program' America need not put forth the effort to win victory, for she will be doomed before peace comes."

The Legislative Committee, Past Grand President Grace S. Stoermer chairman, presented a lengthy, informative report dealing with legislation affecting the people of California. "During the coming year," quoting from the report, "we may look for much of interest to transpire. Time will be at a premium for all we will want to do. There will be many measures in which we will be, or in which we should be, interested. But interest will not be sufficient. Material support will be necessary. We earnestly urge every individual member to feel a personal responsibility."

NOTES OF THE SESSION.

Elmarie Dyke of Junipero Parlor No. 141 was the song leader.

Grand Organist Mae Ethel O'Keefe becoming ill, Ruby Lovett of La Bandera Parlor No. 110 was appointed to substitute for her.

Mrs. Sidney Wales was the guest-speaker Wednesday afternoon, and her subject was "Today and Tomorrow; Problems, Inspirations and Hope." She commented on the need of the United States setting a course for the future and "establishing a foreign policy for peace that will last through any political policy."

Mrs. Carrie T. Baade was the guest-speaker Thursday morning. She told about "War Training Courses at the University of California" which, she said, "are offered because the need

Thirty-five attractive scrapbooks were exhibited, and the following were judged the best: group No. 1, Reichling Parlor No. 97; group No. 2, Las Juntas Parlor No. 221; group No. 3, Wawona Parlor No. 271. Elizabeth Read of Ursula Parlor No. 1 eulogized Permanent Member Flora Harter Seymour, a charter member of the "Mother" Parlor. Pauline Marie Pappas of Vallejo Parlor No. 195 sang "Smilin' Through."

RITUAL EXEMPLIFICATION.

Past presidents of Santa Cruz Parlor No. 26, gowned in white and carrying yellow candles in sprays of gladioli, exemplified the ritual June 21. Fifteen candidates were initiated, fourteen for Junipero Parlor No. 141 (Monterey) and one for the hostess-Parlor.

The occasion honored Past Grand Presidents Mae B. Wilkin and Grace S. Stoermer, respectively the fiftieth and the twenty-fifth Grand Presidents, and they were seated alongside Grand President Claire Lindsey. As a finale, Miss Wilkin was presented a fifty-year membership pin and Miss Stoermer a silver vase, while Leona Geyer sang numbers dedicated to them. All grand officers, when introduced, were presented miniature redwood vases wrapped in gold paper.

PAST GRANDS' REUNION.

The Past Grand Presidents Association had its 1943 reunion dinner June 22, with Sue J. Irwin acting as hostess. Bowls of gladioli decorated the table, the placecards were handpainted California poppies, and the favors, a gift of Mae B. Wilkin, were California redwood bud vases. Estelle Evans entertained with two vocal solos, and numbers were rendered by Mary Elizabeth Schultz and Ed. Richards, accompanied at the piano by Pearl Reid.

To commemorate the fiftieth anniversary of her Grand Presidency, Mae B. Wilkin was presented a necklace with an emblematic pendant in gold, and Grace S. Stoermer received a similar gift in silver, to commemorate her twenty-fifth anniversary. Clarice Cook, the infant of the "College of Past Grands," was given a baby spoon.

Miss Wilkin, Miss Stoermer, Dr. Mariana Bertola and Ariana Stirling related incidents of their administrations, and there was an interesting and informative discussion of the resolutions submitted to the Grand Parlor. The Association went on record as favoring the policy of General DeWitt and against the return of Japs to the Pacific Coast. Emma Lou Humphrey and Bertha A. Briggs were re-elected president and secretary-treasurer, respectively. Answering to the rollcall were:

AN OUTSTANDING EVENT ON THE social calendar of Pacific Parlor No. 10 N.S.G.W. was the past presidents night of May 25. A dinner preceding the meeting was attended by many members of the Order, including forty-two past presidents of the Parlor. William Metzner and Samuel Dixon, presidents of Pacific in 1882 and 1890, respectively, presided at the business session, which was highlighted by the attendance of Grand President Wayne R. Millington of Redwood Parlor No. 66 who, in 1928, was the president of Pacific. Past Grand President Edward J. Lynch, president in 1904 and the only surviving Grand President of the eight which the Parlor gave to the Order, was there also. During the evening Grand Trustee Webster K. Nolan and a group from Stanford Parlor No. 76 called to pay their respects, and past Grand President Harmon D. Skillin headed a delegation from Castro Parlor No. 232. Bert Paolinelli and Hugh Ryan were in charge of the very successful affair.

June 18, Pacific had a testimonial dinner honoring Grand Trustee Thomas C. Ryan, a member of the Parlor. Wives and friends of the members were invited. The Grizzly Bear Club was the setting for an interesting ladies night recently sponsored by the Parlor. Members of Portola Parlor No. 172 N.D.G.W. were among those invited. William Doldge and Hugh Ryan were responsible for an interesting program and fine refreshments.

KITCHEN BAND ENTERTAINED.

Orinda Parlor No. 56 N.D.G.W. presented Past Grand President Orinda Giannini a huge birthday cake at the monthly birthday party May 28. The kitchen band entertained the guests with a very clever musical program, and delicious refreshments were served.

June 11, the Parlor celebrated the birthday of Past Grand President Emma Foley. She was seated beneath a trellis of flowers, and a number of the members, in dainty cotton formals, gave a special program in her honor. The singing and the dancing were under the leadership of Alma Klahn, and Hilda Vinal was the general chairman of the evening. A considerable sum was realized by Orinda from a recent rummage sale.

FLAGS PRESENTED.

In line with its policy of providing courtroom flags to its members holding judicial offices, Stanford Parlor No. 76 N.S.G.W. presented United States of America and California State (Bear) Flags to Municipal Judge Leo A. Cunningham at impressive ceremonies in the City Hall Flag Day, June 14.

Northwest, but of course there's no place like home. I do miss all my friends so much. . . . I read The Grizzly Bear from cover to cover, and being 1,375 miles away, I read and think at the same time."—MRS. ROWENA WHEELER, Seattle, Washington.

HISTORY OF SITE OF CAMP'S LARGEST MARINE CAMP TRACED.

San Diego—The San Diego Historical Society, on the board of directors of which are Albert V. Mayrhofer and Dr. Abraham P. Nasatir of The Native Sons of the Golden West, had a luncheon June 8 at which was traced the history of the Santa Margarita Rancho, now the site of Camp Pendleton, the largest marine camp in the United States.

Major General Fegan, the commandant, is extremely interested in California history, and he told of the restoration of the old rancho house and of the painstaking work in preserving the outstanding landmarks on the property.

Restoration of the historic Campo stage depot and store near Camp Lockett has begun. The work is being done by the Native Sons, the County of San Diego and the United States Army.

Oil From Grape Seeds—A process to extract oil from wine-grape seeds has been developed by Dr. W. V. Cruess of the University of California at Berkeley.

For the first time in history, California farmers received cash income of more than a billion dollars last year; \$1,147,895,000, to be exact.

Waldo F. Postel made the presentation address. The committee in charge included Charles A. Roberts, chairman, Edmond D. Goblentz, Charles T. O'Kane, Raymond J. Arata, George F. Carson, Harold A. Meyer, Walter McGovern, Grand Trustee Webster K. Nolan, Municipal Judge George B. Harris and Arthur T. Pohelm.

N.S.G.W.—NEWS PARAGRAPHS.—N.D.G.W.

The baby shower held by Buena Vista Parlor No. 68 N.D.G.W. June 5 was a grand success, and the many useful articles donated by the members were presented the Central Homeless Children Committee at the Grand Parlor. The showing of baby pictures of the Parlor members caused much laughter. Light refreshments were served at prettily decorated tables. Anita Steffens was chairman of the affair.

Mark E. Noon of Rincon Parlor No. 72 N.S.G.W., clerk of the State Prison Board for thirty years, died June 16 at San Quentin, Marin County, survived by two children. He was a native of San Francisco, aged 62.

Nancy Welford and Goy Jacobs entertained the June birthday girls of Dolores Parlor No. 169 N.D.G.W. June 9. Members of the drill team "hiked" to Muir Woods June 13. A dinner for the benefit of the Parlor was held at Ida Corrigan's home June 15, and Captain Betty Michie was hostess to the drill team at her home. June 23, Dolores had a farewell party for Mardelle May, outgoing president; she will be succeeded by Mary Eileen Hyland.

George F. Barry Sr., for many years an active member of Presidio Parlor No. 194 N.S.G.W. and frequently a delegate to the Grand Parlor, died May 27, survived by his wife, Mrs. Maude Barry (Presidio ND) and a son, George F. Barry Jr. (Presidio NS). He was born at San Francisco, July 7, 1876.

In Memoriam

LEWIS F. BYINGTON.

The Officers and Members of Niantic Parlor No. 105, Native Sons of the Golden West, in testimony to the memory of our deceased Brother and Past Grand President of our Order, Lewis F. Byington respectfully adopt the following:

Whereas, Our Heavenly Father in His infinite wisdom and love has called our beloved brother and leader from our midst to the Great Grand Parlor on High we wish at this time to perpetuate his memory as an outstanding example of the precepts of Friendship, Loyalty and Charity of our Order.

Highly esteemed for his ability and nobility of character, Past Grand President Lewis F. Byington emulated in his everyday life the three great principles of our Order. His active and continuous membership in Niantic Parlor for fifty-four years speaks of his great loyalty; his lengthy and outstanding service as a public servant, and his kindness and magnanimity in his dealings with friend or brother, testify to his friendship and charity. His great love for his State, his sworn devotion to his Country and the Flag of our Nation was an inspiration to all who knew him.

Whereas, The loss of Brother Byington will be keenly felt by our Order, and his many friends will be deprived of his cheerfulness, cooperation and valuable advice, therefore, be it

Resolved, That our sincerest sympathy be extended to his bereaved sister, Mrs. Emma Brockmann, and his brother, Frank Byington; that a copy of this resolution be inserted in our minutes; that a copy be sent to his sister and brother, and a copy be sent to The Grizzly Bear Magazine for publication.

A PERFECT EVENING.

Long Beach—A potluck supper was in order at the June meeting of Long Beach Parlor No. 174 N.D.G.W. The evening was planned in honor of Supervising Deputy Ann Schiebusch, and a handkerchief shower was given her. Candidates were initiated at a candlelight ceremony, and the hall was resplendent with flowers. Eleanor Starr was the recipient of a miscellaneous shower June 17.

The melodrama, "She Was Only a Farmer's Daughter," presented June 10, was well received. More than a hundred servicemen were guests of the Parlor. Dancing followed the play and refreshments were served. Everyone declared the evening a perfect one. The thimble club of Long Beach met during June at the homes of President Grace Poole and Olive Smith. Preparations for a rummage sale are being made.

UNIVERSITY PARLOR NEWS.

NATIVES OPPOSE CHINESE EXCLUSION LAW REPEAL

In the "Newsgraphs" of The Grizzly Bear for May 1943 appeared this: "Pending before the House Immigration and Naturalization Committee of the United States Congress are four most dangerous bills: H.R. 1882, 'To grant to the Chinese rights of entry to the United States and rights of citizenship.' H.R. 2309, 'To amend the Immigration Act of 1924, as amended, to provide that aliens who are subjects of China shall be admitted into the United States under such Act.' H.R. 2428 and H.R. 2429, both 'To repeal the Chinese exclusion laws.' . . . These bills should be defeated! . . . This country has one race-problem, far, far from settlement. Will it be benefited in any way by creating another? Familiarity among nations, as well as individuals, does breed contempt! Petition your representative in Washington to vote against these bills."

The resolution that follows was adopted during June by Los Angeles Parlor No. 124 N.D.G.W., Los Angeles; Ramona Parlor No. 109 N.S.G.W., Los Angeles; Arrowhead Assembly No. 14 Past Presidents Association N.S.G.W., San Bernardino, and Santa Ana Parlor No. 265 N.S.G.W., Santa Ana:

"Whereas, The United States of America did, for good and sufficient reason, some years ago enact laws excluding Chinese from the United States mainland and territory under its jurisdiction; and

"Whereas, There are now pending before the House of Representatives of the Congress of the United States of America bills (H.R. 2428, H.R. 2429, H.R. 1882 and H.R. 2309) calling for the repeal of the Chinese exclusion laws and the abrogation of the treaty with China on which those laws are based; and

"Whereas, The Chinese exclusion laws were enacted to give needed support and protection to American labor; to repeal or to modify them would be ruinous to our domestic economy, would bring back the same situation which necessitated their enactment, would renew the flow of hordes of yellow people unfitted for American citizenship, and would burden this country with another serious and dangerous race problem. Now, therefore, be it

"Resolved, That . . . is unalterably opposed to the repeal of the Chinese exclusion laws, or any change whatsoever in any existing laws regulating the coming into, or the residence within, the United States or its territories of all persons of Chinese descent, and urges the defeat of H.R. 2428, H.R. 2429, H.R. 1882 and H.R. 2309; and further

"Resolved, That copies of this resolution be sent the Chairman of the Immigration and Naturalization Committee of the House of Representatives, California's Senators and Representatives in the Congress, and others."

Oliver Kent being selected for president, and there were talks by Grand Trustee Hiss, President James Tuffree of Mother Colony Parlor No. 281 (Anaheim), Grand Trustee Walter Odemar, Supervising Deputy Wade, Moritz Rosenthal and others. Also present were Deputies Robert Ziegler, Robert Pesqueria, Willard Allen, John Johnston and Leonard Schwacofer. Arrangements for the occasion were made by a committee that included Frank Marino, Woodrow Wade, President Harold Faubion, Harold Shoemaker, Walter Wells, Oliver Kent and Albert Myers.

CLARENCE M. HUNT

An amendment to the Constitution of the United States proposed by the Board of Grand Officers of The Native Sons of the Golden West, and referred to otherwheres in this issue of The Grizzly Bear, cannot possibly prevent California from becoming thoroughly japonized. For, under the present Washington setup, it has just about the same chance of getting anywhere as a snowball has of surviving in the heat of hell. And, even if it be given consideration, it would not apply to the thousands of Japs born here prior to its adoption.

There is just one way to save California for the White race, and that is to disfranchise every Jap! And the writer still is of the opinion that that can be done. And unless it is done, California will, within the next half-century, be taken over completely by the Japs.

We have had an abundance of investigating, talking and resolving; and the Japs have gotten what they want, while we have gotten nowhere. What's needed NOW is ACTION, unless we are ready and willing to surrender to the Japs on the homefront. The most competent legal talent must be engaged, and an unceasing battle for California must be waged in the courts—a battle that will result, pray God, in the disfranchisement of every Jap!

Flag Day, June 14, the United States Supreme Court, reversing a previous decision, decreed schoolchildren cannot be compelled to salute the United States of America Flag. Said the Court's six-three opinion:

"If there is any fixed star in our constitutional constellation, it is that no official, high or petty, can prescribe what shall be orthodox in politics, nationalism, religion, or other matters of opinion; or force citizens to confess by word or act their faith therein. If there are any circumstances which permit an exception, they do not now occur to us."

Following an investigation of the Tullake relocation center, State Senator Hugh M. Burns said a "concerted effort is being made to swing public opinion to favor the release of United States-born Japs from all the centers." And the drive, he declared, is spearheaded by the Committee on American Principles and Fair Play, Robert Gordon Sprout, Chester H. Rowell, Gold N. Fisher and Mrs. Alfred McLaughlin are on the executive committee of that outfit.

The flareup in Los Angeles City and environs involving "zootsuits" and "cholitaz" on the one side, and servicemen on the other, was but a preview—an advance warning, as it were,—of what to expect when the boys return from the warfront unless, in the meantime, the citizens on the homefront force a cleanup of the rottenness prevalent in and out of government throughout this republic.

Addressing the American Farm Bureau Federation, Herbert C. Hoover, former President of the United States, declared drastic changes in national policy are needed to meet a decline in food supply in the face of a demand that "is dangerously rising." And he advocated a nine-point war food program which, he contended, is the "only one course which will clear up this muddle of uncontrolled food prices, local famines, profiteering, black markets and stifled farm production."

The California Conference of the Methodist Church, in session at Stockton, passed a resolution calling for release of so-called Japanese-American citizens from relocation camps. Suffice to say, the Methodist Church is a constituent body of the Federal Council of Churches of Christ in America, referred to in the House of Representatives of the United States Congress as "a large radical, pacifist organization . . . always extremely active in any matter against national defense."

Senator Jack B. Tenney, chairman of the joint Senate-Assembly committee of the State Legislature investigating unamerican activities, publicly declared the announcement that the communist of the Russian Communist Party has been dissolved is a "phony," and the picture "Mission to Moscow" is just Communist propaganda, as was the book it was based upon.

Speaking in the House of the Federal Congress, Representative Albert J. Engel of Michigan said "no one can doubt but that the [national] debt will reach or exceed \$300,000,000,000." On a per capita basis, California's share of that debt will be \$15,785,027,586, which is 205 percent of the state's assessed valuation.

S.B. 339, designed to save from destruction a group of magnificent trees in Tulare County, was pigeonholed by the Senate Finance Committee of the California State Legislature. But, practically every bill increasing salaries of already well-paid officeholders was favorably reported, passed by the Legislature and signed by the Governor. The officeholders maintained a lobby; the general public, who would have benefited had S.B. 339 become a law, had none. So, thanks to the Legislature, those trees are to be turned into lumber.

The southland movie colony—California's moral stinkpot—furnished more racy news last month. The Federal Government should deport all undesirable aliens, and thus assist in solving the moral delinquency problem that sorely afflicts this state.

Referring to "these Washington czars and bureaucrats," United States Senator W. Lee O'Daniel of Texas wrote one of his constituents: "The only way to save our nation, if it can be saved at this late hour, is for the people to put men in office who believe in our Constitution and our American system of private enterprise and who will not only make speeches favoring it, but will vote the way they talk."

A subcommittee of the Dies Unamerican Activities Committee of the House of Representatives held hearings in Los Angeles last month with Representative John M.

Costello presiding. The testimony there given certainly substantiated this statement, which appeared in May 1943 Newsgraphs: "The 'peaceful invasion' of the Pacific Coast of the United States, designed and financed by Japan, was halted when the Japs treacherously attacked Pearl Harbor. But again the emperor's forces in this country, some 200,000 of them, are on the move and, strange as it may seem, they are being aided and encouraged by the Washington Administration."

One witness, responding to a question as to how the Japs regard such a "weak-kneed manner of dealing with them," replied: "The Japanese have nothing but utter contempt for such manifestations of Caucasian christian virtue." And, rightfully, they have nothing but utter contempt for those in and out of government who are aiding them in their "peaceful invasion."

Another witness, termed a pacifist, said that, "to learn the truth," he had talked to people up and down the coast and had found but very few who were against the Japs. His talking must have been exclusively with dyed-in-the-wool brotherhoodofmankindists, for practically all California communities wherein the Japs colonized in large numbers prior to Pearl Harbor have passed resolutions opposing the Japs' return "now or ever."

Director Dillon S. Myer of the War Relocation Authority suggested to Chairman Costello that, before being published in the newspapers, statements connected with the hearing should first be "worked over" by his cohorts, to avoid "garbling." Of course, Chairman Costello declined to do that. Possibly the W.R.A. boss had in mind sending some of the Japs in his department to do the working over, so that the truth might be suppressed. For, do not forget the W.R.A. has repeatedly contended all Japs are investigated by the F.B.I. prior to being released from relocation centers. Chief J. Edgar Hoover of the F.B.I. however, denies any such investigation has ever been made, and so National Commander Roane Waring of the American Legion declares the W.R.A. is dishonest and "guilty of a fraud against America."

COURAGE

(Continued from Page 5)

"Today let each of us ask herself these searching questions: Are we as brave and courageous as our pioneer predecessors? Has our Order today really grown in Courage, in all the elements that make up Courage,—in Control, Optimism, Unity, Righteousness, Ability, Gallantry and Energy? Is our Order really all it should be? Is it really all it could be?"

"Today is a day in a year of war, of international war; a day in chaos, a day of desperate hazard to all of the traditions, institutions and ideals that we women, as citizens of the United States and as members of The Native Daughters of the Golden West, guardians of our wonderful State of California, hold most dear.

"We have a mission to maintain. We hold a lighted torch of freedom, order, peace and hope thrust into our hands by our pioneer fathers and mothers which we must hand on undiminished to our children. I call upon you—ENCOURAGE OUR COURAGE.

"To my daughter, who will become the substitute mother in our home during my many absences through the year, I give my love and thanks. In memory of my noble father and in memory of my dear mother, and with experience gained as a young bride who passed many days of the first world war near various army camps, and as the mother of a son born on Admission Day almost nineteen years ago who will be in the service of the armed forces of the United States within a few days, I dedicate this year of service to my son."

FREEDOM OF THE PRESS

Following are informative and humorous excerpts from an address, titled "The Freedom of the Press, at the Point of a Bayonet and the Muzzle of a Gun," delivered by Representative John Jennings Jr. of Tennessee in the House of Representatives of the United States Congress, June 3:

"When he was old and full of wisdom, John the Disciple, beloved of the Master, wrote: 'And this is the condemnation, that light is come into the world, and men loved darkness rather than light, because their deeds were evil.'"

"What is going on in the International Food Conference, attended by representatives from this Nation and forty-four other nations of the world, down at Hot Springs, Va.? Just what kind of broth are they brewing and what are they cooking up for the American people? What mischief are they up to that the American people must be kept in darkness? Do they prefer 'darkness rather than the light, because their deeds are evil'? Does the secrecy that shrouds the meeting of these representatives of our foreign friends and the muzzled, handpicked representatives of our people threaten the liquidation of the freedom and power of the press and the ushering in of the supremacy of the sword, the rifle, and the bayonet?"

"Somebody has gone Napoleon one better—at the point of bayonets in the hands of soldiers marshaled, as we all thought, to establish the freedom of the press and freedom of speech throughout the whole world, the representatives of the newspapers of this country are looking down a gun barrel and facing the point of a bayonet while they twiddle their thumbs, cool their heels, and stew in their own juice. . . .

"The International Food Conference, by processes known only to themselves, as they meet among the luxurious surroundings at Hot Springs, Va., under the protection of the guns and bayonets of 190 of our trained American soldiers, are engaged, according to press releases, in preparing a bill of fare containing a more nutritious and abundant food supply for the whole world. . . .

"Those sponsoring this secret food meet under the protection of our guns are in a large measure responsible for the lack of food which is now about to put this country on half ration and which brings us face to face with the most dangerous condition with respect to food in all our history. . . . The maladministration of our agricultural policy is a foreful reminder that—Willful waste makes woful want."

"It may be that the 2,400 pints of highpriced whisky and the fine wines that our State Department purchased with the funds of the American people and furnished to the delegates of the International Food Conference in session at Hot Springs, Va., has wrought a wonderful change on the spirit of their dreams. These 'wet goods' may have put them in a frame of mind that they are able to achieve the harmonious coexistence of incompatible elements; able to 'weld the pewter handle to the wooden spoon'; able to graft 'the dead bough to the living tree' and make it 'bloom, and burgeon, and bend with golden fruit.' These gentlemen from the four corners of the earth may be capable of making 'playmates of the lamb and leopard, and boon companions of the spider and the fly.' Yet, it may have come to pass that they are able to make 'soda and vinegar to dwell placidly in the same bottle' and to 'each toil and water how they might agree.' And for all we know, those who have shrouded this meeting in secrecy away from the pestiferous interference of the representatives of the press and are giving to the American people its doings in broken doses have 'buiided wiser than they know'."

1855; died Palo Alto, Santa Clara County, June 10; two children survive.

NEVER-DYING REDWOOD

This natural phenomena, wherein fourteen trees are growing vertically from one horizontal redwood trunk, is found in Del Norte County in the Redwood Empire of California. The stately coastal redwoods are known as the Sequoia Sempervirens (ever-living), and ninety-seven percent of the world's supply stand in the Redwood Empire—San Francisco, Marin, Napa, Lake, Sonoma, Humboldt, Mendocino and Del Norte Counties, California, and Josephine County, Oregon. There are 1,500,000 acres of redwoods in this area, including the tallest tree in the world, a redwood which towers to a height of 364 feet.—Photo, courtesy Redwood Empire Association.

FROM FRESNO CITY, AUGUST 18, 1893, came this news, which was indicative of prevailing conditions: "All is quiet in labor circles. Many men went out to the vineyards today. There is a strong effort being made by some vineyardists to squeeze the men to seventy-five cents a day, but they usually succeed in getting one dollar. About 100 are still working on the streets for their board."

Men and women by the hundreds flocked to the hopfields in the Wheatland, Yuba County, district looking for work, but August 7 it was announced many would be unable to secure employment.

An anti-Chinese mass meeting of the people of Kern County was held August 15 at Bakersfield. Idle Whitemen did not relish seeing work preference being given Mongolians.

Seventy-five men were laid off at the great Stanford vineyard at Vina, Tehama County, August 23, and it was reported the force would be reduced still further.

The Pacific Improvement Company, an auxiliary of the Southern Pacific, discharged 1,000 men working on the new railroad in San Luis Obispo County, between Santa Margarita and San Luis Obispo City.

A mob of Whitemen went into the Chinatown of Tulare City August 15, broke into the houses, marched some thirty Chinese to the railroad depot, and put them aboard a train bound north.

It was unusually hot at Palm Springs, Riverside County, August 5, the thermometer reaching 113 indoors. The night was sultry, and there was much thunder and lightning. At 2:30 a.m. of the next day a heavy downpour of rain, accompanied by a windstorm, began.

Eastbound apricot shipments from San Jose, Santa Clara County, totaled 1,493,490 pounds the week of August 21. Shipments to California points totaled 878,580 pounds.

The Olive Orchard Company let a contract at Sacramento City August 25 for 11,000 olive trees to be set out on 100 acres of the company's property. Next season, it was said, another large tract will be planted.

"A WORK BLESSED BY GOD"

This letter, addressed to The Native Sons and The Native Daughters of the Golden West, was received by the Central Committee from a foster-mother, under date of April 19, 1943:

"I have thought many times I would like to write this letter, but I do not know, personally, anyone who might be interested. However, it is possible the organization itself might care to have on record one more reassurance that the work it does in placing babies in childless homes is a work blessed by God.

"It is over twenty years since we got our little girl. At that time, Miss Brusie was at the head of the agency in San Francisco, with Miss Swortzel; and Mrs. Adair in Los Angeles making the arrangements with Mrs. Campbell at the Catholic Maternity Home. Those names will never be forgotten, though it is many, many years since I have seen or heard of those good, kind, helpful friends.

"When we had our baby, Nancy Lee, left with us, we were completely happy. She was then our pride and joy, and she has never ceased to be just that. I can truthfully say she has never given us cause for one moment's worry or unhappiness, nor even a disappointment. She was a good little girl and she has grown into a lovely young woman with a fine, strong character in a lovely, fine, strong, healthy body. She is naturally studious and has grasped every opportunity to improve her mind. She will be graduated from college, an honor student, this June, at the age of twenty, and has already signed a contract to teach school next fall. She is patriotic enough to feel an urge to join an organization to help win the war, but has decided she can serve best by doing the work for which she is trained,—since there is an urgent need for teachers. So she picks lemons and helps the A.W.V.S. in all her spare time.

"We are proud of her scholastic standing, but most of all we are proud of what she is—amiable, tolerant, kind; loyal to family and to friends, and always very affectionate and loving to her mother and daddy and to her foster-sister, Madge. Madge is my niece, is now seventeen years old. We have had her since she was two, and by rearing the two girls together we have helped keep Nancy unspoiled and unselfish.

"As I write this I feel it may be just a waste of time, but I would like to put on record the sense of gratitude we have always felt toward the Native Sons and Daughters. Nature's denial of a baby has not defrauded us, for we have had years of joy in watching over, and guiding and loving the daughter you gave us."

BEQUESTS.

At the beginning of the thirty-fourth fiscal year, April 1943 to April 1944, the Homeless Children project received a \$1,000 bequest from the estate of James V. Commerford of San Francisco, and a bequest of \$250 from the estate of William G. DeVries of Stockton.

THE TRAGEDY OF SAINT GEORGE'S REEF

Dr. Peter T. Conmy, Grand Historian N.S.G.W.

(WRITTEN ESPECIALLY FOR THE GRIZZLY BEAR MAGAZINE.)

SINCE ITS COMPLETION IN 1891, THE Lighthouse of Saint George's Reef has stood about five miles northwest of Crescent City, Del Norte County, a masterpiece of lighthouse architecture. California is famous for its diversity of geographical wonders. In the County of Inyo rises the nation's highest peak, Mount Whitney, and a short distance away is the country's greatest depth, Death Valley. Within the state, and but a day's journey apart, are the beautiful Lake Tahoe and the inspiring Yosemite Valley. On the west are redwood covered mountains, while those on the east are topped with snow. In the southeastern portion of the state there is a large desert, and in the northeastern the famous lava beds of Modoc.

Notwithstanding these extremes, California has been called a land of sunshine, fruit and flowers. This description is generally applicable to the greater part of the area of the state, consisting of the Valleys of the Sacramento and the San Joaquin, and several smaller, coastal valleys. This California of geographical diversity has also within its boundaries one of the stormiest spots in the world, a place where the waters of the Pacific are rarely calm, a location of almost perpetual wind, frequent fog and overcast skies. This place is Saint George's Reef, situated off the coast of California's northwesternmost county, Del Norte, about five miles from the Harbor of Crescent City, five and a half miles off shore, and about thirty-five miles south of the Oregon State line.

The lighthouse of Saint George's Reef was erected by the Federal Government at a cost of three-quarters of a million dollars, a rather high price for a pagoda on which to place a light, but the difficulty of construction, plus the necessity for an unusually firm structure, were factors which contributed to the expense involved. In the light of the tragedy of 1865, the most ardent advocate of governmental fiscal retrenchment would probably justify the expenditure as necessary for the conservation of human life and property. Irving Conklin states that the Saint George's Reef lighthouse cost more than any other built in recent times. To quote him, "This great light was the most expensive of modern lighthouses, costing about \$750,000 and taking seven years to build. It is one of the most desolate and lonely lighthouses within the continental limits of the United States." (Conklin, *Guideposts of the Sea*, p. 11). Some idea of the difficulty encountered in building Saint George's Reef lighthouse may be gained from the fact that the smallest stone used in its construction weighed no less than three tons.

The name Saint George's Reef is derived from the fact that it is located about five to six miles west of Point Saint George, a large cape which projects itself into the Pacific about five miles northwest of Crescent City. The name, Saint George, would imply an English origin, whereas most points along the coast of California have Spanish names. The fact of the matter is, that the Spanish, although minute and exact in their explorations of the coast south of Cape Mendocino, were less accurate above that point. Spanish voyages above Mendocino were few indeed. In 1792 there was a Spanish exploration of the northwest Pacific under Captain Dionisio Galiano and Captain Cayetano Valdes, who sailed in the *Sutil* and the *Mexicana*, respectively. The map of the coast drawn by these mariners (reproduced in Bancroft, Vol. 1, p. 508) shows the name Cabo de San Sebastiano where Point Saint George is today.

Between 1791 and 1794, George Vancouver, a British explorer, spent considerable time along the Pacific coast. His map, drawn in 1794 and printed in London in 1801 in connection with the publication of the story of his voyages, shows the name Port Saint George where Crescent City Harbor is now. Vancouver operated in behalf of British imperialism. The entire coast from northern Mexico to northern Oregon he called New Albion, thus attempting to give force and effect to the exploration by Sir Francis Drake in 1579. In the north he gave English names to a number of places previously given Spanish names, and so El Cabo de San Sebastiano became Point Saint George. It is interesting to note

that even in this farflung northwestern section of California there has been a history, and that there has been international rivalry over such a bleak place as Point Saint George.

Between the naming of Point Saint George by Vancouver in 1794 and the year 1865, when the great tragedy occurred on the reef, seventy-one years elapsed. During that period California passed from Spain to Mexico, and in 1848 from Mexico to the United States. During the same period also, all British claims to the Oregon country, which many believed included part of northern California, had been renounced in favor of the United States. The sailing vessel had given way to the steamship. Sixteen presidents had guided the destinies of the nation. A great Civil War had been fought between the states, and won by the North.

The country was facing the serious problems of reconstruction under the leadership of the seventeenth president when, July 29, 1865, one of the finest, oldest and best-built steamers on the Pacific Coast, the *Brother Jonathan*, set out from San Francisco Bay for the Columbia River in Oregon. The commander of the vessel was Captain Samuel Isaac DeWolfe. About one hundred persons were aboard, including people of note. One of them was Colonel Wright, a leader of the Grand Army of the Republic, who carried with him government money to pay off the Oregon Volunteers who were being mustered out of the service. Another passenger was Nesbeth, wellknown editor of *The San Francisco Bulletin*. The value of the cargo was estimated at four hundred thousand dollars.

The California coast has always been dangerous, due to frequent fogs, especially during the month of July, but Captain DeWolfe avoided this by steaming far out to sea. He cleared the Farallone Islands and proceeded in a northerly direction. In the early hours of July 30 a furious, northwest wind started. So heavy did it blow, and so serious did the storm become, that Captain DeWolfe decided that as he was about due west of Crescent City, it would be best to enter that harbor and enjoy the shelter which it afforded until the storm might cease, for he knew the Pacific is especially stormy off the Oregon coast.

It should be stated that it was well known that there was a reef which extended several miles into the ocean off Point Saint George. For this reason ships hugged the shore as they passed the point or else kept out to sea. These facts were well understood by Captain DeWolfe. He estimated, however, that he was well below the point, and therefore also below the reef, and so steamed confidently ahead. Suddenly the *Brother Jonathan* struck a submerged rock. "Struck," says Bledsoe, "with such force that her foremast went through the hull, her foreyards resting across the rails . . . The crash was so sudden, so unexpected, so awful, that those on board had scarcely recovered from the shock when they

DO WE?

CLARENCE M. HUNT.

Being muchly concerned about the future, as well as the present, welfare of California, and being thoroughly convinced that, unless the "seed of the sun" be entirely uprooted, the Japs will, following the present armed conflict, proceed with their "peaceful invasion" and eventually overrun this state, the writer proposes **UNITED ACTION TODAY** by organizations and individuals actually desirous of preserving California as a paradise of the Whiteman for all time. **TOMORROW**, after the war, will be **TOO LATE!** In the hope of permanently removing the Jap menace, this course of action is advocated:

Dispossess the Japs of every foot of land, rural and urban, to which they now claim title.

Challenge the citizenship of every Jap—his right to exercise in these United States the voting privilege.

Close every Jap-language school, and be certain that it is kept closed.

Do we, or do we not, really want to save this glorious heritage given into our keeping by our Pioneer Fathers and Mothers? If we have the will, this suggested course points the way! What's your answer?

A WONDERFUL WOMAN HAS PASSED FROM THIS EARTH

Los Angeles—Miss Ann Stephania Stoermer, wellknown to members of The Native Daughters of the Golden West, passed from this earth July 1, survived by her niece, Past Grand President Grace S. Stoermer, and her nephew, William J. Stoermer. The last of a family of seven, she was born November 23, 1870, on the site of the present City Hall. Her father, Ernest Stoermer, was Los Angeles' first gunsmith, and her mother, Ellen Grandona-Stoermer, who spoke seven languages, was for years an interpreter in the local courts.

Miss Ann Stephania Stoermer.

She was a charter member of Los Angeles Parlor No. 124, served as president in 1906-07, was a delegate to several Grand Parlors, and for years was prominently identified with all activities of the Natives. Because of other duties, she some time ago severed her connection with the Order, but her interest in it never lapsed.

Miss Ann Stoermer was a wonderful woman—a faithful friend, a trusted confidant and helpmate of many and, for the past five years, a patient and always happy sufferer. Her whole life was devoted to the welfare of others.

"Death is another life. We bow our heads
At going out, we think; and enter straight
Another chamber of the King's,
Larger than this we leave—and lovelier far!"

saw that their doom was sealed . . . the ship was fast sinking into the embrace of the hungry waves and short time was left to prepare for death." (Bledsoe, *History of Del Norte County*, p. 8).

Within an hour the *Brother Jonathan* had submerged. An attempt had been made to launch two life boats. When the first was being placed in the water, the frenzied people, vying with one another for passage on it, caused it to swamp. The second was launched successfully, however, and the third mate, the steerage steward, a quartermaster and fourteen passengers reached Crescent City safely at 4 p.m. that afternoon. The rest of those who were aboard perished with the ship. It is estimated those thus lost numbered ninety.

As soon as news of the tragedy was brought to Crescent City relief boats were sent out, but nothing, neither wreckage nor bodies, was seen. The morning of the following day (July 31) Benjamin West and Anson Brown went out on the ocean, but were unable to find anything. That evening a party moved toward Eureka for assistance, but returned to Crescent City shortly, having seen floating on the ocean a portion of the hurricane deck, some beds and trunks. They saw no bodies, however. The swamped life boat was also washed ashore, and part of the foremast. Two members of the crew also searched along the reef and reported seeing persons on one of the seal rocks, but when a relief ship was sent there the moving figures proved to be sealions. A few days later the quartermaster identified the rock which the illfated ship had struck, and it was thereafter named *Brother Jonathan Rock*, situated just below the reef and hitherto uncharted.

After a lapse of about ten days the sea began to give up its dead. For weeks, each day witnessed three or four bodies washed ashore. For months bodies were found on beaches, between rocks and in caves along the coast from Hum-

During the evening Stanley Granch was made chairman of the membership committee, and it was decided to feature in the near-future a Judge Harrison night, at which time a large class of candidates will be initiated in his honor.

CHARTER MEMBER BECOMES PRESIDENT.

Los Angeles—Elks Temple, adorned with baskets of gorgeous flowers, was the setting for the public installation of officers of Californiana Parlor No. 247 N.D.G.W. the afternoon of July 17, and a large assemblage witnessed the ceremonies. Mrs. Martha Decker was the chairman, and Grand President Mary B. Norenberg, a member of the Parlor, officiated. She was escorted to her station by her daughter, Miss Joan, and Mrs. Edna Neikirk, acting grand marshal, and in conducting the installation she had the assistance of Past Grand President Hazel B. Hansen, who administered the obligation, Mrs. Louise McNary, who acted as marshal, and members of Los Angeles Parlor No. 124.

Mrs. Earl R. Osborn was installed as president. She is a charter member of Californiana, and is lovingly known as "Aunt Emma." She was born at the corner of Second and Broadway, her parents being Andrew and Ann (Cannell) Joughin, California Pioneers of 1859. Mrs. Amos Otis Evans was inducted into the office of recording secretary. President Osborn and Grand President Noerenberg addressed the gathering, and there were brief remarks by Past Grand President Grace Stoerner, Grand Trustee Ann Schiebusch, Deputies Beatrice Wahrmond and Ruth Jackman, and others. Instrumental music was furnished by Jose Arias and family, and Miss Estelita Baca and Glenn LeVitt were the vocal soloists. Members of Junior No. 8, sponsored by Californiana, composed an escort team. At the conclusion of the installation there was a social hour, with refreshments.

HAYRIDE PROMISED.

Inglewood—District Deputy Angelo DeFazio, with the aid of Jack Burns and Ed Levy, publicly installed July 2 the officers of Centinela Parlor No. 279 N.S.G.W., with Howard Sellers as president. Entertainment followed the ceremonies and refreshments were served. July 16 the Parlor added two more names to its roster, bringing the membership to sixty-nine. Visitors and speakers included Supervising Deputy Woodward Wade, Lou Hardin, Walter Wells and District Deputy DeFazio. The Inglewood Camera Club entertained with movies of historical places in California.

Charter Member Alfred G. Wyneken, chief boatswain's mate of the United States Navy, is at his home in Lennox, and it is expected he will be honor-guest at Centinela's August 6 meeting. A hayride is promised the members of the Parlor, their wives and friends, Saturday, August 7. Those interested should contact Carl Doane and Francis Torres, the cochairmen.

THOROUGHLY ENJOYED.

Los Angeles—In recognition of Independence Day, District Deputies Association No. One N.S.G.W. sponsored a grand presidents' ball, July 3. Mrs. Mary B. Noerenberg, Grand President of The Native Daughters of the Golden West, and Wayne R. Millington, Grand President of The Native Sons of the Golden West, were the honor-guests.

The hall was decorated in red, white and blue, good music was provided, and the evening was thoroughly enjoyed. A prize waltz was won by Mr. and Mrs. Martin Grass. Supervising Deputy Woodward Wade had the arrangements in charge, and assisting him were District Deputies Robert Ziegler, Howard Woodward, Robert Pesqueria and Willard Allen.

GOOD FRIEND HONORED.

Los Angeles—A happy and enthusiastic occasion was that of July 9, set aside by Ramona Parlor No. 109 N.S.G.W. to honor Undersheriff Arthur C. Jewell who, while not eligible for membership, has long been a valued friend of the Order. The festivities began with an appetizing dinner, prepared and served by "Chef" Ralph Walters and assistants. President George Cuthbertson was master of ceremonies, and on the Parlor's behalf Grand Trustee Walter Odemar presented the honoree a very attractive framed testimonial, worded as follows:

"Ramona Parlor No. 109 Native Sons of the Golden West. To all to whom these presents may come, greetings: Be it known that this citation has been awarded to ARTHUR C. JEWELL, Under-Sheriff of Los Angeles County, as a concrete testimonial of esteem and appreciation for

Native Sons of the Golden West

UNDER DATE OF JULY 6, THE GRAND Parlor Admission Day Observance Committee—Harold B. Farley, Albert V. Mayrhofer, Almon J. Walcott, Roy C. Cothrin and Dewey S. Mayerhofer—sent the following communication, approved by Grand President Wayne R. Millington, to all Subordinate Parlors:

"Due to the present war conditions, The Native Sons of the Golden West will have no general observance of Admission Day, September 9, 1943. . . . We do not, of course, wish the day to go unobserved completely. It is therefore suggested that you make arrangements for an observance in your community to the utmost of your possibilities—decoration of the streets; parade, if possible; exercises of some sort, and publicity concerning the action, are suggested.

"Please, also, if you have Native Son speakers available, make arrangements with other organizations to have a speaker from the Order on the meeting day as near the 9th as possible for the purpose of discussing Admission Day and its meaning to Californians. For Parlors close to the larger cities, undoubtedly arrangements can be made through the Grand Secretary to provide speakers.

"Though conditions may be said to be unfavorable to organizations, for that reason alone, it should make us redouble our efforts to maintain activities and to preserve those things for which our boys in uniform are fighting."

Monument Plans Being Developed.

San Francisco—Plans for the erection of a monument by the Grand Parlor Lone Grave Committee are being rapidly developed and a complete report, giving the type of monument, the amount involved and the method of raising the funds, will be presented the Board of Grand Officers by the committee, headed by Dr. C. W. Chapman of Hydraulic No. 56.

Augmenting the committee, [listed in The Grizzly Bear for June 1943] Grand President Wayne R. Millington has made these additional appointments: Peter T. Conmy, Grand Historian; Eugene Biscailuz, Santa Monica Bay No. 267; Se'h Millington, Past Grand President; Harmon D. Skillin, Past Grand President; Hartley Russell, Past Grand President; Joseph R. Knowland, Past Grand President; Earl Warren, Fruitvale No. 252; Eldred L. Meyer, Past Grand President; Hal A. Bannister, Bakersfield No. 42; M. D. Coughlin, Hydraulic No. 56; Eben K. Smart, Quartz No. 58; Webster K. Nolan, Grand Trustee; Eugene H. O'Donnell, Dolores No. 208; Leo V. Youngworth, Ramona No. 109.

"I'll Wring His Neck."

Santa Ana—Officers of Santa Ana No. 265 and Arrowhead No. 110 (San Bernardino) were jointly installed July 19 by District Deputies Roy Finkle and Ralph Chaffee, E. H. Merker and Raymond O. Powers becoming the respective presidents. Police Judge Donald E. VanLoven, District Deputy John Johnston, "Buzz" Anderson and Art Johnson spoke briefly. President James Tuffree of Mother Colony No. 281 (Anaheim) entertained with movies of famous World War Two naval battles, and refreshments were served.

From a Jap woman at the Denson, Arkansas, concentration camp the wife of a member of Santa Ana Parlor received a letter in which was the following:

"What is this I read so much about in the newspapers—Native Sons of the Golden West advocating deporting all the Japanese regardless of citizens to Japan after the war? Say, doesn't . . . and all his gang belong to that lodge? Boy! if he is one of them who stands up and say 'yes' I'll wring his neck. How? Well, that remains to be seen."

Fifty-Year Pin Presented.

Redding—At a recent dinner, Richard E. Collins, since 1906 a member of the State Board of Equalization and for many years its chairman, was presented a fifty-year membership pin by McCloud No. 149. He originally joined Mount Baldy No. 87 (Weaverville) February 4, 1893, and transferred to McCloud January 5, 1905.

Judge Albert Ross, president of the Parlor, presided at the dinner, and others in attendance were: Arthur M. Dean, also a fifty-year member, H. H. Shuffleton Jr., S. C. Baker, L. J. Kennedy, A. F. Dobrowsky, A. A. Ludwig, Byron G. Eaton, John P. Webb, H. A. Shuffleton, G. P.

More Members, More Activity Needed.

San Jose—A dinner-meeting of the district deputies of District No. Five was held here July 20. Grand President Wayne R. Millington attended, and informed the gathering of his program for the year. He pointed out that not only must new members be secured, but Parlors must have sufficient activities to keep them interested. He also said that suspensions must be cut down, and that examination of the roll book of each Parlor will disclose the names of many who had been suspended through carelessness and who should be invited to return to the fold.

It was generally agreed that, notwithstanding the absence of many young prospects on account of military service, there is ample field for recruiting among older eligibles who never have been invited to join the Order. It was decided to have a district group initiation at San Jose in November.

Those present, in addition to the Grand President, were: Supervising Deputy John R. Sullivan, and District Deputies Harold Semichy, Louis Rittenhouse, Ernest T. Miller and Eugene Cerqui.

Will Return.

Taft—Sixteen members of Taft No. 276 attended July 20 a dinner-meeting sponsored by District Deputies Association No. One. Albert Specht was installed as president. Supervising Deputy Woodrow Wade addressed those assembled, and other speakers were District Deputy William Wheat, and Hal Bannister of Bakersfield No. 42. As a result of the meeting, Taft will return to the active list, and August 17 was fixed as the date for initiation of a class of candidates.

Coming Affairs.

Oakland—August 2, in Native Sons Hall, Eleventh and Clay Streets, the Alameda County N.S.G.W. and N.D.G.W. Joint Admission Day Committee will hold its first meeting to plan for a proper observance of Admission Day, September 9.

August 12, the Alameda County N.S.G.W. Parlors will have a night honoring South San Francisco No. 157 (San Francisco). The festivities will be in Native Sons Hall.

Grand President Wayne R. Millington will be the honor-guest of the Alameda County N.S.G.W. Parlors at a dinner and group initiation August 25. Date and place will be announced later.

N.S.G.W.—NEWS PARAGRAPHS—N.S.G.W.

Placerville—Officers of Placerville No. 9 and

Marguerite No. 12 N.D. were jointly installed July 7 by District Deputy Harold Duden and Supervising Deputy Nora Gray, Fred VanVleck and Ruth Schmidt becoming the respective presidents. A social hour, with refreshments, followed the ceremonies.

No applications, no new members to fill the ranks! Today's responsibility of every member of The Native Sons of the Golden West is to contact eligibles. Don't leave this important duty for "George" to perform!

Georgetown—Loris M. Grover has been elected president of Georgetown No. 91, and C. F. Irish, who has faithfully served the Parlor as recording secretary for many years, has been retained in that office. The Parlor now meets the first and third Saturday nights of each month.

Courtland—Courtland No. 106 entertained at an oldtimers night July 7, and among the members present were Joseph and John Herzog, now in the armed forces of the country. Twenty-five-year membership emblems were presented Dan Hanlon, Walter Goodman, Emile Lample, Frank Gwerder, Dennis Leary, Joseph Berry, Raymond Herringer and Recording Secretary Joe Green. The refreshments committee served a nice buffet supper at which members of Victory No. 216 N.D. were guests.

Sonoma—In honor of President Clarence Philbrook, Sonoma No. 111 initiated seventeen candidates June 21. The ritual was exemplified by members of Petaluma No. 27. At the close of the ceremonies refreshments were served.

Ventura—Cabrillo No. 114 initiated fifteen candidates June 29, bringing its membership to 572. More than 200 were in attendance, and during the evening the wonder-Parlor elected officers, with District Attorney M. Arthur Waite as the president. Entertainment was furnished by pupils of the Mary Martha Dance School and Cabrillo's orchestra.

Oakland—With Raymond Estudillo as president, the officers of Piedmont No. 120 were installed July 8 by District Deputy Maury Pessano. A past president jewel was presented Raymond Butler.

There are thousands of fine eligibles just waiting to be extended an invitation to join The Native Sons of the Golden West. Be a recruiter—extend the invitation today, not tomorrow!

San Jose—Officers of Observatory No. 177, with Walter N. Klein as president, were installed July 13 by District Deputy Leonard Avilla. Refreshments and a social hour followed the ceremonies.

From Corporal Charles W. Lynch of Castro No. 232 (San Francisco), now stationed at Great Falls, Montana, The Grizzly Bear received the following, under date of July 16: "I have a subscription to The Grizzly Bear Magazine which I sure enjoy, being in the service and unable to attend meetings."

Anaheim—At a streamlined meeting July 6, Mother Colony No. 281 received seven additional members. District Deputy Paul Traynor presided during the ritual ceremony, and was assisted by District Deputy Willard Allen. At the meeting's close a fine vaudeville program, arranged for by Ed Backs and John Johnston, was presented, and refreshments were served. July 13, President S. James Tuffree entertained the officers of the Parlor at dinner.

Oakland—The July 7 meeting of East Bay Counties Assembly No. 3 Past Presidents Association was dedicated to members now in the nation's armed services. Governor Richard F. McCarthy presided.

Past Presidents Install.

Santa Monica—The July 25 dinner-meeting of Arrowhead Assembly No. 14 Past Presidents Association was held at the home of Eldred L. Meyer. Three candidates were obligated. District Deputy Governor General R. W. Brazelton, assisted by Jerome B. Kavanaugh and Walter Hiskey, installed the officers, Walter R. Gisler becoming governor. On the Assembly's behalf an emblematic pin was presented Senior Past Governor Kavanaugh.

Host Meyer and his assistants—Ralph Eisenhart, Milton Eisenhart, Albert Seaman, William Delkner, George Benton Jr., and Dan Eisenhart—were given a vote of thanks. The next gathering of the Assembly will be at the Rolling Hills home of Joseph Denni, one of the new members, September 19. At that time delegates will be elected to the General Assembly, which meets at San Francisco in October.

ORANGE COUNTY TO HAVE ANOTHER NATIVE SONS PARLOR

Huntington Beach—This thriving little Orange County city is to have a parlor of The Native Sons of the Golden West. That was determined at a supper, sponsored by District Deputies Association No. One, July 14, at which several eligibles signed a charter petition.

Supervising Deputy Woodrow Wade presided, and among the speakers were City Attorney Ray Overacker, Chamber of Commerce Secretary William Gallienne, Ivan Harper, Jack Robertson, Allen Gisler, Sam Clapp, and Deputies Clarence M. Hunt, Howard Woodward, Julien Lecrivain, John Johnston, Willard Allen and Leonard Schwacofer.

Gale E. Bergey was elected temporary chairman, and he also heads a membership committee which includes Clapp and Overacker.

THE FOULEST WORD

"During our forty-odd years of probing around through the highways and hedges, we have heard, and heard of, many cuss words expressing all grades and degrees of condemnation and cussedness, but we have come to the conclusion, since the murder of our flyers by the Japs, that the three-lettered word, 'Jap,' represents more deceit, more treachery, more barbarism, more hellishness, more murder, more all-round diabolical, white-livered, black-hearted infernal depravity than any other word that ever slipped off the tongue of man.

"Pour into a cauldron and boil down all the slaughterings of Nero, the infanticides of Herod, the treachery of Judas, the treason of Benedict Arnold, the diabolism of Blue Beard, and the scrolls of all the rape fiends, and the decoction would be as ambrosia to the word 'Jap.' Time nor eternity will never obliterate the stigma and infernalism that attaches to that one word."—The Yellow Jacket of Moravian Falls, North Carolina.

"I don't believe in a law to prevent a man from getting rich; it would do more harm than good."—Abraham Lincoln.

Especially Honored.

Placentia—At a very colorful ceremony July 8 Mrs. Pauline Johnson became the president of Grace No. 242. Deputy Beatrice Wahrmond presided, and was assisted by members of Californiana No. 247 (Los Angeles). The Parlor was especially honored in having as a guest Grand President Mary Noerenberg. Other visitors were Past Grand Hazel Hansen, Supervising Deputy Marguerite McKenzie, Deputies Adeline Marschal and Eugenia Smith, Clara Hunt, and Joan Noerenberg of Junior No. 8. Refreshments were served.

Miss Doris Jacobsen was hostess to the sewing club of the Parlor at her home July 13. Work for the Red Cross was done, and luncheon was served in a room decorated with potted fuchsias and other flowers. The main dish, delicious chicken creole, was prepared by the hostess' father, Louis Jacobsen.

Active in War Work.

Sacramento—At a well-attended meeting, the officers of La Bandera No. 110, wearing white formal, were installed July 16. Deputy Edna Fortna officiated, assisted by members of Woodland No. 90, and Myrtle Seavy became the new president. Among the others present were Grand Trustee Henrietta Toothaker, Grand Inside Sentinel Maxine Kelly, Past Grands Mary Bell and Edna Briggs, Supervising Deputy Ethel Miller and representatives of the other Sacramento County Parlor. The refreshments table was elaborately decorated with miniature flags of the allied nations and a centerpiece of red geraniums in green pots arranged in the shape of a wishbone.

La Bandera's members are very active in war work, and the Red Cross sewing unit has just completed 3,000 garments. With members of the other county Parlor they serve regularly at the local USO. For the past twelve years the aged women at the Sacramento County Hospital have been visited and served refreshments, special attention being given Mothers Day and Christmas. The Parlor has also purchased a substantial amount of war bonds and stamps.

Elective Officers Guests.

San Diego—Officers-elect of San Diego No. 208, gowned in white, were installed July 27 by Deputy Helen M. Baker, who was assisted by Irma A. Heilbron, Anita Graham, Pearl Conard and Alice H. Damarus. Anna H. Simmonds was seated as president. A past president pin was presented Lena Baines, and many other gifts were exchanged. A dinner preceded the meeting. The officers club had its July meeting at the home of President Anna Simmonds, and the elective officers were guests of the club at luncheon. The past president club enjoyed a luncheon as guests of Helena Biewener in the beautiful patio garden of her sister, Mrs. Carl H. Heilbron.

Campaigning for Coast Defense Craft.

Santa Barbara—Santa Barbara County's two Parlor—Reina del Mar No. 126 of this county-seat city, and Santa Maria No. 276, whose area includes historic coastline and three missions of the chain founded by Fr. Junipero Serra,—are active in the promotion of war bond and stamp sales. Dr. Anna E. McCaughey of Santa Barbara is county chairman, with Mrs. John A. Parma of the women's division of the entire bond drive. With the Parlor serving as bridge-builders, officers of eighty-five organizations of women within the county are engaged in campaigning for coast defense craft through the sale of \$750,000 in war bonds. The campaign ends National Aviation Day, August 19.

Aiding Dr. McCaughey in direction of the campaign are Mrs. Margaret Farnsworth, Grand Trustee, of Lompoc; Mrs. Cora B. Sifford, Past Grand President, of Ventura; Mrs. William A. Birss, president of Reina del Mar, and Mrs. Guy Ruperto, president of Santa Maria.

Reina del Mar Parlor has changed its headquarters to the Women's City Club, handsome new building in the heart of the residential section of Santa Barbara. The new quarters were opened at a housewarming July 14, with Mrs. Benjamin Hartman, rental chairman, in charge.

N.D.G.W.—NEWS PARAGRAPHS.—N.D.G.W.
Napa—Eshecol No. 16 had an oldfashioned dress party July 12 and a jolly time was enjoyed. Members of the Parlor have formed a unit to work at the Red Cross sewing rooms Tuesday evenings. July 26 the officers of Eshecol and Napa No. 62 N.S. were jointly installed by Deputies Anne Johnson and John Coronado.

Ferndale—Recording Secretary Myra Rumrill of Onocenta No. 71 July 9 presented a beautiful United States of America Flag to the Parlor and dedicated it to all the members. Refreshments were served by Mms. Hattie Roberts and Darrel Flowers.

Columbia—With Mabel Draper acting as president, Golden Era No. 99 installed two candidates July 1. After the business session the members adjourned to the home of Frances Hale, where a delicious buffet supper concluded the very pleasant evening.

Etna—Mrs. Clara Smith-Farr, a charter member and the treasurer of Eschscholtzia No. 112, died June 28. She was born at Etna, March 8, 1870.

San Francisco—Grand Organist Mae Ethel O'Keefe of Darina No. 114 wishes to express, through The Grizzly Bear, sincere thanks to the many friends and good Native Daughters for the many gifts and get-well cards received during her illness. Especially, a great big thank you to Past Grand Dr. Marlana Bertola for much-needed assistance at Grand Parlor. Mrs. O'Keefe is getting along nicely and will soon resume her activities.

Sonoma—Mrs. May Lou Crosby-Chase, a charter member of Sonoma No. 209, died June 30, survived by three children. She was born at San Francisco, May 9, 1862.

Albany—Albany No. 260's officers were installed July 14 by Deputy Margaret Hanahan, Mrs. Daisy Olufsen becoming president. As the date was the anniversary of her birth, birthday decorations were featured. The sewing club of the Parlor met during July at the homes of Dorothy Mullins and May Eckardt. Blankets for servicemen in hospitals are being made.

Coalinga—Officers of Coalinga No. 270, with Dora Phelps as president, were installed July 12 by Deputy Melba Root, who was assisted by members of Las Flores No. 262 (Avenal). Preceding the impressive ceremony a fine program was presented by Mms. Alice Lincoln and Evelyn Andrews, and Juniors Carlee O'Quinn and Joyce Johnson. Members of Junior No. 12 assisted as hostesses for the evening.

outstanding efforts in behalf of and cooperation with The Native Sons of the Golden West, and for conspicuous loyalty to the ideals and fundamentals of the Native Sons. Given under our hands this 9th day of July, 1943. George Morgan Cuthbertson, President; Joseph Wm. Fonte, Secretary."

In responding, Captain Jewell gave an outline of his interesting career, and said that, for the good of California, the Native Sons should sponsor a law requiring that, to be eligible for any public office, a person must have been a resident of this state at least five years. Other speakers were Past Grand President Eldred Meyer, Grand Trustee Bernard Hiss, Sheriff Eugene Biscailuz, Isadore Dockweiler, Dr. Marcus Crahan and Walter Richards. The latter suggested that Ramona, through the Natives' Homeless Children Committee, adopt a baby and name him William, in honor of William J. Bright, a lately deceased active member of the Parlor. The suggestion was well received, and a goodly sum was donated for that purpose by those present. Earle Magee and Robert Ziegler were cochairmen of arrangements for the evening.

Ramona's officers, with Earle Magee as president and Charles Brittain as recording secretary, were installed July 23 by District Deputy Milton Eisenhart, who was assisted by Ralph Eisenhart, Roy Griswold and Kenneth Sands. Grand Trustees Bernard Hiss and Walter Odemar were among the speakers, and the latter, on the Parlor's behalf, presented Robert Ziegler a past president ring. William Wollbrink entertained with vocal selections, and refreshments were served.

August 13, Ramona will have a Mother Colony night, and President James Tuffree of that Parlor will show some very fine pictures, in color, of California scenes. Initiation will be held August 20. The regular monthly birthday dinner, honoring members born in August, is billed for August 27; time, 7 o'clock; fee, one dollar.

DISAPPEARING PARTIES.

East Los Angeles—Mrs. Leola Butler entertained a group of members of East Los Angeles Parlor No. 266 N.D.G.W. at a disappearing party at her home June 28. Instead of playing games, the girls made articles for a hope chest, which the Parlor will be privileged to use as it sees fit. The bazar has been indefinitely postponed.

July 19, another disappearing party was held at the home of Mrs. Vida Wells. More articles were made for the hope chest, and plans were made for the public installation of the Parlor's new corps of officers, headed by Mrs. Hortense Hill, at Poppy Trail Villa, 4558 1/2 Whittier Boulevard, August 25.

NATIVE SONS "ADOPT" BABIES

This is "Walter Erle," recently "adopted" by Wilmington Parlor No. 280 N.S.G.W. through the N.S.G.W. and N.D.G.W. Central Committee on Homeless Children. The baby is named in honor of President Erle B. Smith and Walter C. Richards, active in the affairs of the Parlor.

For years the Native Daughters Parlors have been "adopting" homeless children, but Wilmington has the distinction of being the first Native Sons Parlor to "adopt" one. Walter Richards made the proposal and, also at his suggestion, Los Angeles Parlor No. 45 and Ramona Parlor No. 109 (Los Angeles) have "adopted" babies.

UNIVERSITY PARLOR NEWS.

Los Angeles—The officers of University Parlor No. 272 N.S.G.W. were installed by District Deputy Robert Ziegler at a well-attended meeting July 14. Oliver Kent assumed the duties of president, William Arlen took over the office of recording secretary and Harold Shoemaker became the treasurer. Brief congratulatory messages were delivered by Grand Trustees Walter Odemar and Bernard Hiss, and on the Parlor's behalf the latter presented emblematic pins to Past Presidents Angelo DeFazio and Harold Shoemaker. Refreshments were served.

University has billed its August 11 meeting as second vice-president night, and Albert Meyers promises a program of topnotch character that will be of vital interest to all Natives. Manager Geoffrey F. Morgan of the speaker's bureau of the Douglas Aircraft Company will deliver an address on "Air Power for Victory." Bernard Wade and the goodoftheorder committee will serve refreshments. President Kent promises all meetings of the Parlor will start promptly at 8:15 p.m.

OUTDOOR LUNCHEON.

San Pedro — Rudecinda Parlor No. 230 N.D.G.W. initiated three candidates July 12. In the absence of President Gertrude Crawford, who is seriously ill, the ceremonies were conducted by First Vice-president Mabelle Simpson. Deputy Margaret Burch was a visitor and speaker. July 18, the members of the Parlor were entertained at an outdoor luncheon at the home of Deputy Burch, and the hostess was surprised with lovely gifts.

The Florencita Thimble Club, an auxiliary of Rudecinda, met July 16 at the home of Martha Miller and enjoyed a delicious enchilada luncheon. Proceeds from the sale of handembroidered articles were turned over to the Parlor.

JUST WHAT WE MAKE IT.

Glendale—Expansion night at Glendale Parlor No. 264 N.S.G.W., sponsored by District Deputies Association No. One, brought together representatives from most of the neighboring Parlors July 22. Four candidates were received. Supervising Deputy Woodrow Wade, District Deputy Robert Ziegler, Phillip Molen and John Winslow conducting the initiatory ceremony.

Grand Trustee Bernard Hiss introduced the main speaker of the evening, Federal Judge Ben Harrison. In the course of an inspiring address, which was roundly applauded, he urged increase in membership, interest in government and participation in civic affairs. "California," he said, "will be just the kind of state we Native Sons make it." Other speakers were Superior Judge Ruben Schmidt, Grand Trustee Walter Odemar, Albert Boeckman, Charles Thomas, Wm. Hortenstine and Fred Leonetti. Arrangements for the evening were in charge of Deputies O. E. Nighswonger and Howard Woodward.

BRIDES SHOWERED.

Los Angeles—At installation of the officers of La Reina Parlor No. 267 N.D.G.W., July 22, Mrs. Florence Grass was retained as president. Deputy Isabel Fages officiated, and among the other visitors was Grand Trustee Ann Schiebush. July 27 the Parlor had a shower for its

THE TRAGEDY

(Continued from Page 4)

boldt Bay on the south to the mouth of the Rogue River in Oregon on the north. Forty-five bodies were washed up in the vicinity of Crescent City. They were stored in a warehouse, and an inquest was held by the coroner. Most of them were interred in the pioneer Crescent City Cemetery, located on a bluff overlooking the scene of the tragedy. Uniform slabs were placed over the graves, reading as follows: "Sacred to the Memory of. . . Lost on the Brother Jonathan, July 30, 1865."

"ONCE THERE WAS A CARPENTER"

REF. JAMES SHERRI MONTGOMERY, D.D.

Chaplain, House of Representatives, United States of America Congress.

"On my study table this morning is an old scrapbook. As I open the thumb-marked pages, memories begin to crowd my thoughts; on one page my eye is arrested. I read a brief note of a young carpenter, an applicant for the Christian ministry. He was without standing or learning, but was deeply sincere and thoroughly industrious. He was examined by the church council, and when he learned their decision he was pained to hear that he had been rejected on the ground of his lowly station and lack of influence. As he looked back on the members of the council he remarked: 'Once there was a Carpenter!' His simplicity and lowly spirit drove into their hearts; he was recalled and accepted.

"It is not conformity that always works successfully in the art of human redemption; as to the outcome there is but little difference between a groove and a grave. The human spirit must be rescued from certain artificialities which are often cloaked in the garb of respectability. This young man had a credential from Almighty God. His memory lingered long as a beautiful song in the lives of those he had enriched. It is no further to heaven from a peasant's porch than from a king's palace. The council lacked the common touch; greet the poor man without making him conscious of his poverty and the unschooled without reminding him of his ignorance.

"'Once there was a Carpenter.' He was born in a borrowed stable, refused lodging in a neighbor's inn, died on a felon's cross, and was buried in a borrowed tomb. These words echo in my thought like soft waves on a sandy shore, as comforting as though the mellow moonlight had found a voice. There is no work so lowly that a lofty soul cannot transfigure it from drudgery into a divine mission; when one lives in this spirit, labor loses its bitterness and becomes glorified by a high and lofty purpose.

"I wonder if there is not in many lives today the tendency to identify usefulness and happiness with some prerogatives of wealth or station, unmindful that character is an achievement rather than an endowment. To underestimate the plain, simple gifts of life which the world

Captain DeWolfe's body was identified and claimed by his wife, and September 15 was laid to rest in the old Lone Mountain Cemetery of San Francisco, later known as Laurel Hill Cemetery. The DeWolfe monument which stood over his grave until the cemetery was removed in 1940, told the story of his passing in these words: "Samuel Isaac DeWolfe—Born March 17, 1822—Commander of Steamship Brother Jonathan—Lost at Sea July 30, 1865—Buried September 15, 1865."

In 1881 Bledsoe wrote the history of Del Norte County and stated therein that although fifteen years had elapsed since the disaster, time had not erased its horror from the memory of the people of Del Norte, who vividly recalled it as the great and awful tragedy of their day. And when winter nights brought storms and the northwest wind blew with force and fury, they gathered around the firesides of their wind-lashed homes and told to the eager ears of a younger generation the story of how the same northwest wind blew the good ship Brother Jonathan onto the one uncharted rock of Saint George's Reef on a morning in the summertime, July 30, 1865.

Passing of the California Pioneer

(Confined to Brief Notices of the Demise of those Men and Women who came to California prior to 1870.)

Edward Israel Stiles, native of Utah, 85; as an infant-in-arms, came in 1859; died at San Bernardino City.

Mrs. Eva Lowe-Reed, native of Wisconsin, 88; came across the plains in 1859 and resided in El Dorado, Amador and Butte Counties; died at Oroville, survived by three children.

Asahel Pomeroy Look, native of Wisconsin, 88; crossed the plains in 1862 and resided most of the time since in Humboldt County; died at Eureka, survived by seven children.

Mrs. Maria Volpone-Antonini, native of Italy, 82; since 1863 a resident of Sonora, Tuolumne County, where she died; three sons survive.

so much needs and for which it is appealing, is a grievous blunder and a thoughtless illusion. We are a selfish, spoiled people; since the beginning of our fair land we have never been compelled to pray for our daily bread; the manna has fallen into our laps without sacrificial effort, and we failed to say, 'Thank you, Lord.' When young and old gather about the tables of plenty and security, which have been purchased by some midnight vigil, perhaps by tears and striving, I would have them feel the stupendous worth of sturdy character, honest toil, the value of the man with an unwritten and uncalendared name. His is the fortitude of the endless ranks of privates in the battle lines, of the myriads of toilers of earth, sea, and air. Upon them rests the very foundation upon which our Republic must forever stand.

Today, I look straight into the soul of this young man and hear his words: 'Once there was a Carpenter.' He is a symbol, a living type of what we should be in our daily lives. O America, let us stop complaining, make lean the daily waste and emancipate ourselves from false pride and self-indulgence. When we stoop to serve, every hardship, every pain will be registered, remembered, and honored. I recall the words of a distinguished gentleman when he said to me: 'Chaplain, when I first came to Washington, I had two ambitions—to become great and get rich. Long since these have been replaced by two others: To conform my will to the will of Almighty God and to serve my country to the best of my ability.' The good Lord forgive the absurdity of our complaints and let us reckon ourselves as debtors to a stained and crippled world. We have tarried at the Tomb of the Unknown Soldier and looked about where was bivouacked the army of the dead and the very earth seemed hallowed. Who was he? I do not know; but I do know that he was some mother's boy who had loved the things a boy loves—to play ball, to swim, and climb the hills. His country called and he answered; he was 'lost in action'; his is not a name, but a memory. Like the lowly Carpenter, may he live in the heart of America.

"We men of earth have here the stuff Of Paradise—we have enough.

Here on the paths of every day,
Here on the common human way
Is all the stuff the gods would take
To build a heaven, to mold and make
A new Eden."

—Congressional Record.

"A love of liberty is implanted by nature in the breasts of all men."—Dionysius.

THERE IS ROOM FOR GOOD CALIFORNIA HISTORY BOOKS.

There is much California history still unwritten, including even such subjects as the Spanish missions and the gold rush, according to Dr. John W. Caughey, associate professor of history on the Los Angeles campus of the University of California. He names as men deserving of biographical study Portola, Rivera, Neve, Borica and Lasuen, and refers to the end of the Spanish rule in California and the secularization of the missions as neglected subjects.

"Needed," says Dr. Caughey, "are more adequate treatments of Larkin, Vallejo, Stearns and Robinson, also James E. Birch, David C. Broderick and Sam Brannan. There is room for good books on lumbering, the cattle business after 1849, whaling and fishing, viticulture, the grain ranches, politics, oil, the citrus industry, motion pictures, the tourist business and airplane manufacture. These and their companion social and cultural phenomena are perhaps less bizarre than the Franciscan friars, the red-shirted forty-niners, and San Francisco's volunteer firemen, but they go much further toward explaining modern California."

"'AINT IT HELL!—a land flowing with milk and honey but a year or so ago now being compelled to ration food. Why, it hasn't been long since stockmen were ordered to kill little pigs, and farmers were burning their wheat and corn for fuel. Restrictions were placed upon the acreage to be planted to crops, and now the [Federal] Government is urging increased plantings. How come?"—Missouri Cash Book.

CLARENCE M. HUNT

Good news is coming from the overseas war-fronts. It is, however, a long, long way to complete victory, and countless precious lives are going to be sacrificed before that goal can be reached.

Apparently fearful the Federal Congress might interfere, Dillon S. Myer and his War Relocation Authority are rushing the release of Japs from concentration centers, and all except the "disloyal" ones will be at large prior to the reconvening of the Congress, September 14. What magic formula the WRA has found for telling a loyal from a disloyal Jap is unknown, but the War Department, according to report, "has satisfactory methods for screening out the bad ones." Unless present plans go awry, all but one of the ten centers will be closed. The exception is that at Tulelake, Siskiyou County, California, where all the "bad" Japs are to be concentrated. Sort of appears as if the "bad" Japs are being congregated in a strategic area, where they can render good service to their worshiped emperor, if and when Japan decides to attempt an invasion!

United States Army spokesmen are being quoted as saying "we would like to use these people [Japs] as soldiers." Accordingly, numberless Japs are being enrolled in the armed forces. They are being released not only from the mainland concentration camps, but additional thousands are being brought over from Hawaii. And, females of the species are now permitted to enlist in the WACS, the SPARS, etc. Can't you hear Hirohito chuckling!

During a debate in the House prior to the recessing of the Congress, Representative W. F. Norrell of Arkansas stated "definite assurance has been given to the State [Arkansas] by the War Department that after the [war] emergency is over . . . and we are expecting the War Department to carry out its contracts, that the Japanese will be taken out of the State and sent back to the homes from which they have come." Which means that at the close of the war all the Japs evacuated from California will be returned here by the Federal Government, and along with them will come their numerous relocation-center offspring. In fact, report has it that many Japs have already come back.

Representative John M. Costello of California, reporting to the House, referred to a United States-born Jap "released from the evacuation center into the eastern part of the United States." He "never was in a relocation center at all. Japan is asking to have him repatriated as a national to Japan, indicating definitely their recognition of dual citizenship." All Japs, protestations to the contrary notwithstanding, are nationals of and loyal to Japan!

Newsgraphs for May 1943 called attention to bills pending in the House, proposing repeal of the Chinese Exclusion Law, and the opinion was then expressed that the Japs and their supporters are promoting the bills, and that their real purpose is to open the immigration gates so that the Japs and all other Asiatics and Orientals, now barred for good and sufficient reason, may enter freely. Well, the following extract from an article titled "Justice for the Asiatics," appearing in the Christian Century, which advocates and pleads for repeal of the Chinese Exclusion Law, indicates the opinion was well founded:

"What is proposed? It is proposed that the people of all nations be placed on exactly the same basis with regard to entrance into this country and the gaining of United States citizenship. It is proposed that all discrimination, overt or implied, on grounds of race, color or place of birth be stricken from our laws."

And, here is another very suspicious bill—one that might well be termed a companion to the Chinese Exclusion Law measures—before the House for consideration. It is HR 1941, and Section 801 reads:

"Any person not a citizen of the United States

whose son or daughter is a citizen of the United States and has served or is serving honorably in the military or naval forces of the United States during the present war and who, if separated from such service, was separated under honorable conditions, may be naturalized upon compliance with all the requirements of the naturalization laws, except that no declaration of intention shall be required, and the provisions of section 326 of this act shall not apply to a petition filed under this section: Provided, That the petition is filed not later than 1 year after the termination of the present war."

This bill grants the alien Japs the privilege of acquiring citizenship via naturalization, and of course every such alien will, if the bill becomes a law, have a "son or daughter [claiming to be] a citizen of the United States. . . in the military or naval forces of the United States." It is possible the United States-born Japs being enrolled in the armed forces have been selected deliberately from among those having alien parents! Both this bill and the repeal bills just above referred to have many supporters, both in and out of the Congress.

This is a picture of the Jap problem today, and illustrates the advance the Japs are making in their "peaceful invasion" of our homefront, with the help and the encouragement of the Washington administration and pro-Jap individuals and organizations. Unless that advance be checked, the United States-bred forces of Japan will win the peace for Japan on our homefront. There can be no other result!

The Japs' advance on our homefront can be effectively and permanently checked only by getting a reversal of the United States Supreme Court's divided decision whereby United States-born Japs claim and exercise citizenship rights. The writer believes it is possible to get the needed reversal, if the proper course be pursued. Certainly the stake at issue, California, is worth making an allout try. If it be unsuccessful—which God forbid!—our homeland will, within a short space of time, become thoroughly and completely japanized, and will be peopled by a breed of tawny hybrids, resulting from the forced intermarriage of Whites and Japs.

Reporting to the House of the Federal Congress July 2, Representative Albert J. Engel of Michigan disclosed that several wellknown corporations having government war contracts have made "sensational excessive profits" by an abuse of the cost-plus system. One concern earned 7,740 percent on a paid-in capital of \$100,000. And they endeavor to have us believe this war will produce no multimillionaires!

"Interior Secretary Ickes," said the Hollywood Citizen News editorially, "contents that friction or failure in the war program should be blamed upon businessmen who have been drafted for the war effort rather than upon the high-salaried bureaucrats who have been feeding at the public trough. . . Ickes is doing his best to protect the radicals. But the public is beyond the point where Mr. Ickes can fool it. Let the friction continue as long as the radicals strive to control."

The people of Salinas, governmentseat of Monterey County, took a poll, and voted 12,668 to 1 against permitting any Jap to return to the Pacific Coast during the war. That vote is quite significant, in that Salinas, prior to Pearl Harbor, had more Jap residents, in proportion to population, than any other community in the United States.

The farming district around Livingston, Merced County, likewise was infested with Japs before the declaration of war. Editor E. G. Adams of the Livingston Chronicle, closely connected with Jap colonies in and around that place since their establishment in 1907, says 98 percent of the area's population are opposed to the Japs' return. He has declared: "I do not favor the release of any Japanese, loyal or otherwise, west of the Rocky Mountains, either at the present time or at the termination of the war."

Delegates to the Catholic Daughters Convention at Cleveland, Ohio, adopted a resolution declaring "No contribution is made to the successful prosecution of the war by the working mother who leaves her children unsupervised."

Miss Mary E. McKeogh, national chairman of the organization's social welfare department, blamed "the absence of the mother from the home" for "a large percent of the increase in child delinquency."

Representative Frederick C. Smith of Ohio thinks the secret United Nations Conference on Food, recently held at Hot Springs, Virginia, "was a powerful blow to what remains of our Constitution and liberty, and a triumph for communism and dictatorship."

The last California Legislature passed and the Governor signed, as an "urgency measure," A.B. 384, "An act to add Section 3.95 to the School Code and to add Section 8161 to the Education Code." The section reads: "The governing board of a school district may, in its discretion, maintain schools and classes on any days other than Sunday, the twenty-fifth day of December, the first day of January, the fourth day of July, and any day appointed by the President of the United States of America or of the Governor of this State for a public thanksgiving."

Which means that, "until the cessation of hostilities in all wars in which the United States is now engaged," the public schools of California are not required to observe, as a legal holiday, the State's birthday anniversary, Admission Day, September 9.

A copyrighted article "By a Detroit Clergyman" in the Christian Science Monitor included this comment about the recent Detroit, Michigan, race riots:

"On the side of the Negroes there remain some evidences of the activities of a Japanese subversive leader, who lived for years in the Negro community in Detroit, married a Negro wife, and spent many thousands of dollars, supplied by the Japanese Government. He has been arrested, but there are some hundreds of his followers remaining in Detroit who are not altogether won away from the picture which he painted, offering the leadership of Japan to the colored races of the world as their best emancipation."

"We are going to face starvation next winter," in the opinion of Representative John Taber of New York, "unless all of these longhaired professors—[a group of green lawyers, with no practical experience, in key positions making decisions]—are fired out" from the Office of Price Administration. He says the OPA "itself has fostered and promoted the black marketing in meats."

Saying it would "get the executive branch of the government back on its side of the fence," Representative Hatton W. Sumners of Texas proposes that a majority, instead of a two-thirds, vote of the Federal Congress be sufficient to override a presidential veto.

At an area meeting of the American Legion in Sonoma City, it was reported two Japs were in an adjacent county jail, charged with violating the state game laws in the Tulelake district. The question was asked, "Where did they get the guns and ammunition, and why free?" Probably the WRA can answer.

A. J. McFadden, wellknown Orange County agriculturist, warns that the Federal Government's attempts to curb inflation through price rollbacks or subsidies are highly dangerous. "To meet these costs," he contends, "the Government must either increase its tax levies or contribute directly toward inflation by increasing its borrowing."

"To pay the bill through increased taxes simply means that we are evading the issue by passing part of our cost of living back to the taxpayers, adding to the inflationary possibilities by increasing the public debt. . . The remedy is to be found not in subsidies, but in the correction of such maladjustments in price ceilings and controls as are restricting production and movement of essential supplies to markets."

Yes, "Activity is success." But, the activity that produces success is not limited to speechifying and resolving. It includes unceasing forceful action.

(COMPILED EXPRESSLY FOR
THE GRIZZLY BEAR MAGAZINE.)

THERE WAS NO GENERAL CELEBRATION of Admission Day, September 9, 1893,—the forty-third anniversary of California's admittance to statehood—under the auspices of The Native Sons of the Golden West, but there were local and district celebrations, participated in by many Subordinate Parlor. In a circular addressed to the Parlor August 7, 1893, Grand President John T. Greany had urged:

"Prompted by the patriotic sentiment that underlies our beloved Order, and which serves particularly as a characteristic to distinguish us from the numerous fraternal societies of the day, every Parlor should feel the duty incumbent upon it of keeping alive that patriotic fire so that our brothers may be warmed by its heat, and our citizens attracted by its glow."

A press dispatch from San Francisco, September 9, said "Golden Gate Avenue was thronged with people last evening while various Parlor of Native Sons were forming a parade. A large crowd followed the procession to the Ferry Building, where the paraders embarked for Napa City to participate in the great Admission Day celebration there." Grand Marshal George H. S. Dryden headed the delegation.

The Parlor of Amador County celebrated at Amador City. Keystone Parlor No. 173 had charge of the arrangements, and the officers of the day were: John F. Davis, Superior Judge Amador County, president; Past Grand President Frank D. Ryan, District Attorney Sacramento County, orator; E. G. Amick of Ione, marshal, and Rev. Father Maloney of Sutter Creek, chaplain. The Placer County Native Sons celebrated at Forest Hill.

Ventura City's observance of the state's birth-day opened with a grand ball given by the local Native Sons September 8. Perfect weather prevailed the following day, and the streets were lined with homefolks and visitors, who cheered the Admission Day parade. In line were the Ventura contingent of the National Guard of California, pioneers in prairie schooners, Los Angeles and Ventura Native Daughters, floats depicting the Great Seal of State and California history, and the following Native Sons Parlor: Los Angeles No. 45, Santa Lucia No. 97 (Salinas), Ramona No. 109 (Los Angeles), Cabrillo No. 114 (Ventura), Santa Barbara No. 116 and Hueneme No. 184.

Auburn, Placer County, reported the first storm of the season the evening of September 10. The rain caused considerable damage to grapes and late peaches.

A sharp shock of earthquake disturbed the residents of Gilroy, Santa Clara County, the night of September 1.

One of the heaviest thunder storms ever known in that section passed over the Ukiah, Mendocino County, district September 12, doing great damage, particularly to the half-harvested hop crop.

A telegram was received in Riverside City, September 8, announcing that at the Chicago World's Fair Riverside County had been awarded first prize for both oranges and lemons.

The Halfmoon Bay Creamery and Cheese Company was organized at Spanishtown, San Mateo County, September 1, and it was decided to erect the largest plant of the kind on the Pacific Coast.

Articles of incorporation of the Sweetwater Track Association were filed at San Diego City September 16. The object of the organization, capitalized at \$5,000, was to acquire, own, equip and manage a race track, and the directors were Ralph Granger, Fred Wadham, C. L. Josselyn, Parsons Shaw, John Beal, E. O. Hornbeck and S. S. Johnston.

At a well-attended meeting of dairymen at Petaluma, Sonoma County, September 2, steps were taken to incorporate the California Dairy Association. The purposes were to improve the method of dairying by the establishment of a dairy school, and to protect the industry by proper legislation and the creation of a state dairy bureau. J. B. Burdell of Marin County was elected president, and Samuel E. Watson of San Francisco secretary.

Santa Ana, Orange County, reported one of the largest grain deals ever made in southern California. Newmark & Co. purchased September 8 100,000 sacks of barley on the San Joaquin Ranch for 70 cents per cental.

Member Federal Deposit Insurance Corporation

As the schooner Lucie was about to sail from San Pedro, Los Angeles County, September 1, a mob of fifty union seamen began pelting its non-union crew with stones, some of them weighing more than three pounds.

William Jackson of the San Francisco real estate firm of Center, Jackson & Spaden, disappeared September 6 with \$1,000 of the firm's

funds. He left a note saying he would never return.

Most of the business portion of the little Town of Cayucos, San Luis Obispo County, was wiped out by fire September 8. The loss was estimated at \$50,000, with some \$20,000 insurance. The conflagration started about 4 a.m. from the ignition of kerosene and powder stored for sale, and in three hours the destruction was complete.

The annual California State Fair opened September 4 at Sacramento City, and the exhibits were said to be, in many respects, superior to those of previous years.

Articles of incorporation of El Cajon Raisin Company were filed September 15 at San Diego City. Included in the organization were all the vineyards in the district, except one.

A great deal of excitement was created on the streets of San Bernardino City September 16 by John S. Reed, a miner, who exhibited a \$1,100 gold nugget taken from his mine in Kern County, near the San Bernardino County line.

A mob of Whitemen raided R. H. Metzger's Fresno County vineyard September 8 and removed the Chinese grape pickers there employed. They tore down the bunkhouse, beat the Chinese badly and marched them toward Fresno City.

A portion of a circus train over the Nevada County Narrow Gauge Railroad left the tracks and rolled down an embankment near Grass Valley, Nevada County, September 5. Two men were killed. The cause of the accident was not known.

Fresno City reported September 11 many sheepmen of Watts Valley, the center of a large sheep industry, would not shear their flocks in the fall because they could not obtain funds with which to pay shearers.

The Evening News of Sacramento City, published by John F. Sheehan and Junius B. Harris, suspended publication September 12. The failure was allegedly due to a lack of harmony between the owners, General Thomas J. Clunie and A. Abbott.

Stockton, San Joaquin County, September 4 reported the famous Utica Quartz Mine at Angels Camp, Calaveras County, yielded last month the enormous sum of \$165,000 in gold.

William Retzen, a young man, was accidentally drowned September 1 by the capsizing of a raft at the Golden Feather Mine near Oroville, Butte County.

ANOTHER NATIVE SONS PARLOR FOR LOS ANGELES COUNTY

Pomona—Parlor No. 283 of The Native Sons of the Golden West, sponsored by District Deputies Association No. One, is to be instituted here the night of Admission Day, September 9. Supervising Deputy Woodrow Wade, who is directing the organization work, is being assisted by District Deputy Willard Allen and Secretary Homer Duffy of the Pomona Chamber of Commerce who, while not an eligible, is a "booster" for the Order.

Two pre-institution dinner-conferences have been well attended by men prominent in the business and professional life of the Pomona district, and all have signified a desire to affiliate with the new parlor. At these conferences, Supervising Deputy Wade has presided, and among the speakers have been Superior Judge Ruben Schmidt, Fred Palmer, James Whyte, Grand Trustee Walter Odemar, Francis Pedley, Nelson VanFleet, Grand Trustee Bernard Hiss, Roscoe Hart, Clarence Perrin, Thomas Reed, John Amour, Deputy Grand President Clarence M. Hunt, Clifford Lindsmith, Clarence White, Ellis Platt and Alfred Schwichtenberg.

CONGRATULATED

Santa Barbara—Santa Barbara County's two Native Daughters Parlors, Reina del Mar No. 126 in the countyseat and Santa Maria No. 276 in the valley city, have been congratulated by the United States Treasury Department for effective leadership in the recent war bond and stamp campaign of eighty-five women's organizations in which a quota of \$750,000 was topped. Protection of the county's historic coastline and three famous missions will be assured by the seaplane and bomber which funds raised will provide.

As cosponsor with the American Association of University Women and the Business and Professional Women's Club of Santa Barbara County, Reina del Mar Parlor gave a successful reception and tea in Santa Barbara, as a prod to enlistment in the United States Marines Women's Reserve. Lieutenant Ellen Twohey, a native daughter of Stockton, is in charge of the recruiting drive in Santa Barbara County.

In behalf of the Order's homeless children project Reina del Mar Parlor gave a dinner at the City Women's Club in Santa Barbara August 26 under the cochairmanship of Mms. Benjamin Hartman and Raymond Romero. At the largest guest table Mr. and Mrs. George Sangster celebrated their golden jubilee, surrounded by some fifty relatives.

Admission Day, September 9, will be observed in Santa Barbara jointly by Reina del Mar Parlor and Santa Barbara Parlor No. 126 N.S.G.W. with the annual reception to the pioneers. A fitting program will be presented. Representatives of the three branches of the armed forces stationed near the Channel City will be special guests.

Lee Doon, a Chinaman of many aliases, was executed September 1 at San Rafael, for one of the most deliberate murders ever committed in Marin County. To satisfy his thirst for blood, he wanted to kill eleven more men.

Mrs. J. Q. Horton, living near Ione, Amador County, was thrown from a cart September 25 and instantly killed, and Mrs. J. J. Eckle of Plymouth, Amador County, met a similar fate the following day, when she was thrown from a buggy.

In the early morning of September 29 a force of men said to be in the employ of the Southern Pacific Company, built a fence across the foot of Castro Street, Oakland, Alameda County. Some 500 people assembled and pulled it down. Then, under police protection, a wire fence was erected, blocking access to the water. An immense crowd of several thousand people gathered but, owing to the presence of police, no demonstration was made.

For talking too freely about single and married women, Fred Chapman was forcibly taken from a Black's, Yolo County, hotel the evening of September 9 by a mob of masked men and given a coat of tar and feathers.

As a result of a feud existing between S. A. Whipple, a farmer, and S. A. Bougess, the latter shot and killed the former near Crows Landing, Stanislaus County, September 13.

By the capsizing of a locomotive on the Towle Lumber Company's railroad, at Towle, Placer County, September 12, a young fireman named Halsey was scalded to death.

At Sacramento City, September 25, a Humane Society officer arrested W. Parker and Ben Covell for cruelty to animals. They were accused of letting their horses stand for twenty-three hours at a street corner, without food or water, while they gambled in a nearby saloon.

"FREE A MARINE TO FIGHT"

The Native Daughters of the Golden West have "joined" the Marines. Every member is going to be an honorary recruiter during the month of September for the Women's Reserve of the United States Marine Corps. They will present an organized "front" during September to help swell badly-needed enlistments and to provide as many platoons as possible made up solely of native daughters of California.

Mrs. Clarence E. Noerenberg, Grand President of the Order, is 100 percent behind Native Daughters month for the lady leathernecks. She launched the campaign at a Los Angeles luncheon, when she called together a nucleus of her committee to meet with representatives of the Marine Corps. Lieutenant-Colonel Roscoe Arnett, officer in charge of recruiting for southern California, was present, along with First Lieutenant Eleanor M. Gearhart, Sergeant Milton Raison and Staff Sergeants Read Kendall and John Whitehead. With Mrs. Noerenberg were Grand Trustee Anne Schiebusch, Past Grand Presidents Grace Stoerner and Hazel Hansen, Miss Margaret Kerr, State Chairman of War Activities, and Mrs. Alphonse B. Fages, State Chairman of California History and Landmarks.

In a nutshell, the recruiting plan is to have each and every Native Daughter sponsor at least one native daughter and one adopted daughter recruit for the Women's Marine Reserve. The recruits will be formed into platoons, and permission is being sought to send them as units to Camp Lejeune, New River, North Carolina, for indoctrination. There they will be known as "California's own."

The slogan of the Women's Reserve is "Free a Marine to Fight." The Native Daughters are entering the recruiting drive as one of their

major war efforts which will be written in the Order's historical annals, because the need for women with the fighting leathernecks is serious. Every woman who enlists will replace one of the "desk job" Marines who wants to get out and fight the enemy, to bring the war to a hurried victorious termination.

VERY FINE AFFAIR

Oakland—The dinner and group initiation sponsored by the Alameda County Native Sons Parlors, August 25, was a very fine affair, attended by approximately 125 members of the Order. Grand Second Vice-president Richard F. McCarthy was the toastmaster. Past Grand President Joseph Knowland spoke at length on the history of the Order and the saving of landmarks, and Grand President Wayne Millington told of the present-day workings of the Order and the possibilities for the future. Other speakers were Judge Allen Norris and Past Grand President Edward Schnarr.

Fourteen candidates were initiated—five for Fruitvale Parlor No. 252, four for Berkeley Parlor No. 210, two each for Piedmont Parlor No. 120 and Estudillo Parlor No. 223, and one for Claremont Parlor No. 240. The following exemplified the ritual:

Al Vinther, Claremont Parlor No. 240, president; William Dombink, Fruitvale Parlor No. 252, junior past president; Les Ashworth, Estudillo Parlor No. 223, senior past president; Ray Butler, Piedmont Parlor No. 120, first vice-president; Grand Second Vice-president Richard McCarthy, second vice-president; Maury Pessano, Oakland Parlor No. 50, third vice-president; Kenneth Hainan, Fruitvale Parlor No. 252, marshal; Wm. Penn Gordon, Athens Parlor No. 195,

The Native Sons and The Native Daughters of the Golden West sponsor, through a Central Committee on Homeless Children, a most worthy project—the finding of homes for homeless children. Head Office: 998 Eddy Street, San Francisco 9. Phone Ordway 5241. Mary E. Brustis, Secretary. Los Angeles Office: 3924 Sunset Boulevard 27, Phone Olympia 4105, Dorothy Schlingman, Secretary.

BEQUESTS

"Through the Los Angeles Joint Committee, the Homeless Children work has received a book of seventy-five 25-cent defense stamps, which Miss Dorothy Schlingman of the southern office states are the savings of Mr. and Mrs. John K. Walton from the day a little one came into their home.

"Gerald Hagar, attorney for the executor of the estate of Kathryn R. Delaney, advised the chairman of the Central Committee, Martin J. Dinkelspiel, that "The last will and testament of Kathryn R. Delaney provided for the payment to the Native Sons and Native Daughters Central Committee of one thousand dollars, for the work for the Homeless Children, and the bequest may be expected without delay."

"According to the will of Edwin M. Otis, deceased, fifty dollars was given and bequeathed to the acting president of Halcyon Parlor No. 146 N.S.G.W. [Alameda] with the request that he turn the same over to the Homeless Children Committee of The Native Sons of the Golden West.

EXPENSE SOARS

"The first of August of this year the expense of caring for children and for babies from ten days to two months of age was increased to thirty dollars a month for each child. There has been an increase in the number of children accepted for adoption, but who are awaiting satisfactory physical reports, tests and dismissal by the physicians for placement.

"To be sure, as you will note in your printed annual report of April 1943, many of the parents, if allowed to pay what they are able each month, will eventually meet the full expense, whether their children have been returned to them or have been placed for adoption.

"When one considers the high price demanded of the mothers who are in defense work, and who want at least to feel that their children are well cared for, one realizes that the mothers who board the Homeless Children are real mothers entitled to at least the increased cost. They find added compensation in the joy of having a child in the home, not being able to adopt a child because of other responsibilities, and request only the cost of food, often spending it later for pretty clothes or for extra pleasures for the older children.

"With this necessary and fair increase in the expense in mind, may we ask you to work a little harder and to begin a little earlier to meet the need of this Charity assumed in time of Peace and surely not to be disregarded or inadequately done in time of War."

"LET THEM EAT TURKEY"

American servicemen overseas will not merely talk turkey, come Thanksgiving and the Christmas holidays. Army chefs in Alaska and Africa—and points east and west around the globe—have been instructed to include "a little bit of home" on the menus for Thanksgiving Day, November 25, Christmas Day, December 25, and New Year Day, January 1, 1944. Ten million pounds of turkey is "home," according to the United States Army's present procurement plans.

Native Sons of the Golden West

WAYNE R. MILLINGTON OF REDWOOD City, Grand President of The Native Sons of the Golden West, announces that September 9, the ninety-third anniversary of California's admission into the Union, will be "Admission Bond and Stamp Day" and will be fittingly observed by all Subordinate Parlor by the sale of United States war bonds and stamps. "More than 25,000 officers and members will be enlisted to establish a new record in the Order's bond buying campaign," declares the Grand President, and he has issued the following

"ADMISSION DAY 1943 PROCLAMATION."

"Whereas, By reason of the energy of all America being devoted to a speedy, victorious conclusion to the present worldwide conflict the customary observance of Admission Day is not possible; and

"Whereas, The Order of Native Sons of the Golden West is founded upon patriotism; manifested in Peace in the improvement of internal conditions and in the development of those things which operate for the good of civilization and add happiness and prosperity to our country, and in War by a unified effort to quickly win;

"Now, therefore, by virtue of my office of Grand President of The Native Sons of the Golden West, I hereby proclaim Thursday, September 9, 1943, as

"ADMISSION BOND AND STAMP DAY"

To Present Fifty-year Pins.

Sacramento—Officers of Sacramento No. 3 and Sunset No. 26 were jointly installed August 2. Shelton J. Crum and Earl Saunders becoming the respective presidents. The ceremonies were conducted by District Deputies T. W. Johnston and J. M. Hanlon, who were assisted by Dr. E. C. Turner, Grand Trustee Walter Bailey and Irving D. Gibson. Entertaining talks were given by Grand Trustee Bailey, Grand Marshal Larry Marvin, Al S. Cohn, a fifty-three-year member, Guy G. Fouls and John Monteverde Sr. Visitors were present from all the Sacramento County Parlor, and a feast of cracked crab was enjoyed.

Sacramento and Sunset, through Secretaries Roy Cothrin and Ed. Reese, are planning for a gettogether in September, at which Governor Earl Warren of Fruitvale No. 252 will be the honor-guest. A feature of the occasion will be the presentation of fifty-year membership pins to the following:

Sacramento—William F. Bellmer, who joined January 22, 1892; Thomas W. Brogan, May 13, 1892; Robert D. Finnie, October 7, 1892; George Vice, November 25, 1892; William H. Sanders, June 9, 1893.

Sunset—Louis F. Breuner, February 25, 1888; Aloysius S. Cohn, September 6, 1890; August H. Heilbron, May 16, 1892; Fred C. Yoerk, May 16, 1892; Frank H. Conn, May 16, 1892; John W. Ott, December 19, 1892; Frank J. Heintz, April 10, 1893; J. Clarence Carley, April 10, 1893.

Historical Gem.

San Diego—San Diego No. 108 will observe Admission Day, September 9, by presenting United States of America and California State (Bear) Flags to the Saint Augustine High School. Judge Eugene Daney Jr. will be the master of ceremonies, and the presentation addresses will be made by Dr. A. P. Nasatir, whose subject will be "The American Flag," and Henry U. Emery, who will talk on "The Bear Flag."

San Diego City's official flag, originated by Deputy Grand President Albert V. Mayrhofer, has been fabricated by order of the City Council. In design it is a historical gem, in that it embodies the history of San Diego. It has the colors of the United States of America and the State of California, and pictures the first California mission

and the ship that brought Cabrillo into the harbor when he discovered this western coast in 1542.

Annual Fish Fry.

Modesto—Members of Modesto No. 11 enjoyed a Chinese dinner August 3, and then listened to an interesting talk by Rev. Arthur Wallace, guest-speaker of the occasion. Arrangements were made by Leslie Schlinghyde, blind pianist of the Parlor.

September 15, Modesto will have its annual fish fry at the home of Carl Lewis. This affair, inaugurated by Junior Past President Lewis some years ago, has proved a very attractive event ever since. The Parlor plans to take a class of candidates to Merced City, September 30, for the district meeting being arranged for by Grand President Wayne Millington.

Enthusiastic Affair.

Oakland—The gettogether sponsored by the Alameda County Parlor, August 12, in honor of South San Francisco No. 157 (San Francisco), was a most enjoyable and enthusiastic affair. Practically all the Alameda County Parlor and several of the San Francisco Parlor were represented among the more than 250 members of the Order in attendance. Bernard Abrott of Berkeley No. 210 and Frank Smith of Piedmont No. 120 were the masters of ceremonies, the address of the occasion was delivered by Grand President Wayne R. Millington, and President Arthur Hawley of South San Francisco voiced the appreciation of the members of that Parlor.

In the way of entertainment, a burlesque on "The Shooting of Dan McGrew," by members of Piedmont, was outstanding; participating were Frank Smith, Dick Hamb, Al Weber, Frank Roemer, Hank Taylor, Tom Palmer, Ray Butler, George Pritz, Fritz Brause and Jim Jenkins. Berny Abrott of Berkeley recited "Casey at the Bat," Dick Kendall of South San Francisco imitated Hitler, and several others contributed to a fine program that could not be equaled by any group of professionals. In attendance also were Grand First Vice-president Raymond Williamson, Grand Second Vice-president Richard McCarthy, Grand Secretary John T. Regan, Grand Trustees Thomas Ryan and Webster Nolan, Grand Outside Sentinel Raymond Burke, Deputy Grand President Lewis Giegerich and Past Grand Harmon Skillin.

No Time To Tamper With Law.

Martinez—Mount Diablo No. 101 was host to the other Contra Costa County Parlor—General Winn No. 32 (Antioch), Byron No. 170 and Carquinez No. 205 (Crockett)—at a group meeting August 16. Thirteen candidates were initiated, the ritual being exemplified by the Parlor's officers, Past Grand James Hoey president.

Grand President Wayne Millington, the main speaker, said "the treachery and savagery of the Japanese on the Pacific warfronts should serve as an object lesson for American opponents of Oriental exclusion legislation." He condemned the WRA for congregating recalcitrant Jap internees at the Tulelake, Siskiyou County, internment camp, and cautioned: "This is no time to tamper with the exclusion law of 1924, even to please our Chinese allies. Any revision of this law should be a matter of discussion around the peace table and not during war."

Mount Diablo, during the evening, voted \$50 to help finance the Martinez Canteen, and pledged its cooperation. Among the many visitors were Grand Second Vice-president Richard McCarthy, Grand Trustee Thomas Ryan, Past Grand Charles Dodge and District Deputy Raymond Butler. Secretary Thomas Cox headed a delegation from Carquinez. After the meeting members of Las Juntas No. 221 N.D. served refreshments.

Coming Events.

OUTSTANDING EVENT SPONSORED BY VENTURA NATIVE SONS

Ventura. One of the most outstanding affairs in the chronicles of The Native Sons of the Golden West was the dinner sponsored by the wonder-Parlor, Cabrillo No. 114, July 27, in honor of Governor Earl Warren of Fruitvale Parlor No. 252 (Oakland). A delicious chicken dinner was enjoyed by 622 persons, among them the Ventura County supervisors, councilmen of Oxnard, Santa Paula, Fillmore, Ojai and Ventura Cities, and other public officials. Indefatigable Ed Hearne, in charge of the arrangements for the successful affair, was ably assisted by Charles Feraud and Secretary John Morrison. A reception committee included, among others, Charles Blackstock, James Hollingsworth, Edward Henderson, District Attorney M. Arthur Waite, Carl Phleger, Morris Webster, Winfield Scott, Milton Teague, Roscoe Burson, Nicholas Hearne and David Strathearn.

Superior Judge Louis Drapeau, president of the Parlor, was the master of ceremonies, and in welcoming the throng he introduced the many visitors. Governor Warren, the chief speaker, declared that, "if California can keep its present industries functioning on a competitive basis in the postwar period, it will become the greatest empire to be found anywhere on earth. We must begin now to plan in our businesses, in our communities to make our state self-sufficient." Commander John B. Cooke of the United States Navy gave a talk on the Jap situation that brought forth prolonged applause, and among the other speakers were Grand President Wayne Millington and United States Marshal Robert Clark. Music was provided by Jose Arias and his group of Spanish entertainers, and Cabrillo's orchestra.

Following the dinner fifty-nine candidates were initiated, bringing the Parlor's total membership to 631, the third largest in the Order. The ritual was exemplified by the following: Grand Secretary John Regan, president; Grand President Wayne Millington, junior past president; Past Grand President Eldred Meyer, senior past president; Grand First Vice-president Raymond Williamson, first vice-president; Grand Second Vice-president Richard McCarthy, second vice-president; Grand Trustee Walter Odemar, third vice-president; District Deputy Robert Ziegler, marshal; Grand Trustee Bernard Hiss, inside sentinel; Grand Organist Roger Johnson, pianist; Supervising District Deputy Woodrow Wade and District Deputy Willard Allen, assistant marshals.—C.M.H.

every Parlor of the districts to present candidates. "With any degree of cooperation," he says, "these joint initiations will add greatly to our numbers. . . . Consider the value of a much larger Order; its prestige and the power its numbers would wield."

The dates and the places of the initiations scheduled for the near-future are: September 23, Redwood City; September 29, Bakersfield; September 30, Merced City; October 1, Fresno City.

There are thousands of fine eligibles just waiting to be extended an invitation to join The Native Sons of the Golden West. Be a recruiter—extend the invitation today, not tomorrow!

Admission Day at San Jose.

San Jose—San Jose No. 22 and Observatory No. 177 will observe Admission Day at a social hour, with dancing and refreshments, the evening of September 9. Members of San Jose No. 81 and Vendome No. 100 N.D. will be honor-guests.

Plans are also under way for the four Parlors to sponsor the two local USO huts for the day, furnishing refreshments to all servicemen visiting California's first state capital on the state's birthday. It is expected, too, that a prominent Native Son will address the 7,000 employees of a large defense plant at Sunnyvale during the luncheon period of Admission day.

The joint committee in charge of details includes Supervising Deputy John R. Sullivan, Lawrence T. Paradiso, Dan J. Higuera, Ernest Lorentz Jr., Harold Semichy and Vincent Badalante of San Jose, and Walter Klein, Jesse M. Waterman, Clarence H. Leese and Louis O. Normandin of Observatory. Local Native Sons plan to invite the Grand Parlor to hold in San Jose the first statewide celebration of Admission Day after the war.

SEPTEMBER 9 WILL WITNESS THE official starting of the United States Treasury Third War Loan drive. Because the selected date is Admission Day, the ninety-third birthday of the State of California, The Native Sons and The Native Daughters of the Golden West have been accorded the privilege of inaugurating the bond drive in Los Angeles. Members of the Orders are urged to purchase a maximum amount of the bonds on Admission Day, and to stimulate a similar investment by friends and associates.

Victory House, in Pershing Square, will be reopened, and a program of merit, sponsored by the Natives, will be presented there from 2 to 4 in the afternoon. Sheriff Eugene W. Biscailuz has been selected as chairman of the day, and the cochairmen are Grand President Mary Noerenberg of the Native Daughters and Grand President Wayne Millington of the Native Sons.

"By the purchase of victory bonds," says Chairman Margaret Ann Kerr of the N.D.G.W. Grand Parlor War Activities Committee, "not only do we fittingly acknowledge the heritage which is ours and contribute towards its preservation, but we evidence abiding faith in the ideals upon which our country is builded and in the future of our state."

SERVE CAPACITY CROWD SERVICEMEN.

Los Angeles—Grand Trustee Anne Schiebusch was honored at a tea given by Los Angeles Parlor No. 124 N.D.G.W. at the Beverly Hills home of Mrs. Lucile Bullard August 8. Presiding at the tea table were Mrs. Earl Osborn, Florence Grass, Teresa Wright, Supervising Deputy Eugenia Smith and Deputy Hazel Corbett.

Among the more than a hundred who enjoyed honoring Miss Schiebusch in Mrs. Bullard's charming home and garden were her many friends among the Native Daughters; her associates of the postoffice; Grand Trustees Walter Odemar and Bernard Hiss of the Native Sons and their wives; Clarence E. Noerenberg and

Mr. and Mrs. Clarence M. Hunt. The afternoon was planned by Grace Norton, who was assisted by Olive Hedges, Ella Steinbeck, Rose Hughes and Evelyn Howell.

August 14 a capacity crowd of United States Army and Navy men were served coffee and sandwiches at a downtown USO by a delegation of Los Angeles' members headed by Ella Steinbeck. The Parlor's September program includes: 15th, whoopee party, in charge of the hospitality committee. 25th, homeless children sewing club, at the home of Mrs. Caroline Henderson, 1243 West Eighty-first Street.

Native Daughters of the Golden West

MARY B. NOERENBERG OF LOS ANGELES, Grand President of The Native Daughters of the Golden West, has addressed the following "First Call To Action" to the officers and members of all Subordinate Parlors:

"Faith Without Works Is Dead!"
 "Special observance of Founders' Day—the fifty-seventh birthday of The Native Daughters of the Golden West, founded in the homes of California September 25, 1886,—will be inaugurated. It is hoped that September 25th will henceforth be a red letter day of service to our homes, upon which our State and Nation are built,—a day that will climax a special contribution of effort and devotion and sacrifice, a day that will fulfill some particular need of that particular time. What greater tribute to our Founders, or what more appropriate measure of appreciation of our heritage could we offer? By this observance, we truly evidence our faith in the even greater future of our State and Nation."

"We, the Native Daughters of the Golden West, wish to dedicate this Founders' Day to the oldest branch of the armed services by responding to the call: Release a Marine to drive that tank, man that gun, down that plane."

"Such an opportunity has come to The Native Daughters of the Golden West—an opportunity unique in the annals of our Order. Your Grand President asks the cooperation and active aid of every Native Daughter in its fulfillment. No one is exempt from this service—all can qualify, all can participate. It is your opportunity for personal service."

"The United States Marine Corps has honored the Native Daughters by requesting of us, in a statewide effort, to bring them a platoon of young women, native born, to enlist as marines. If you happen to know any real marine, you know what a real compliment that is. These feminine marines will not belong to an auxiliary force, but will receive the identical remuneration, benefits, facilities, and even the coveted name of marines."

"Upon the United States Marine Corps will devolve much of the initial hazard which lies ahead as America and our Allies restore civilized intercourse across the Pacific. No other State is more vulnerable; no other State is more concerned in an early victory in that unprecedented undertaking; no other State holds within its borders as much war production activity for the great arsenal of democracy. The United States Marine Corps requires its full manpower to perform its task throughout the world. All able marines must be relieved for combat duty. As women, throughout history, we have never failed to rally and respond when the need was established. THAT NEED IS HERE AND NOW. The promptness with which we comply will not only shorten the war and reduce the casualties immeasurably, but the probabilities of drafting married men will be materially lessened, families will remain intact, and juvenile delinquency reduced. How fitting is our rededication to the preservation of our homes that we respond to this call, culminating on our Founder's Day."

"You will immediately make detailed and definite arrangements to encourage and interest young women in applying for enlistment. If you have seen the alert, purposeful young uniformed

women 'regulars,' your pride must already have aroused your enthusiastic cooperation. This is a double service—an opportunity for training and experience otherwise unobtainable for the daughters of California, plus a service to our country in her time of need.

"Many of us cannot qualify for age or other reasons. However, each one can assist in recruiting at least three young women to be sponsored by each and every Parlor. The enlistee need not necessarily be a member of The Native Daughters,—although we hope eventually she will be—but in this platoon of the United States Marine Corps Women's Reserve it is their desire that all be born in California. However, we also wish you to record and report to us all other possible enlistments through the Marine Corps these special efforts of other residents of our state born elsewhere. They too are very essential. Qualifications: United States citizen; between 20 and 36 years of age; minimum of two years of high school; sound physical condition; at least five feet tall and ninety-five pounds in weight; if married, no children under 18 years of age; of good character. Those accepted will receive full pay of the Marine Corps."

"The facilities of the United States Marine Corps at their nearest recruiting office await your call, to render every assistance. Descriptive booklet containing details incidental to recruiting and opportunities for service may be obtained. Proceed at once. There must be no delay. You need not await radio invitations, nor speakers who also will come to you from the above recruiting office upon invitation. THE TRAIN IS READY for the special platoon. Our Country has issued this call to us. No true Native Daughter will fail to assist. If you encounter any delays or obstacles, please let me know."

The drive will begin September 1 and close September 26.

and Walter Heitz becoming the respective presidents. The ceremonies were preceded by a supper.

Grass Valley—Lucius S. Duval, a charter member of Quartz No. 58, died August 14 at Sacramento City, survived by his wife and a son. He was born at Grass Valley, March 28, 1866.

Colusa—Colusa No. 69 was host to Fred H. Greely Assembly No. 6 Past Presidents Association, August 12, at a largely attended meeting, which was followed by refreshments. Tony Casci was elected governor, and John Gilbert was chosen delegate to the General Assembly. Plans for a group initiation at Marysville, November 17, were discussed. At that time the ritual will be exemplified by Grand President Wayne R. Millington and other grand officers of the parent Order.

Los Angeles—District Deputies Association No. One is encouraging the institution of parlors in the San Jacinto-Hemet district of Riverside County and the Oceanside district of San Diego County. Deputies Leonard Schwacofer and A. P. Nasatir are attending to the preliminaries in the respective localities.

C. F. Irish, the recording secretary of Georgetown No. 91, has faithfully filled that important position fifty-two years. The Parlor was instituted August 27, 1886, and he was elected the charter past president. But two of the charter members are left, W. S. Poor and Irish. His parents came to California via Panama in the '50s, married in El Dorado County in 1857, and he was born April 5, 1858, in the county, where he has continuously resided.

San Bernardino—In recognition of Admission Day Arrowhead No. 110, in conjunction with Lugonia No. 241 N.D. is sponsoring a watermelon feast for the evening of September 8. District Attorney Jerome B. Kavanaugh, the speaker of the occasion, will tell his auditors about "California." Arrowhead's Admission Day committee includes Fred A. Ward, chairman, Avery Anderson, Joseph E. Rich, John J. Cadd and Roy B. Finkle.

Ventura—In observance of Admission Day, September 9, Cabrillo No. 114 will take full charge of the program at the dedication of the Ventura County Victory House. The Parlor has 145 members in the country's armed forces, and it plans to send each of them, whether at home or overseas, a Christmas box and card.

IMPORTANT—In addressing mail to Berkeley, Fresno, Glendale, Long Beach, Los Angeles, Oakland, Pasadena, Sacramento, San Francisco, San Diego, San Jose and Stockton be sure to always include the postal zone number of the party addressed, and thus facilitate delivery.

Santa Barbara—Santa Barbara No. 116 had as guests August 19 Grand Trustee Walter Odegar, Supervising Deputy Woodrow Wade, District Deputy John Johnston and President Oliver Kent of University No. 272 (Los Angeles). At the well-attended meeting which followed a Spanish dinner and entertainment, officers of the Parlor, with Tom McDermott as president, were installed by Supervising Deputy Wade. During a talkfest in which all the visitors and others participated, Recording Secretary Harry Sweetser guaranteed at least ten candidates for initiation in October.

Santa Ana—Santa Ana No. 265 initiated three candidates August 16. Grand Trustee Bernard Hiss will officially visit the Parlor September 20.

No applications, no new members to fill the ranks! Today's responsibility of every member of The Native Sons of the Golden West is to contact eligibles. Don't leave this important duty for "George" to perform!

Taft—The first official visit of Grand Trustee Charles Blaine was made to Taft No. 276, August 17. Also in attendance were Supervising Deputy Woodrow Wade, and District Deputies John Johnston and William Wheat. Two new names were added to the Parlor's membership roll, and Taft will have several candidates for the Bakersfield group initiation September 29. Previous to the meeting there was a dinner.

Anaheim—On recommendation of Treasurer Fred Backs, Mother Colony No. 281 decided August 3 to invest \$500 in a war bond. President James Tufree entertained with movies after the meeting.

San Bernardino—Arrowhead Assembly No. 14 Past Presidents Association will have a dinner-meeting September 19 at the Rolling Hills home of Joseph Denni. At that time delegates to the General Assembly, which meets at San Francisco in October, will be elected.

LET EXPERTS GROW GARDEN SEED.

The United States Department of Agriculture does not recommend saving seeds from plants in victory gardens for use next year. It is better for amateurs to depend upon commercial seed produced under controlled conditions by experienced growers. The best commercial seed growers take precautions to insure against mixtures and to insure that the seed shall be clean and true to variety. For most crops this requires experience, skill and natural conditions not available to the average home gardener.

The San Francisco Municipal Band will lead the Natives' division.

The evening of Admission Day, September 9, the San Francisco Parlor will have open house and a grand ball in the Civic Auditorium. District Deputy Victor DeGanna, assisted by James Stanley and Deputy Grand President Lewis Giegerich, installed the officers of California Parlor No. 1 N.S.G.W., with Armen M.

Nishkian as president, July 22. During the evening an interesting talk was given by Lieutenant Beth Veley, U. S. Army nurse, on her escape in a submarine from Corregidor at the time of the Jap invasion.

Officers of Pacific Parlor No. 10 N.S.G.W. were installed jointly with those of Portola Parlor No. 172 N.D.G.W. District Deputy William Keame, who officiated, was assisted by Harry Romick and Edwin Smith, and Hugh Earl Ryan, a son of Grand Vice-president Emily Ryan of the Native Daughters, became the new president. Also present were Grand Trustee Thomas Ryan, Supervising Deputy Emmet Chapman and Deputy Grand President Lewis Giegerich.

Charles Henry Connell, born at San Francisco, June 9, 1855, died August 6. He was a charter member of Golden Gate Parlor No. 29 N.S.G.W., which was instituted May 2, 1884.

Albert Berryessa became the president of Mission Parlor No. 38 N.S.G.W. at the installation of officers conducted by District Deputy Victor DeGanna. Grand Inside Sentinel Raymond McGrath and Deputy Grand President Lewis Giegerich were among those present. A buffet supper was served after the installation.

Officers of Orinda Parlor No. 56 N.D.G.W., with Mrs. Edna Maggi retained as president, were installed by Deputy Mary Mahoney, who was assisted by Past Grand Presidents Claire Lindsey and Orinda Giannini. Refreshments were served, and the birthday children were honored. August 24, Orinda celebrated its fifty-third institution anniversary at a banquet at which the charter members were guests of the Parlor. Blanche Foppiano was chairman of the affair. Members are very busy sewing for a bazar.

Buena Vista Parlor No. 68 N.D.G.W. entertained several servicemen at a July 29 party. A bevy of pretty young girls, in formals, helped to make the evening more enjoyable for the boys with dancing, songs and games. A buffet supper was served, and each guest was presented a gift. Margaret Barrett was chairman of the evening. Sophia Pendergast had charge of the August 19 social evening at which games were played and refreshments were served.

Dolores Parlor No. 169 N.D.G.W. initiated five candidates August 11. During a recess Sergeant Walter Mails addressed the assemblage and appealed to the younger members to join a Marine Corps platoon that will be composed of California-born women, thereby releasing men for combat duty. After the meeting the officers of the drill team, with Mary Hennessey as chairman, were installed by Helen Lunny at impressive ceremonies planned and directed by Past Grand President Evelyn Carlson. The August birthday girls were honored, and presented gifts by President Mary Hyland, and refreshments were served. WAYNE R. MILLINGTON

GRAND PRESIDENT OF THE

NATIVE SONS OF THE GOLDEN WEST

BY PROCLAMATION HAS DECREED

THURSDAY, SEPTEMBER 9, 1943

"ADMISSION BOND AND STAMP DAY"

"No more emphatic tribute to the Cause of our Country in Arms could be carried out on that colorful day in California history than for every Native Son to dedicate himself to all-out cooperation with the aims and purpose of America Embattled.

"I summon every son of California, not already in the Service of the Flag, to enlist his Pocketbook in the Great Fight to make this world a true haven of the Four Freedoms—of religion, of speech, from want and from fear.

"In memory of that day in the autumn of 1850, when California came into the family of the Nation, 'full-armed and without territorial childhood,' I plead that every member of our great Order of Native Sons salute the valor of the pioneers by purchasing Bonds and Stamps for himself and his family. In this way we will most fittingly observe the 93rd anniversary of our Statehood and render tribute to the memory of that gallant Company that met in Colton Hall, Monterey, in September 1849, and held the first Constitutional Convention that led to glorious fulfillment on September 9th, 1850."

SAN FRANCISCO

THE CELEBRATION OF ADMISSION Day, September 9, in San Francisco, although limited in scope, due to war conditions, was, nevertheless, enthusiastic. The main feature was a parade, sponsored by the War Finance Committee of Northern California, opening the United States Treasury Third War Loan drive. The Native Sons and The Native Daughters of the Golden West, the only civilian organizations asked to participate, added color to the United States armed forces' display of war might. Cheers from thousands of onlookers greeted the paraders as they moved up Market Street from the Embarcadero to the Civic Center.

Starting at 10 a.m. of September 9 Native Sons and Native Daughters sold war bonds and stamps at a downtown department store, and the sales for the day totaled \$553,000. Various Parlors entertained individually at luncheons, receptions and dances during the afternoon, and the observance of California's ninety-third birthday as one of the United States of America concluded with a grand Admission Day ball at the Civic Auditorium. In attendance were approximately 6,000, many of whom were servicemen who had been extended a special invitation to be guests of the Natives.

HALF-CENTURY ANNIVERSARY OBSERVED.

San Francisco—Approximately a hundred members of The Native Sons of the Golden West celebrated at a reunion dinner the eve of Admission Day, September 8, the fiftieth anniversary of the founding of the N.S.G.W. Hall Association of San Francisco. Of the original thirty-six founders, but two survive, Joseph B. Keenan, now president, and Adolph Eberhart, secretary over the fifty-year period.

Mission Parlor No. 38 N.S.G.W. made a colorful unit in the Admission Day parade. Heading the aggregation was Grand Inside Sentinel Raymond McGrath. Sheriff Dan Murphy, President Alfred Berryessa and Past President Bill Wilkie carried, respectively, the United States of America Flag, the California State (Bear) Flag and the Parlor banner.

At elaborate ceremonies October 26, El Dorado Parlor No. 52 N.S.G.W. will be consolidated with Stanford Parlor No. 76 N.S.G.W. Grand Trustee Walter Odemar, to whose visiting district both Parlors were assigned, will pay his official visit at that time.

In a vehicle of the early nineties vintage, members of Buena Vista Parlor No. 63 N.D.G.W., in costumes of that period, rode in the Admission Day parade opening the fifteen-billion-dollar bond drive. September 16 the Parlor had a party dedicated to the pioneers, and the members were attired in appropriate costumes. A musical and historical program was presented, and refreshments were served. Lillian Dowling was chairman of the occasion. Buena Vista is planning a Christmas party for servicemen on the home-front, and packages of gifts are being prepared for those overseas.

Las Lomas Parlor No. 72 N.D.G.W. will have a reception honoring Grand Vice-president Emily E. Ryan at the Native Daughters Home, October 3, 1 to 3 p.m.

Commemorating California's statehood, Stanford Parlor No. 76 N.S.G.W. had a reception September 9 to which the womenfolk were invited. September 26 the Parlor had its annual picnic at San Anselmo, Marin County. In charge of arrangements were Raymond Arata, John O'Brien, Arthur Poheim, Grand Trustee Webster Nolan, Noble Andre, Layton Riley, Francis Donohue, Ernest LaFrenz, Al Groskoff and Bill Pimentel.

The officers of National Parlor No. 118 N.S.G.W., with Wm. D. Jorgensen as president, were installed by Supervising Deputy J. Emmet Chapman, who was assisted by Deputy Grand President Lewis A. Giegerich and President Hugh Ryan of Pacific Parlor No. 10. Frank Buckley referred to the fact that National is unique, in that it meets in the parlor of a large old home at 1160 Eddy Street that it now owns. Past Grand President Jesse Miller was a speaker also, and a very elaborate buffet dinner was served.

UNITED STATES MARINES READY AND WILLING TO MEET JAPS' CHALLENGE

Oakland—Two hundred and fifty-six Californians enjoyed the Admission Day civic banquet sponsored by The Native Sons and The Native Daughters of the Golden West of Alameda County September 9. Arrangements were made by a joint committee with these officers: Les Ashworth, Estudillo Parlor No. 223 N.S.G.W., chairman; Isabel Martin Snediger, Bahia Vista Parlor No. 167 N.D.G.W., cochairman; Irma S. Murray, Aloha Parlor No. 106 N.D.G.W., secretary; Richard M. Hamb, Piedmont Parlor No. 120 N.S.G.W., treasurer.

Richard F. McCarthy, Grand Second Vice-president N.S.G.W., was the master of ceremonies. The colors were presented by the United States Marine Corps, and the assemblage sang "The Star Spangled Banner," led by Charles Fredericks, and recited the pledge of allegiance. Greetings on behalf of the County of Alameda and the City of Oakland were extended, respectively, by Supervisor Harry Bartell and Mayor John F. Slavich.

Speaking on "California and the Marines," Lieutenant Colonel Ralph E. West remarked: "The 'sons of heaven'—using Japanese and not Marines terminology—have boasted that they will occupy California. The Native Sons and the Native Daughters of the Golden West, like all true Americans, can be depended upon to meet that challenge. And you may rest assured that the Marines are ready and willing to take the lead again in preserving and defending California for the Americans as they did almost a hundred years ago. Thank you, Sons and Daughters of the Golden West, and congratulations upon your fine leadership and your most valuable war efforts."

"As the representative of General DeWitt," said Major General Fulton Q. C. Gardiner of the United States Army, "I extend to you his congratulations on this most pleasurable occasion and his best wishes for your continued success and welfare. I trust that you may all have the satisfaction, in the not-too-remote future, of having ringside Pacific Coast seats at the concluding acts of the great drama, 'The Tragedy of the Land of the Setting Sun'." Captain Herbert E. Kays extended greeting on behalf of the United States Navy, Joseph R. Knowland, Past Grand President N.S.G.W., delivered an address on "Admission Day," and all joined in singing "I Love You, California."

Led by Past Grand President Claire Lindsey, members of Golden Gate Parlor No. 158 N.D.G.W., gowned in green and white formals with green boleros, appeared in the September 9 parade that opened the third war loan drive in San Francisco. The drill team, captained by June de Ganna, also participated. Following the parade all assisted in the sale of bonds and stamps. As September 9, 10 and 11 were designated Native Daughters and Native Sons days at the Red Cross Blood Procurement Center, several members donated blood, some for the third and fourth times. As has been the custom for some time, children in Ward 17 of San Francisco Hospital were visited on California's birthday by the Parlor's welfare committee and remembered with cakes and picture books.

The drill team of Dolores Parlor No. 169 N.D.G.W. made a creditable showing in the Admission Day military parade. Many members visited the blood bank after the parade, and also assisted in the sale of war bonds and stamps. Emma O'Meara recently entertained the drill team members at her home. A beautifully decorated cake conveyed congratulations to the honor-guest, Private Clara Hart of the Marine Corps, and delicious refreshments were served at attractively decorated tables. Those present were: Past Grand President Evelyn Carlson, sponsor, Mary Hennessey, Betty Michie, Mary Hyland, Winifred Gibson, Zelda May, Juanita Moran, Adeline McLaughlin, Vivian Brown, Clare Haughey and Helen Lunny.

Castro Parlor No. 232 N.S.G.W. September 7 had a little celebration of Admission Day for its members. Entertainment was provided and refreshments were served.

San Francisco Assembly No. 1 Past Presidents Association N.S.G.W. will be represented at the meeting of the General Assembly in San Francisco October 16 by the following: Governor Henry C. Storti, Junior Past Governor Victor H. DeGanna, and Delegates Peter T. Conmy, Louis J. Peter, James W. Brady, J. Emmett Chapman, Raymond Conroy and Lloyd J. Doering.

He called attention to the rugged Sierra and the lush valleys of California, and pledged the united efforts of officers and members of the Parlor to give to the organization "men to match our mountains." He surrendered the gavel to Supervising Deputy Wade, who introduced Superior Judge Ruben Schmidt, and he garnered \$32 for the homeless children project. Other speakers were District Deputy John Reid of South San Francisco Parlor No. 157 (San Francisco), James G. Whyte, Sheriff Eugene Biscailuz, Grand Trustee Hiss, Past Grand President Eldred Meyer, James J. Dignan of Piedmont Parlor No. 120 (Oakland), Grand Secretary Regan and Grand President Millington. The latter urged the Parlor to take an active interest in all civic affairs and thereby become an asset to and a power in the community.

Gifts to Los Ranchos from the following Parlors were announced by Grand Trustee Walter Odemar: Los Angeles No. 45, Holy Bible; Ramona No. 109 (Los Angeles), map of California; Arrowhead No. 110 (San Bernardino), charity box; Hollywood No. 196 (Los Angeles), gavel; Santa Ana No. 265 and Mother Colony No. 281 (Anaheim), altar flags; Santa Monica Bay No. 267, state seal; University No. 272 (Los Angeles), altar drape; East Los Angeles No. 277, ballot box. Ontario Parlor No. 251 N.D.G.W. sent a bouquet with well wishes, and messages of greetings were received from Cabrillo Parlor No. 114 (Ventura) and Grand Historian Peter T. Conmy. A vote of thanks was given Secretary Homer Duffy of the Pomona Chamber of Commerce—not a native Californian—for his valued assistance in organizing the Parlor.

Also introduced were Deputies Milton Eisenhart, Ludwig Trinajstich, John Johnston, Ralph Chaffee, Clarence M. Hunt, Elmer Hoiem, Roy

DIVIDEND FROM U. S. WAR BONDS WILL BE FREEDOM

San Francisco—The September 9 "Your Government" program of Radio Station KJBS was dedicated to The Native Sons and The Native Daughters of the Golden West and the beginning of the United States Third War Loan drive. Opening the program, Past Grand President Joseph J. McShane, moderator and coordinator, said:

"Today we hasten to follow the leadership of the President of the United States, who has proclaimed the facts and the necessity for the third war loan drive for fifteen billion dollars. The amount required is without consequence, considering the cause involved. Oversubscription is more than guaranteed. The Native Sons and the Native Daughters of California subscribe from their hearts and from their pocketbooks. They know there is no greater cause.

"Ninety-three years ago today California joined the Union. Became another member of the family of states and began the march to her present stature as a leader of states. This day California dedicates herself to leadership in the campaign to raise fifteen billion dollars for the cause of victory. Our share is but a fraction of the spirit that now impels America. The Native Sons and The Native Daughters of the Golden West spearhead this drive for funds for Uncle Sam. And may his bleeding sons, on worldwide battlefields, know that we sustain them as loving parents sustain their own.

"California brought to the Union all her rich inheritance of land and forest and stream and mine, Nature's treasured gifts. But California brought something more. California brought to the Union the culture, the talent and the resourcefulness of many people—men and women from many lands, people of every faith. True to the spirit of democracy, in which we are all equal, they worked together, lived together and built together a mighty commonwealth. From their labors has come this great State of California, whose birthday we celebrate today.

"And on this day President Roosevelt has formally launched the third treasury loan drive. We are a sufficiently practical people. We back up with money that which is sound. Nothing could be sounder or more appealing than the blood expended by our fighting men. Invest in them and your dividend will be FREEDOM."

Grand First Vice-president Raymond D. Williamson was then introduced, and remarked as follows:

"The Native Sons and Native Daughters of the Golden West deem it a great honor to spearhead

Oh ye who have lost the way?
Would ye have young heart, though your

PATIENCE REQUIRED

Since the 1st day of April 1943, 94 children have been placed for adoption; 391 applications have been received; 69 adoptions have been completed.

Due to the very long list of childloving, childless men and women, patience is required of all who now apply.

HAPPINESS

Letters pour in every day to the Central Office telling of the happiness the little strangers have brought to the families. Here's one:

"The account of our daughter's wedding was printed in the ————. I trust that you found it as satisfactory as ourselves. Her sister said, 'I have seen a good many brides and never one so beautiful as D. She looked like a little Danish princess that some silver company advertises.'

"I suppose that all parents think it wise to wait 'just a little longer,' but these children have always been so sure of themselves and radiantly happy we can only be completely satisfied with their marriage. D is a very capable girl, has done exceptionally well in her chosen work. She is rather small, but sturdy, and her sweetness and generosity could almost have been a weakness had it not been tempered with common sense always.

"You would love her husband, too. He is a fine boy. By that I mean that he has true dignity and kindness and is uncompromising toward anything cheap or false. We were proud of him and his best man in their new 'blues' and service stripes and wings. The more than twenty years have gone so fast and D has given the greatest happiness to all of us. Do not feel obliged to answer this letter. We wanted the Native Sons and Native Daughters above everyone else to know something of this wedding."

the attack on the homefront, and initiate throughout the State of California on this, the ninety-third birthday of the great State of California, the third war bond drive. The Native Sons and The Native Daughters organizations are fundamentally patriotic in their purposes and ideals.

"We feel it a distinct privilege to join with the people of the United States in casting a die that, we hope, will end the present war and the causes, as well as the seeming necessity, for any future wars.

"Grand Presidents Wayne R. Millington of The N.S.G.W. and Mrs. Mary Noerenberg of The N.D.G.W. issued a proclamation to all Native Sons and Native Daughters, directing them to devote this, their day of celebration, in lending every effort to bring this war to a successful and a sudden close by going all out for victory. The greater the speed with which the third war bond campaign is successfully put over, the better equipped, fed and clothed will be our fighting men.

"The Native Sons and the Native Daughters of the Golden West today renew their pledge of faith in our Government, and ask every man, woman and child to buy the limit of bonds."

Other speakers were Past Grand Presidents Seth Millington and Hartley Russell, Superior Judge Peter J. Mullins of Castro Parlor No. 232, Grand Trustees Thomas C. Ryan and Webster K. Nolan, Superior Judge Alfred T. Fritz of Stanford Parlor No. 76 and Municipal Judge Frank Dunn of Golden Gate Parlor No. 29 of The Native Sons, and Grand Vice-president Emily Ryan of The Native Daughters.

JAP TEACHERS AND SHINTO PRIESTS OFFICIALS OF JAPANESE IMPERIAL GOVERNMENT

DR. JOHN R. LECHNER

ONE OF THE MAJOR INTERNAL PROBLEMS arising out of the present conflict is the Japanese problem. Its social and economic implications make the solution not only difficult, but make a satisfactory solution imperative.

The factors involved in such a solution relate themselves not only to the conduct of the war at home, but likewise involve principles of government which are basic to American democracy. In other words, a solution of the Japanese problem must not only be in keeping with the requirements for national security in time of war, but must not jeopardize established American attitudes towards minority groups or race segments within our population.

The facts dealing with the first phase of the problem are well known to those who have made a careful study of Japanese activities prior to Pearl Harbor. The real difficulty lies in the lack of dissemination of this knowledge, otherwise a number of powerful national civic and religious organizations would approach this problem with more caution. The steps taken with both the alien Japanese and the Japanese-Americans must be in harmony with the facts at hand dealing with subversive activities of the Japanese and must be in keeping with the realistic conduct of the war abroad against the ruthless forces of the Japanese Empire. Any course other than to adopt adequate measures for the protection of life and property at home during the war crisis would mean double-dealing with our sons who are meeting the Japanese on the combat fields.

The most fundamental factor requiring our serious consideration is the influence of the Japanese-language schools and the Japanese homes on the boys and girls born in America of Japanese parents. Few, if any, Japanese-Americans escaped this influence in their youth. More than 95 percent of all Japanese-American children attended language schools. It is axiomatic in the study of sociology that the influence over youth leaves its impress for life in most cases.

The Japanese-language schools were activated by two primary motives. One, to teach the Japanese language and Japanese culture, and the other to indoctrinate youth with the unique philosophy of Japanism. A study of some of the text books used in these schools shows conclusively that the Japanese youth were taught to respect the divine mission of the Yamato race to dominate the world and were given the elements of emperor worship. Taught by Shinto priests and Japan-trained teachers, the spirit of Japanism has been embedded so deeply into many Japanese-Americans that it would be difficult to eradicate it. As a matter of fact, many Kebei who have had every opportunity of learning to appreciate American idealism have reverted to the attitudes of their youth when presented with a crisis at the relocation centers. How many of the Japanese-Americans who declared they would uphold the American principles made this move as an expedient, is a matter of conjecture. Inside records of the War Relocation Authority will reveal the amazing fact that many Japanese-Americans were willing to declare that they would uphold American principles but refused to declare that they would renounce the Japanese Emperor. This precipitated the great controversy over the famous question "number 28," which had to be reconstructed by the WRA to eliminate reference to the emperor.

If any doubt is held regarding the function of the language schools to indoctrinate Japanese-Americans, that doubt should be dispelled by the action of the Imperial Government itself, when in February 1941 it declared in a special edict for the Overseas Association that "henceforth, all Japanese-language schoolteachers and all Shinto priests shall be considered officials of the Japanese Imperial Government." This is an open admission that the Japanese-language schools were an integral part of the propaganda structure erected by Japan to prepare her people at home and across the seas for a total war for which the empire had been preparing five decades.

Commonsense would lead the informed to conclude that Japan has not been interested in the Japanese youth of America for altruistic or cultural reasons alone. Japan's ulterior motives in her control over the education of Japanese-American citizens became more apparent and gave cause for serious concern to this government as we reached a crisis in international relationship. It

Dr. John R. Lechner, Executive Director of the Americanism Educational League, spoke before the N.D.G.W. Grand Parlor in Santa Cruz on the Japanese problem. Keen interest was evidenced in his enlightening message, and many suggested that additional information be made available to the general membership. Therefore, at the request of the State Legislative Committee of The Native Daughters of the Golden West this article was prepared by Dr. Lechner for publication in The Grizzly Bear Magazine. IT IS URGED THAT IT BE READ AT THE NEXT MEETING OF EACH AND EVERY PARLOR OF NATIVE SONS AND NATIVE DAUGHTERS OF THE GOLDEN WEST.—Grace S. Stoermer, N.D.G.W. State Legislative Chairman.

is not possible, nor essential, to relate any cases in the archives of the F.B.I. or the U. S. Army Intelligence which show espionage activities among the Nisei. The bold statement of Japanese officials themselves, indicating how they expect to use the Nisei in the conduct of the war, is enough to convince the most skeptical that no federal or local agency could determine who among the Nisei would remain completely loyal to the United States, under duress.

An amazing booklet called "The Future Road of the Nisei" was distributed among Japanese leaders in California early in 1941. One copy, intercepted at El Centro, was sent to Washington for study. The booklet, printed in Japan in 1940, carried the official endorsement of General Sugiyama, Japanese imperial army chief of staff, and Tokashi Zuzuki, director of the Kinmon Gakuin, one of the leading Japanese-language schools in San Francisco.

Excerpts from this frank appraisal of the role of the Nisei in America on behalf of the Japanese government will suffice to demonstrate further the alarming extent to which the Japanese government actually wielded control over young American citizens of Japanese extraction:

"Several hundred lectures have been delivered on the China incident by Nisei in America. Many Nisei also returned to Japan with a mass of material collected in California. The role of Nisei at the present moment is of utmost importance. Nisei always take the leadership. In the world where English-language newspapers and magazines are most influential, the Nisei are in an excellent position to do their share. We have seen to it that they shall be well prepared for their task."

Perhaps the most concrete illustration of the supervisory functions exercised by the Imperial Government over Japanese-Americans is the development of the Kebei organizations on the coast. The name connotes an American citizen of Japanese extraction who has spent a period of his youth in Japan proper. The Japanese Association of Los Angeles in 1938 admitted that there were approximately 20,000 Japanese-Americans from Hawaii and the Mainland in Japan at that time and expressed great concern over the criticism being directed at the Japanese colony because of the great number of youth involved. The Japanese government itself incurred all expenses of these trips to the homeland.

If this were purely a matter of offering an opportunity for contact with Japanese culture, the action of the Imperial Government would have been admirable. However, as we have learned from a hundred sources since Pearl Harbor, the underlying motives were ulterior. The Japanese youth were subject to the most scientific indoctrination of a national philosophy in modern history, comparing in all of its phases with the indoctrination program of Nazism.

The War Relocation Authority will admit that the most disturbing elements in the relocation centers are the Kebei. The shameful riot at Manzanar, for example, was instigated through such vitriolic meetings as that held August 8, 1942, at Manzanar under the joint sponsorship of the Kebei and Issei block leaders. Such treasonable statements as that made by Masaji Tanaka helped to fan the flames of hatred for this nation and certainly gives us every reason to consider frankly, and without emotion, the powerful influences exercised by Japanese propaganda over thousands of Japanese-Americans. He said:

"I am a Kebei-Nisei, but the Kebei-Niseis are not Americans; they are Japanese. The Kebeis are not loyal to the United States and they might as well know about it! But the Kebeis should use their citizenship rights for their own benefit. I cannot understand why there are a few

Nisei who still talk about their citizenship rights, and about American democracy."

Late in 1940 the Japanese government held a special conference in Tokyo for the benefit of some 900 Kebei who were chosen as delegates by Japanese consuls. The Japanese War Council outlined in detail its plan of attack on the Dutch East Indies and related step by step the methods to be used in the program of aggression. The Hawaiian Sentinel carried special stories on the fifth column structure which was outlined for these delegates, in order to enlist their support of Japan's greater Asiatic program. Although these delegates were American citizens, it is most significant that not one of them revealed Japan's campaign of aggression to the Government of the United States. Here again we have a graphic illustration of the stranglehold exercised over the Nisei by the Japanese officials.

Two dangerous subversive groups organized in the United States by representatives of the Black Dragon Society numbered among their members hundreds of Japanese-Americans, many of whom will never be identified. They were the Japanese Military Servicemen's League, with 7,200 members, according to a report submitted to this government by Senator Guy M. Gillette, and the Imperial Comradeship Society, with a membership of 4,800. According to information submitted to this government, each member of these two groups was sworn to die for Japan, if necessary, in the culmination of her Asiatic policies.

These organizations were prepared to serve as sabotage agencies and were characterized by espionage activities. As a matter of fact, the Navy Building in Tokyo, which is a full block long and a block wide, has devoted three complete floors to vital military information on the United States and Hawaii. These floors contain nearly one million files on American industries, railroads, shipping, harbors, highways, airports, organizations, etc. The Japanese government offered a standing bonus to the Kebei and to her traveling students as a lure for their cooperation, and the size of the bonus depended upon the importance of either the information or the photograph provided by these fifth column agents who were receiving the hospitality of America, either as students or as citizens. These two organizations were carefully directed to assist in the Japanese war plan. Together they raised hundreds of thousands of dollars in 1941, which passed through the Yokohama Specie Bank in San Francisco, directed to Japan to assist in the war effort.

The Japanese-American Citizens League, which today serves as a front for the Japanese-American cause in Washington, was itself not above reproach. The spearhead of the Southern California division, Togo Tanaka, editor of the Ratu Shimo, admitted before the California joint committee investigating un-American activities that the Japanese-American Citizens League was aware of many of the dangerous pro-Japanese activities in California and had not reported the facts to the government. The special publication of the Japanese directory commemorating the 2,600th anniversary of the Japanese Empire, compiled by Tanaka himself, was largely subversive, according to his own confession. Representatives of this League, including Tanaka, are now leading the fight in Washington for the release of 76,000 Japanese-Americans still held in the relocation centers.

A brief recitation of the facts herein stated is intended to show that the problem of determining the loyalty of 96,000 Japanese-Americans is a colossal one, and that the test of loyalty should go far beyond the mere assertion required of them through questionnaires that internees seeking release will "uphold American institutions." In complete fairness to our own youth, who are fighting to preserve American democracy, the government can do no less than to make a complete survey in each individual case of those seeking release. We must analyze carefully the extent of the influence of the Japanese-language schools on the applicant, the influence of his parents, the influence of organizations with which he may have been associated, and we must determine how he feels about Japan's greater Asiatic policies.

Two major arguments have been used by leading church and educational groups in America advocating the unconditional release of all Japanese-Americans who have not voluntarily declared their loyalty to Japan. The first of these is a statement that the Japanese-Americans must

ADMISSION DAY, THE NINETY-THIRD anniversary of California's admittance into the Sisterhood of States, was observed in Los Angeles by members of The Native Sons and The Native Daughters of the Golden West officially starting the United States Treasury Third War Loan drive at Victory House in Pershing Square. Cochairmen of the occasion were Sheriff Eugene W. Biscailuz and Mrs. Leland Atherton Irish, and music was furnished by the Los Angeles County band, under the direction of Louis Castellucci. Sergeant Arline Flanders of the United States Marine Corps raised the Flag of the United States of America as the band played "The Star Spangled Banner," and the assembled throng joined in reciting the pledge of allegiance, led by Past Grand President Hazel Hansen.

Municipal Judge Frank Tyrrell pronounced an invocation, and, on behalf of the Native Sons and Daughters, Past Grand President Eldred Meyer presented a California State (Bear) Flag to Victory House, and it was accepted by Wm. Quinn. Entertainment was provided by Estrelita Baca, Gene Coughlin, Tito Guizar, Nancy Meissner, Antonio Morales, Maria Arias and the La Golondrina dancers.

Associate Justice Thomas P. White of the District Court of Appeal was the speaker of the day, and he concluded a splendid talk with: "In buying these bonds let us reecho the clarion call of Patrick Henry of Revolutionary times—'Give me liberty or give me death!' Let us on this Admission Day, true to the ideals of service and sacrifice that have characterized California in its glorious history, dedicate ourselves as did the Founding Fathers, and shoulder to shoulder, elbow to elbow, as citizens of a great Republic renew that pledge with which our Revolutionary Fathers closed our immortal Declaration of Independence, when they wrote 'And for the support of this Declaration, with a firm reliance on the protection of Divine Providence, we mutually pledge to each other our Lives, our Fortunes and our sacred Honor.'"

"If we are loyal and true to this pledge, if we keep the faith of our Fathers, then our sacrifices will mean that the prayer of the martyred

GROUP INITIATION FIRST BIRTHDAY PARTY

Inglewood—With Centinela No. 279 and Los Angeles No. 45 Parlors N.S.G.W. as the hosts, a group initiation of the Parlors in Los Angeles, Orange and San Diego Counties will be held here October 21 in the Women's Clubhouse, Hillcrest and Redondo Boulevards. Grand President Wayne Millington and other grand officers will exemplify the ritual.

This will also be Centinela's first birthday party, and President Howard Sellers and the other officers are putting forth extra effort to make the occasion a great success. Cochairmen Ruble Caerbert and Gordon Wells of the visiting committee are urging all Parlors to cooperate. As the result of a drive to double its membership, in which Jack Burns and President Sellers are setting the pace, No. 279 will have a class of more than twenty candidates. Leon Furon is program chairman for the big night.

Centinela had as a visitor September 17 Grand Trustee Walter Odemar, who gave an inspiring talk on the Jap question.

Pursuing its plan to have each committee sponsor a monthly luncheon, Mrs. Dexter Monroe, history and landmarks chairman, had charge of Californiana's September 14 luncheon. Miss Caroline Ellsworth was in charge of reservations. The guest-speaker, Mrs. Joshua Reed Giddings, told of her stagecoach journey to California in 1876, and Mms. Sinclair V. Carpenter and George P. Adams, program cochairmen, presented Margaret Crist, vocalist.

Mrs. Clarence E. Noerenberg, Grand President, introduced Colonel Roscoe Arnett of the United States Marine Corps, in charge of recruiting and procurement for southern California, and he spoke in behalf of the Native Daughters' recruiting drive for native-born women reserves. Colored pictures of Japan and its vast war machine, also a Marine Corps reel, were shown. The Gertrude Sewing Circle of the Parlor met September 6 at the home of Mrs. Fred LeVitt and spent the day working for the Red Cross.

Native Sons of the Golden West

ADDRESSING A COMMUNICATION TO the Subordinate Parlor's September 4, Grand President Wayne R. Millington said: "The Juvenile Welfare Committee N.S.G.W. believes there are no persons in this state capable of giving first-hand information on the causes of juvenile delinquency than the elder juveniles themselves."

"For that reason the Order of the Native Sons of the Golden West will sponsor a statewide contest in the public schools, asking the students to write articles giving their viewpoints on the subject of causes of juvenile delinquency and suggestions for its prevention."

So, a fund is being raised for the purpose of awarding prizes to winners in the various age and scholastic groups. State Attorney-General Robert Kenney of Ramona No. 109 (Los Angeles), cochairman of the Grand Parlor Juvenile Welfare Committee, has donated \$50 to the fund, and the Grand President requests each Subordinate Parlor to make a contribution of \$5. Mail check to Juvenile Welfare Committee N.S.G.W., 414 Mason Street, Room 302, San Francisco 2, California.

Doings of the Wonder-Parlor.

Ventura—Cabrillo No. 114 joined with the local Chamber of Commerce September 9 in dedicating the Ventura County Victory House and getting the current bond drive off to a good start. Superior Judge Louis C. Drapeau was the grand marshal of a parade made up principally of United States Army and Navy units, and Red Cross and civilian defense organizations, with a 150-piece navy band and a 60-piece drum and bugle corps from Camp Rousseau, Port Hueneme. Following that he dedicated the Victory House in the course of a brief address. Bond sales for the afternoon approximated \$100,000.

September 10 the wonder-Parlor sponsored a revival of boxing in Ventura, and Henry J. Oliva and Lee Putnam put on a fine amateur show. There was a good house, and about \$400 was netted. \$25 war bonds were presented the four winners. If interest keeps up, boxing matches will be staged monthly. September 25 and 26 a rodeo was held at Seaside Park. The contestants were local riders mostly and more than 1,000 tickets were sold. Ed. Hearne, Robt. Doud, Ralph Gragg, Jerry Griffin and Ben Lopez were in charge of arrangements.

Following an enchilada dinner, August 31, the officers of the Parlor, with District Attorney M. Arthur Waite as the president and John H. Morrison Sr. as the recording and financial secretary, were installed by District Deputy Henry M. Borchard, who gave a good talk on "Native Sonism." Charles Feraud was on hand with his collection box and got \$32.50 for the homeless children.

Cabrillo is making great preparations for its October 22 dinner-meeting, which promises to be another record occasion. Grand President Wayne Millington and assisting grand officers will exemplify the ritual for the benefit of a large class of candidates, Grand Trustee Bernard Hiss will pay an official visit and Robert Kenny of Romona No. 109 (Los Angeles), Attorney General of California, will be a guest.

Admission Day at Capital City.

Sacramento—Sacramento No. 3 sponsored September 9 a well-attended observance of Admission Day, to which all the Sacramento County Parlor's had been invited. The program featured an address on "The Spirit of Admission Day" by Archibald D. McDougall. Musical numbers were presented,

BOOK REVIEWS

(CLARENCE M. HUNT.)

"TALES OF THE PIONEERS."

By W. A. Chalfant; Stanford University Press, Stanford University, California; Price, \$3.00.

In the well-told tales that comprise this volume has been recorded considerable of the history of the California-Nevada border. Author W. A. Chalfant spent many years gathering the material, and much of it previously had appeared in *The Inyo Register* of Bishop, Inyo County, which he edited for fifty-five years.

Chalfant, born at Virginia City, Nevada State, has lived all his life in the high Sierra country. Says George W. Savage in the foreword: "His love for Inyo is marked by his own appreciation of the towering peaks of the high Sierra and the grotesque beauty of Death Valley and the desert. . . . He fought tirelessly for the rights of the people of Inyo in their fight with the City of Los Angeles over the Valley water supply. Yet, when hotheads began dynamiting the Los Angeles aqueduct, he opposed this action as bad judgment on their part."

"Tales of the Pioneers" is attractive typographically, with decorations and design by Arthur Lites.

"THE PERSISTENCE OF THE WESTWARD MOVEMENT AND OTHER ESSAYS."

By John Carl Parish; University of California Press, Berkeley and Los Angeles; Price, \$2.00.

This volume, among others thus specially designated, is published in commemoration of the seventy-fifth anniversary of the founding of the University of California. "It is chiefly in the hope of perpetuating John Carl Parish's influence as a historian that these essays of his are brought together and presented in one volume," according to Louis Knott Koontz's preface. "Two of them . . . have not previously been published." All the essays and papers in the volume were written by Professor Parish while he was at the University of California at Los Angeles.

"The westward movement in its larger sense," quoting Essayist Parish, "has been a persistent factor in our national life, which still tends to distinguish the American people from the people of European nations. . . . The westward movement is the whole sweeping process by which the nation and its civilization have been crossing the continent. It created and it perpetuates the spirit that sets apart the East and the West. It has influenced all parts of the country. . . . The westward movement is a national phenomenon, not merely a local western episode."

"EARLY NATURALISTS IN THE FAR WEST."

This illustrated booklet, of particular interest to scientists and historians of the West, is an account of "those adventurers who cast their glance to the sea, sky and land in a never-ending

be loyal, because the F.B.I. has not cited a single case of sabotage by the Nisei, either in Hawaii or on the Mainland.

The social theorists of the War Relocation Authority have used this argument as a basis for their insistent demands for release of Japanese-Americans. At a regional meeting of the National Conference of Social Workers, John W. Powell, assistant chief at Poston, said, "There is no record of a single act of sabotage either in California or in Hawaii by any Japanese-American." To all these fine Americans who have been misled by this counter attack against commonsense, let the next important statement serve as a warning:

The Japanese and the Japanese-Americans in the United States were instructed not to commit sabotage in the first stage of the war, lest they show their hand and spoil the Japanese invasion plans. Japan's outstanding authority on the Pacific war, who brazenly distributed his instructions for the war in February 1941, in which he actually described the sneak attack on Pearl Harbor and set up the chronology of the South Pacific campaign,—Matsuo, Japanese chief of naval intelligence, ordered no display of loyalty to Japan during the first stage of the war, but added:

"When Japan is ready for an all-out attack upon America, the Japanese in the United States and Hawaii will suddenly raise a voluntary army

to aid Japan's occupation of Hawaii and the Pacific Coast."

A second charge is made by many educational and religious leaders in America, that to advocate wartime measures in our disposition of the Japanese-Americans is an expression of "race hatred," and would jeopardize the security of minority groups in the future. The fallacy of this argument is in a misunderstanding of the meaning of race hatred.

Race hatred is predicated upon hostile and biased opinions, resting not upon reason but upon ignorance and emotion. The Japanese problem in America must be judged upon the basis of reason and commonsense, and will be, if our faith in the American people is justifiable. The charge of "race hatred" is an indictment of the accuser who resorts to slogans to satisfy his own unreasoned emotions. Americans will not be sloganized into a compromise with Japanism which will throw the burden of a solution upon the shoulders of our children.

In America we have prided ourselves on the fact that we have allowed no discrimination against race or creed. We have maintained this fundamental American principle because these races and these creeds have been easily circumscribed within the American philosophy of life as minority groups. They have not been "anti-American." For the first time in our history we have a minority racial group which has been definitely controlled by the government of its forebears. The mechanism for this control from across the seas is now an open book to our government.

This places the Japanese minority in America on an entirely different footing from that of any other racial group. Any approach to the Japanese problem in America must be made, therefore, on the basis of reason and fact, and not upon the basis of emotion. It is the firm conviction of the author that America can solve this problem with firmness and with wisdom, looking to her own future security, without jeopardizing the magnificent basic principles of the American Bill of Rights.

Perhaps the best statement made to demonstrate our sacred obligation to future generations, to preserve intact this remarkable nation, is contained in the Chinese exclusion case, 130 U.S. 606: "To preserve its independence, and give security against foreign aggression and encroachment, is the highest duty of every nation; and to obtain these ends nearly all other considerations are to be subordinated. It matters not in what form such aggression and encroachment come, whether from the foreign nation acting in its national character (as in time of war) or from the vast hordes of its people crowding in upon us."

Thus another record—a double institution—will be established by District Deputies Association No. One. The charter petition for the Burbank parlor is being circulated by Charles Alexander of 3920 Alameda Street, Burbank, who is being assisted by Howard Witty.

In the Long Beach garden of Mary Hotelling, the Parlor honored new friends, old friends and the Marines. Among the many guests was the son of Myrtle Brooks, home on furlough from overseas service. Entertainment consisted of instrumental and vocal numbers.

California quiz night caught a large number of Long Beach's members unprepared. The encyclopedia was consulted, but even then some were still unconvinced of the historical truth. September 23 the Parlor's thimble club was entertained at the Anaheim home of Adlena Marschall.

Members are keeping the local USO cookie jar filled. A rummage sale September 8, 9 and 10 was in charge of Grace Boddie.

The Parlor's meeting of September 12 was dispensed with, so that members and visitors might listen to talks by Sergeants Freedman and Urna and Captain Wilson of the United States Marines and witness movies showing the Japs' preparations for war. A buffet supper was served after the program. The Florencita Thimble Club met September 15 at the home of Catherine

Morris; Florence Blanke was the hostess and served a delightful luncheon. The October 20 meeting of the club will be held at the home of Mrs. Morris also, with Catherine Bragg as the hostess.

COVER CROPS FOR VICTORY GARDENS.

As parts of the victory garden yield their harvest and go out of production, gardeners should consider the planting of winter cover crops to pick up and conserve the fertilizer elements not used up by the vegetables and to hold this plant food until the cover crops are turned under in spring. A cover crop also supplies some humus when turned under, say the garden specialists of the United States Department of Agriculture. Gardeners should consult local leaders or extension agents as to crops or combinations best suited to the soil and climate.

As a result, it "adopted" its first baby and the balance went into the homeless children fund. The Marines visited the Parlor and were successful in getting prospective recruits. During October Halloween activities will be featured; Parlors will be notified of the date.

Wilmington—Wilmington Parlor No. 280 N.S.G.W. will have a joint meeting with the American Legion, October 28, 7:30 p.m., in Serbian Hall, 1300 Fries Street. To "Back the Attack" the Parlor purchased a war bond. Program Chairmen Ray Saltonstall and Ed Prince are presenting fine entertainment at every meeting of Wilmington.

Pomona—President Roy Day of Los Ranchos Parlor No. 283 N.S.G.W., instituted September 9, was host to the officers of that Parlor, Supervising Deputy Woodrow Wade and Superior Judge Ruben Schmidt at lunch September 17. At a business conference following, a membership committee including James Whyte, Nelson VanFleet, Clifford Lindesmith and Donald Nichols was appointed. The Parlor will meet the first Thursday of each month at the Elks Club, 222 South Thomas Street, the first regular meeting to be held there October 7.

DO WE?

CLARENCE M. HUNT.

Being muchly concerned about the future, as well as the present, welfare of California, and being thoroughly convinced that, unless the "seed of the sun" be entirely uprooted, the Japs will, following the present armed conflict, proceed with their "peaceful invasion" and eventually overrun this state, the writer proposes **UNITED ACTION TODAY** by organizations and individuals actually desirous of preserving California as a paradise of the Whiteman for all time. **TOMORROW**, after the war, will be **TOO LATE!** In the hope of permanently removing the Jap menace, this course of action is advocated:

Dispossess the Japs of every foot of land, rural and urban, to which they now claim title.

Challenge the citizenship of every Jap—his right to exercise in these United States the voting privilege.

Close every Jap-language school, and be certain that it is kept closed.

Do we, or do we not, really want to save this glorious heritage given into our keeping by our Pioneer Fathers and Mothers? If we have the will, this suggested course points the way! What's your answer?

THE LOST AMENDMENT

Representative Hugh A. Butler of Nebraska believes "Today's test to democracy in America may be framed in the question: 'Are we to have States' rights or Federal bureaucracy?' . . .

"The States' rights guaranty in the Constitution may well be called the lost amendment. The almost complete abrogation by the vast Federal bureaucracy . . . has lost to the States the lion's share of the rights they once had. . .

"Is the great Nation of the United States to be desolated with desire—the desire for power in the hands of a few—a few in Washington? The very name of the great land where we live is the United States, but the States have been largely forgotten. The United has been made to mean United if you let us run it. . .

"Federally fattened fuehrers rule more Government agencies affecting the daily life of the people of the States than there are States in the land. . . Free enterprise in State after State has been ruined by edicts of dictatorial Washington demagogues."

Eulogy

Tribute delivered by Judge Frank G. Tyrrell.

It has become my great privilege to pay a last tribute to the character, personality and work of our departed brother, an outstanding man and citizen. His work is done. I asked one of our members, "Who will take his place?" the immediate reply was, "No one can take his place." This is true, because of his unique personality. He became Editor of the Grizzly Bear magazine at a time when its affairs were unpromising, and by indefatigable efforts and entire concentration made it a "going concern" and brought it to a high level of service to the Native Sons and Daughters of California.

Clarence Hunt was loyal to his native state, and recognized in the two orders the best means of giving full expression to that loyalty. He overlooked nothing; he neglected nothing that in his fine judgment would redound to the benefit of California. This occasion would indeed be depressing if we thought or believed for a moment that this is the end; that a life so rich and full and unselfish has at last ended in dust and ashes. Standing by his brother Eben's bier, Colonel Ingersoll said:

"Life is a narrow vale between the cold and barren peaks of two eternities. We strive in vain to look beyond the heights. We cry aloud, and the only answer is the echo of our waiting cry. From the voiceless lips of the unreplying dead there comes no word, but in that night of death, hope sees a star, and listening love can hear the rustle of a wing."

There spoke the Christian faith inherited from his Presbyterian preacher father, for "stars" and "wings" are not found in the gospel of agnosticism. To us, the sunset of life is the sunrise of the life immortal. We confidently believe that we may and shall survive the shock of dissolution; that life may become of such a character that death cannot touch it; that it goes on unhurt, and not only unhurt but released and glorified.

One could not know Brother Hunt long without being impressed with his weight of character. He was dependable, and expendable. He never spared himself. He seemed always to have a reserve of vitality and power. Particularly evident was the strength of his convictions. He considered carefully every question presented. His mind was open and receptive, but once he had reached a conclusion he was immovable. He was of the stuff of which heroes and martyrs are made.

Yet he was never merely obstinate. He could and did listen to rational argument, and in conference, he moved along the line of least resistance; that is, he could give and take; he could make comparisons; he could weigh and consider and he was gifted with a never-failing tact. This of course made his obvious talents the more effective.

I think all will agree that he was utterly and sincerely unselfish. Meeting him one day recently when his dear wife was ill, he was concerned solely about her, never giving a thought to his own condition of health, or his limited strength. He was as devoted to his family and friends as he was to any cause which involved the welfare of his native state. His passing is an irretrievable loss to the Native Sons and Daughters of the Golden West, to a host of friends far and near, and above all to his family.

His indefatigable work continued to the very last gasp. Stricken suddenly and without any apparent warning, he left us. These lines might have been written for him:

"Life we've been long together,
In pleasant and in cloudy weather;
'Tis hard to part, when friends are dear;
Perhaps 'twill cost a such a tear.
Then steal away; give little warning.
Choose thine own time; say not, 'Good night.'
But in some fairer clime, bid me 'Good morning.'"

In a moment like this, what condolence, what comfort, can we bring to the sorrowing loved ones? Only that we have for them an understanding sympathy, deep and genuine. Also we can commend them to "the God of all comfort."

Brother Hunt was a respected and loved member of the Masonic order. Who can doubt that the impressive and instructive ritual of that noble and ancient craft left its impress upon his mind and heart, and found there an echo of his highest aspirations? To the bereaved family come the reassuring words, that "they sorrow not, even as those who have no hope,"—

"For grief is God's own kiss
Upon the soul;
Look up! the sun of bliss
May shine where storm-clouds roll."

In Memoriam

Clarence M. Hunt

Born in Gold Run, Placer County, November 6, 1874, Clarence M. Hunt was the son of pioneers. His mother, Almira Mason Hunt was born in Arkansas and crossed the plains in 1852 with her parents when she was only two years old. His father, William Hartwell Hunt was a native of Virginia and came to California across the Isthmus of Panama.

Educated in Sacramento, Mr. Hunt was employed when a young man as a linotype operator for the Sacramento Bee and acted as recording secretary for the Typographical Union while thus employed. He was a past president of Sacramento Parlor No. 3 and also a past recording secretary.

March 22, 1900, Clarence Hunt married Clara Price and in 1904 they moved to Los Angeles, making it their home. Their children are Mrs. John A. Bullard (Donna Lucille) of Beverly Hills and Carvel P. Hunt who, with his family, resides in the San Fernando Valley. There are three grand-children, Lorraine Hunt and Jack and Donna Bullard.

For nearly forty years, Mr. Hunt managed and edited the Grizzly Bear Magazine, and as a past president of the Order of The Native Sons of the Golden West and Deputy-at-Large was known by Native Sons the length and breadth of the state he loved so well. Native Daughters as well,

always welcomed him and his charming and friendly wife to social functions and the many favors received from him were greatly appreciated.

His tremendous knowledge of California's political problems made him the dean of authorities in his particular field of activities. Both orders of Native Sons and Daughters mourn his passing and extend their sympathy and friendship to his bereaved family.

Funeral Services

On Saturday, October 9, at two o'clock p.m. the Grand Officers N.S.G.W. conducted funeral services at Los Angeles for our deceased brother and managing editor of The Grizzly Bear Magazine, Clarence M. Hunt, a member of Sacramento Parlor No. 3.

The services were conducted by Grand President Wayne R. Millington, Grand Trustees Walter H. Odemar and Bernard G. Hiss and Grand Secretary John T. Regan.

A eulogy was delivered by Frank Tyrrell, Ramona Parlor No. 109. A large gathering of Native Sons and Native Daughters were in attendance to pay their last respects to our deceased brother.

Grand Presidents' Messages

TWENTY-FIVE YEARS AGO, NOVEMBER 11, 1918; the world fondly believed that our generation, at least, would not again suffer the horrors of war. Despite the admonition of the Good Book that there would be wars and rumors of wars, the world settled down to re-habilitation and the works of peace; the western hemisphere completely casting aside the sinews of war for the tools of husbandry.

That we were wrong is no reflection upon us; rather, we made the error of assuming that all people felt as we did; that the ideals and principles in which we believed were those of all the world.

The sacrifices made in World War I and in World War II have not been in vain. The steps of liberty are slow; but they never turn backward. Every act of those who contributed to the great accomplishments have had their effect as acts in the aggregation of those things which have made the world progress and a better place in which to live.

Honor to the men in khaki of 1917-1918! Theirs was a step toward the ultimate goal of universal peace and happiness.

Honor to the men of the armed forces of today! Theirs is a further step; with the knowledge gained from World War I, it shall be the final one.

We ask a wise Providence to guide us in winning the Peace; that their sacrifices shall not have been in vain.

THANKSGIVING DAY, in 1943, may not, as a first view, be held by many Americans as having the same significance that the occasion formerly had.

Millions of our youth; men and women, are in the armed forces of their country. Around the firesides, their absences will be keenly felt. It will be difficult to offer thanks under these conditions and those of war.

But we will thank the All-Seeing Protector, even as did the Pilgrim fathers. Theirs was not a happy lot. The ravages of Indian warfare and strange adverse weather conditions would not, from our viewpoint, be a cause to render thanks.

Let us be thankful that we are the bulwark of human liberty; that our efforts and those of our loved ones will, step by step, eventually effect the liberation of all men by the destruction of tyranny and oppression; that we are the instrumentalities of a wise Creator through whom He works toward the millenium.

Farewell

CLARENCE HUNT is gone. The call to the Grand Parlor on High came on October 7, while he was riding a street car; just as he would have wished it to come—while he was actively engaged in purposes to which he had dedicated his life—the Order of the Native Sons and Daughters of the Golden West and their official publication, The Grizzly Bear Magazine.

Occasionally, a man is born who through his life work typifies an ideal. Clarence Hunt was such a man. He lived, breathed, talked and wrote his great love—the State of California. Always an ardent advocate of his state's interest, he was impatient of lack of zeal on the part of others; not understanding how any native of this state could fail to share his love and enthusiasm.

The "Grizzly Bear" became the symbol of his crusade; through which he fought for the things in which he believed. It was in fact, Clarence Hunt, himself; the outlet to which he sacrificed himself. Though not well, he refused to place his brain-child in the hands of others, often preparing it from a sick bed.

Farewell, Clarence Hunt! You have lived a full life. Though the passing leaves an irreparable personal sorrow to us; we rejoice that you have received your reward; that the Book of Life will be filled with the great things you have accomplished and with the closing notation; "He was a man!"

WAYNE R. MILLINGTON,
Grand President, N.S.G.W.

BOTH THANKSGIVING DAY AND ARMISTICE Day have a deep significance for us this year. November 11, 1918 we celebrated the cessation of hostilities of World War I with great joy and hilarity and on the following Thanksgiving Day we raised our voices in prayer and gratitude to God for having brought us peace at last.

This Thanksgiving those of us who have loved ones in the service of our country at times think we have little for which to be thankful, but when we stop and enumerate our blessings, we can think of no country in which we would prefer to live other than the United States. Natives of California should be especially grateful for the privilege that is theirs in having been born, reared and prospered on these golden shores, where fruitful products abound. It is a time when we have an opportunity to emulate the powerful attributes of our ancestors who welcomed each newcomer with a hearty greeting. Many newcomers are thronging our cities today and to these we must extend the same hospitality and the friendship so generously proffered by the pioneers. Let us be grateful to Almighty God that home loving rather than home bombing has been spared for us; that our children may attend their daily classes without fear or trepidation and that we may be seated around a plentifully laden table at Thanksgiving time and raise our voices again in devout Thanksgiving.

Loyal and True

NATIVE DAUGHTERS of the Golden West are deeply grieved by the passing of their friend, Clarence M. Hunt, zealous and sincere editor of The Grizzly Bear Magazine. Always alert and gracious—ever considerate of the Order's welfare, he was frequently the welcome guest at Native Daughter functions.

To such a staunch friend as Clarence M. Hunt, there can be no greater tribute than to say, "He was loyal and true." As a Native Son, his unwavering convictions made him the leader in many objectives of the two Orders for which he gave his all. The Native Daughters of the Golden West extend their sympathy to their dear friend, Mrs. Clarence M. Hunt and wish for her that peace that one attains only through faith and strength.

MARY B. NOERENBERG,
Grand President, N.D.G.W.

Memorial

Santa Barbara's Reina del Mar Parlor, Native Daughters of the Golden West, at its monthly meeting in the Woman's City club, October 13, observed an interval of silence in memoriam for Clarence M. Hunt, late editor-publisher of The Grizzly Bear Magazine. A formal expression of deep sympathy for Mrs. Hunt was expressed. Resolutions of respect were passed.

Remarked upon was the aid he had given over the years in coordinating activities of Native Sons' and Native Daughters' objectives in the field of historical preservation and in furtherance of the placement work of the Homeless Children's bureau.

Mrs. Wm. A. Birss, parlor president, and Mrs. George Tackaberry, chairman of Civic Participation, presented the needs of the Santa Barbara War Chest and full parlor cooperation was voted.

Many other fine committee reports were made, showing the very fine progress the Parlor is making in all of the Order's worthwhile projects.

During the month of October, Sequoia Parlor members completed plans to entertain Grand President Mary Noerenberg in cooperation with Piedmont Parlor No. 87. The affair took place in Oakland in the latter's hall, Thursday evening October 21. Initiation was held that evening with Sequoia Parlor having full charge of the initiatory work. Corsages of the national colors and defense stamps were worn by the officers. Following the business meeting, a musical program was presented by Sequoia Parlor's choral group under the direction of Tessie Socker, the parlor's musician.

A Tribute to a Friend

By a Little Child

Mr. Clarence M. Hunt, our friend, has gone away. He has left his beloved State for a fairer country.

Our parents have told us about Mr. Hunt; that he was a Native Son who loved California and who wanted its children to grow into men and women zealous for the right, with a pride in our State and in America. He used to write pages and pages about California and the things that were threatening and how they could be corrected in a magazine called "The Grizzly Bear." He used to put our pictures in it, too, and tell about what we could do to make California trust us and be proud of us as good citizens. Mother has told me, that for many, many years Mr. Hunt has interested the members to even greater enthusiasm in their giving to the little folk in order that they might have homes and mothers and fathers and toys and good food and clothes and books and school and Sunday school.

We wish that Mr. Hunt didn't need to go so far away from California and could help other children as he did us to get good homes and everything.

Mother says: "He will. His spirit lives!"

*Little Boy kneels at the foot of the bed,
Droops on the little hands little gold head,
Hush! Hush! whisper who dares!
Christopher Robin is saying his prayers.*
—A. A. MILNE.

Native Daughters of the Golden West

Official Visit

Grand President Mary B. Noerenberg, Californiana Parlor, Los Angeles, paid her official visit to Bonita and San Bruno Parlors, Native Daughters of the Golden West, Thursday evening, September 23, at Odd Fellow's Hall, Redwood City.

Accompanying Mrs. Noerenberg were Sallie R. Thaler, Grand Secretary; Dorothy Donofrio, Grand Outside Sentinel; Anne Theusen, May Hires Noonan and Evelyn I. Carlson, Past Grand Presidents; Grace Loverich of Menlo Parlor, Deputy Grand President to Bonita; Florence Flynn of El Carmelo Parlor, Daly City, Deputy Grand President to San Bruno Parlor; Anne Biggio of El Carmelo Parlor, Supervising District Grand President.

During the course of the evening, grand officers of the Native sons paid a visit to the two parlors. Grand President Wayne Millington and his corps of grand officers presented Mrs. Noerenberg with an orchid corsage.

Bonita Parlor presented the Grand President with preserves, jams and jellies for the Native Daughters' Home, and San Bruno Parlor presented her with a complete layette for the Homeless Children project.

Four candidates from Bonita Parlor and three from San Bruno Parlor were initiated. Presidents presiding were: Mrs. Irvin Blomquist, Bonita Parlor, and Lenore Larue, San Bruno Parlor.

Two themes were used for decoration. In the lodge hall the autumn theme was carried out. Decorations at the head table in the banquet room featured a covered wagon and a miniature parlor scene depicting the Order's first meeting. Favors were miniature maps of California with the name of a parlor on each map. Following the meeting refreshments were served. Chairmen in charge were Isabel MacPherson, Bonita Parlor, and Eleanor Foley, San Bruno Parlor.

MARY BRUSIE HONORED

Members of Argonaut Parlor celebrated the 35th anniversary of their institution at a meeting and social on Tuesday, October 5. Honored at this occasion were Past President Mary E. Brusie, Recording Secretary Ada Spilman and Deputy Grand President Anita Buck of Fruitvale Parlor.

At the close of a short business meeting, Sister Brusie was presented with a huge blue box done up in pink ribbons which, when opened, revealed many shower gifts of baby clothes for the Homeless Children. She was also presented with a check for \$35.00 for one-half the yearly quota of the Parlor for the Homeless Children work. Sister Brusie entertained the members while opening the gifts with many stories about her "babies" which are always so interesting to hear.

Recording Secretary Ada Spilman was honored for her thirty-five years of continuous service to the Parlor. Sister Spilman was Charter Third Vice-president and has been an officer ever since. She has served as Recording Secretary for thirty-two years. In recognition of her kindly leadership and devotion to duty, members presented her with a gold wrist watch. The presentation was made by Mrs. Brusie and was a very pleasant surprise to "Spillie."

Refreshments were served at tables decorated with pink begonias, the centerpiece being a large birthday cake inscribed: "Happy Birthday to Argonaut Parlor."

Miniature Victorian furniture, braided rugs and dolls in old-fashioned gowns formed a parlor scene typical of 1886, as a center piece for the tea table when Californiana Parlor No. 247, N.D.G.W. celebrated Founders' Day at their regular meeting, September 27 in the Women's University Club, 943 South Hoover street, Los Angeles.

Hospitality Chairman, Isabella Granz arranged the table decoration which was the object of much admiration by members and guests, who enjoyed an hour of pleasant reminiscing around the tea table.

NATIVE SONS EVENTS

Birthday Dinner

The sixtieth founding anniversary of Arcata Parlor No. 20 N.S.G.W. was celebrated Thursday, October 7 with a dinner in the Bella Vista Inn. Curtis Monroe presided and Robert Titlow was Master of Ceremonies. David Wood, only charter member attending was presented with a gift. Henry Carr, a member for fifty-five years and John Biddings, forty-three years a member were also honored. The Parlor voted to present the Korb School with two flags, the Stars and Stripes and the Bear Flag of California. In 1894, Arcata presented the school with an American flag during the visit of grand officers and still owns the old banner which contains only forty-four stars. It will be returned to Arcata Parlor who in turn will present it to Grand Parlor.

CALIFORNIA RODEO

The October 22 meeting of Cabrillo Parlor No. 114, Ventura, was to be high-lighted with a visit by Attorney Gen. Robert Kenney and the official visit of Grand Trustee Bernard Hiss. Fifty new members were expected to be initiated. We hope their objective was met!

Cabrillo Parlor No. 114, Ventura, staged a real California rodeo, Saturday and Sunday, September 25 and 26 at Seaside Park. More than one thousand thrill-hungry persons jammed the park where the famed Yanez troupe of Ventura made away with twenty of the coveted prizes.

GRAND OFFICERS

Continued from Page 6

John A. Corrotto, Grand Treasurer, attended the meeting of the Board and stated that the Bank of America will give the second prize in the annual public speaking contest to be held by our Order and that an amount equal to fifty dollars has been allotted to purchase this prize. The offer was accepted and the Grand Secretary was directed to notify Reynald J. Bianchi, chairman of the Public Speaking Committee.

It was reported to the board of Grand Officers that El Dorado Parlor No. 5 and Stanford Parlor No. 76 of San Francisco wished to consolidate. Grand President Millington granted permission for the merger.

A recess was declared to receive a visit from the following Grand Officers N.D.G.W.: Grand President Mary B. Noerenberg, Past Grand President Claire Lindsey, Grand Vice-president Emily E. Ryan, Grand Secretary Sallie R. Thaler, Grand Inside Sentinel Maxine Bundy-Kelly, Grand Trustees Henrietta Toothaker, Doris Treat and Anna Schiebusch, and Assistant Grand Secretary Irma Murray.

Grand President Noerenberg called attention to the various objectives of both Orders and particularly stressed the Japanese legislative program. She stated that the 1943 Native Daughters' Grand Parlor had appropriated funds to assist in this work, but that no demand had been made by the Native Son's committee.

Grand President Millington stated that when the funds of the Native Daughters are needed they will be called upon to assist in this work financially. It was suggested that at the next meeting of the Japanese Legislative Committee N.S.G.W., the Native Daughter committee be invited to participate and the Grand Secretary was directed to convey that information to Harmon D. Skillin, Chairman of the Japanese Legislative Committee.

Grand Trustee Bailey reported that initiation for the parlors of Sacramento and surrounding counties, will be held at Guy Foulk's ranch at Elk Grove on Saturday, November 20, 1943.

EIGHT CANDIDATES

Woodland Parlor No. 90 N.D.G.W. has started the new Parlor year in high gear. Events are moving swiftly and give evidence of an outstanding term.

A "Pep" party at the home of Deputy Grand President Edalene Sandrock started the ball rolling. At the last meeting of September, eight candidates were initiated. Grand Trustee Henrietta Toothaker and Past Grand President Mary E. Bell were present to welcome them into the Order.

The Parlor, under the leadership of Ednah McDonald and Rose McGrew, packed Christmas boxes to send unknown soldiers. The Parlor voted to adopt a ward at a hospital for exhaustion cases. The members will bring gifts at each meeting and prepare Christmas boxes for the ward.

October 12, the Parlor observed its 47th birthday with a covered dish supper. Ten veteran members were present to light the candles and the cake was cut by Caroline Simpson, a member of the Parlor since 1899. A birthday cake was presented Secretary Maude Heaton, the only member whose birthday falls on the Parlor's birth date. Corsages were presented to the veteran members and to Grand Inland Sentinel Maxine Kelly, Grand Trustee Henrietta Toothaker, President Mollie Miller, Secretary Maude Heaton and to the baby members initiated at the previous meeting.

Grand President Mary B. Noerenberg made her official visit to Eschol Parlor No. 16 Napa, Wednesday, October 20. A dinner was served in the Plaza Hotel and a class of candidates were initiated at the meeting following in N.S. Hall.

YOUR MEASURE

SIDNEY J. BURGOYNE

You're measured as a workman
By just the things you do
When there's nobody looking
And no one knows but you.
Your only REAL value
Is what you think and say
When no one ever hears it
And sham is stripped away.

Your power is determined
By simply what is found
To be your code of honor
When no one is around.
Your character is founded,
Without the slightest doubt,
On just your course of action
When no one will find out.

You're rated—just remember,
By only what is TRUE—
No matter what the seeming
Of all you say and do.
For Truth cannot be covered,
And so we stand or fall
Just by the fundamentals
Of what we ARE—that's all!

Alturas Parlor No. 159 and Mt. Lassen Parlor No. 215 N.D.G.W., held a joint meeting in Alturas, October 7, when Grand President Mary Noerenberg paid her official visit. She was accompanied by Grand Secretary Sallie R. Thaler. An Italian dinner preceded the meeting with Alturas members as hostesses.

October 8 the Grand President's party assisted in the dedication of a plaque marking the first cabin building erected in the town of Bieber by Mt. Lassen Parlor No. 215, Bieber. The landmark was built in 1867 by Theodore Pleish.

The program consisted of music furnished by the Bieber High School Band and the singing of "I Love You California" by the pupils of the local elementary school. Mrs. Faye Poole led the assemblage in the Salute and Pledge of Allegiance to the American Flag and a prayer was offered by Past President Frances Summers. Marie Walsh, First Vice-president delivered an address and the early history of the community was related by A. W. McKenzie. Grand President Noerenberg then addressed the gathering followed by the unveiling of the plaque by Nettie McKenzie who was the first president of Mt. Lassen Parlor. A. C. Bieber, son of N. Bieber, deceased, for whom the town was named closed the program with acceptance of the plaque in behalf of the community.

Luncheon was served in honor of the Grand President preceding the ceremonies. Mt. Lassen Parlor gave a benefit for Homeless Children October 15 and mailed a Christmas package to an overseas nurse.

Saturday evening, October 9, Mountain Dawn Parlor No. 120, Sawyers Bar, and Eschscholtzia Parlor No. 112, Etna, welcomed Grand President Mary Noerenberg, who paid her official visit to the two Parlors. During the evening eight candidates were initiated. Preceding the meeting, a covered dish dinner was served in the banquet hall. Both the upper and lower halls were decorated with autumn flowers.
